THE WILLIS GROUP

Willis Group Holdings Limited is the ultimate holding company for the Willis Group. We trace our history to 1828 and are one of the largest insurance brokers in the world.

Willis Group Holdings Limited was incorporated in Bermuda on February 8, 2001 as an exempted company under the Companies Act 1981 of Bermuda, as amended, for the sole purpose of redomiciling the ultimate parent company of the Willis Group (comprised of TA I Limited and subsidiaries) from the United Kingdom to Bermuda. We completed an initial public offering of approximately 16% of our shares in June 2001. In November 2001, May 2002, April 2003, February 2004 and November 2005 approximately 14%, 15%, 16%, 15% and 4% of our shares were publicly sold through secondary public offerings.

We provide a broad range of insurance brokerage and risk management consulting services to our worldwide clients. We have significant market positions in the United States, in the United Kingdom and, directly and through our associates, in many other countries. We are a recognized leader in providing specialized risk management advisory and other services on a global basis to clients in various industries including the aerospace, marine, construction and energy industries.

In our capacity as an advisor and insurance broker, we act as an intermediary between our clients and insurance carriers by advising our clients on their risk management requirements, helping clients determine the best means of managing risk, and negotiating and placing insurance risk with insurance carriers through our global distribution network.

We assist clients in the assessment of their risks, advise on the best ways of transferring suitable risk to the global insurance and reinsurance markets and then execute the transactions at the most appropriate available price, terms and conditions for our clients. Our global distribution network enables us to place the risk in the most appropriate insurance or reinsurance market worldwide. We also offer clients a broad range of services to help them to identify and control their risks. These services range from strategic risk consulting (including providing actuarial analyses) to a variety of due diligence services to the provision of practical on-site risk control services (such as health and safety or property loss control consulting). We also assist clients in planning how to manage incidents or crises when they occur. These services include contingency planning, security audits and product tampering plans. We are not an insurance company and therefore we do not underwrite insurance risks for our own account.

We and our associates serve a diverse base of clients located in more than 190 countries. These clients include major multinational and middle-market companies in a variety of industries, as well as public institutions and individual clients. Many of our client relationships span decades. With approximately 15,400 employees around the world and a network of about 300 offices in some 80 countries, in each case including our associates, we believe we are one of only three insurance brokers in the world possessing the global operating presence, broad product expertise and extensive distribution network necessary to meet effectively the global risk management needs of many of our clients.

General

The indentures do not limit the aggregate principal amount of debt securities which may be issued. The indentures also provide that debt securities may be issued in one or more series, in such form or forms, with such terms and up to the amount authorized by the applicable issuer, in each case as established from time to time in or pursuant to a resolution of our Board of Directors and set forth in an officers' certificate or established in one or more supplemental indentures. All debt securities of one series need not be issued at the same time, and, unless otherwise provided, any series may be reopened, without the consent of the holders of the debt securities of that series, for issuances of additional debt securities of that series.

Reference is made to the prospectus supplement for the following terms of any offered debt securities:

- the identity of the issuer and the guarantors, if applicable;
- the designation (including whether they are senior debt securities, senior subordinated debt securities or subordinated debt securities and whether such debt securities are convertible), aggregate principal amount and authorized denominations of the offered debt securities;
- the percentage of their principal amount at which such offered debt securities will be issued;
- any limit on the aggregate principal amount of the debt securities;
- the date or dates on which the offered debt securities will mature or the method of determination thereof;
- the rate or rates (which may be fixed or variable) at which the offered debt securities will bear interest, if any, or the method by which such rate or rates shall be determined, any reset features of the rates and the date or dates from which such interest will accrue or the method by which such date or dates shall be determined;
- the dates on which any such interest will be payable and the regular record dates for such interest payment dates;
- any mandatory or optional sinking fund or purchase fund or similar provisions;

- if applicable, the period or periods within which and the price or prices at which the offered debt securities may be redeemed at the option of the applicable issuer pursuant to any optional or mandatory redemption provisions or may be repurchased at the option of the holder of the offered debt securities, and the other redemption or repurchase terms;
- if applicable, the terms and conditions upon which the offered debt securities may be convertible into common stock, including the initial conversion rate, the conversion period and any other provision;

The applicable issuer will have the option to pay interest by check mailed to the holder's address as it appears in the security register.

No service charge will be made for any registration of transfer or exchange of the offered debt securities, but the applicable issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with an exchange or transfer.

Debt securities may be issued under an indenture as original issue discount securities to be offered and sold at a substantial discount from the principal amount thereof. Special federal income tax, accounting and other considerations applicable to any such original issue discount securities will be described in the prospectus supplement.

Ranking

The payment of the principal of premium, if any, and interest on, the senior subordinated debt securities and the subordinated debt securities will be subordinated, as set forth in the senior subordinated or subordinated indentures, in right of payment, to the prior payment in full of all senior indebtedness, whether outstanding on the date of the applicable indenture or thereafter incurred.

Except as set forth in the applicable prospectus supplement, upon any distribution to creditors of an issuer or a guarantor in a liquidation or dissolution of such issuer or guarantor or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to it or its property, an assignment for the benefit of creditors or any marshalling of its assets and liabilities, the holders of senior indebtedness will be entitled to receive payment in full in cash or cash equivalents of such senior indebtedness and all outstanding letter of credit obligations will be fully cash collateralized before the holders of the debt securities will be entitled to receive any payment with respect to the senior subordinated debt securities or the subordinated debt securities, and until all senior indebtedness is paid in full in cash or cash equivalents, any distribution to which the holders of the debt securities

would be entitled shall be made to the holders of senior indebtedness, except that holders of the senior subordinated debt securities or the subordinated debt securities may receive

- (1) shares of capital stock and any securities representing indebtedness that are subordinated at least to the same extent as the senior subordinated debt securities or the subordinated debt securities to
 - senior indebtedness and
 - any securities issued in exchange for senior indebtedness and
- (2) payments made from the trust referred to under "Satisfaction and Discharge of Indenture; Defeasance".

An issuer or a guarantor also may not make any payment upon or in respect of the senior subordinated debt securities or the subordinated debt securities, except in such subordinated securities or from the trust referred to under "Satisfaction and Discharge of Indenture; Defeasance", if

- (1) a default in the payment of the principal of, premium, if any, or interest on, or of unreimbursed amounts under drawn letters of credit or in respect of bankers' acceptances or fees relating to letters of credit or bankers' acceptances constituting, designated senior indebtedness occurs and is continuing beyond any applicable period of grace, a payment default, or
- (2) any other default occurs and is continuing with respect to designated senior indebtedness that permits holders of the designated senior indebtedness as to which such default relates to accelerate its maturity without further notice, except such notice as may be required to effect such acceleration, or the expiration of any applicable grace periods, a non-payment default, and the applicable trustee receives a payment blockage notice with respect to such default from a representative of holders of such designated senior indebtedness.

Payments on the senior subordinated debt securities or the subordinated debt securities, as the case may be, including any missed payments, may and shall be resumed:

- (1) in the case of a payment default, upon the date on which such default is cured or waived or shall have ceased to exist or such designated senior indebtedness shall have been discharged or paid in full in cash or cash equivalents and all outstanding letter of credit obligations shall have been fully cash collateralized; and
- (2) in case of a nonpayment default, the earlier of
 - the date on which such nonpayment default is cured or waived,
 - 179 days after the date on which the applicable payment blockage notice is received, each such period, the payment blockage period, or
 - the date such payment blockage period shall be terminated by written notice to the applicable trustee from the requisite holders of such designated senior indebtedness necessary to terminate such period or from their representative.

No new payment blockage period may be commenced until 365 days have elapsed since the effectiveness of the immediately preceding payment blockage notice. However, if any payment blockage notice within such 365-day period is given by or on behalf of any holders of designated senior indebtedness, other than the agent under our senior credit facility, the agent under our senior credit facility may give another payment blockage notice within such period. In no event, however, may the total number of days during which any payment blockage period or periods is in effect exceed 179 days in the aggregate during any 365 consecutive day period. No nonpayment default that existed or was continuing on the date of delivery of any payment blockage notice to the applicable trustee shall be, or

be made, the basis for a subsequent payment blockage notice unless such default shall have been cured or waived for a period of not less than 90 days.

If an issuer or a guarantor fails to make any payment on the senior subordinated debt securities or the subordinated debt securities when due or within any applicable grace period, whether or not on account of the payment blockage provision referred to above, such failure would constitute an event of default under the applicable indenture and would enable the holders of the senior subordinated debt securities or the subordinated debt securities to accelerate the maturity of such debt securities.

The applicable indenture will further require that an issuer or a guarantor promptly notify holders of senior indebtedness if payment of the senior subordinated debt securities or the subordinated debt securities is accelerated because of an event of default.

"Designated senior indebtedness" means:

- senior indebtedness under our senior credit facility (including any amendments, replacements or refinancings thereof); and
- any other senior indebtedness permitted under the applicable indenture the principal amount of which is \$25.0 million or more and that has been designated by an issuer as designated senior indebtedness.

"Senior indebtedness" means:

- (1) the obligations under our senior credit facility; and
- (2) the obligations under any other indebtedness permitted to be incurred by an issuer under the terms of the applicable indenture, unless the instrument under which such indebtedness is incurred expressly provides that it is on a parity with or subordinated in right of payment to the senior subordinated debt securities or the subordinated debt securities, as the case may be, including, with respect to clauses (1) and (2), interest accruing subsequent to the filing of, or which would have accrued but for the filing of, a petition for bankruptcy, in accordance with and at the rate specified in the documents evidencing or governing such senior indebtedness, whether or not such interest is an allowable claim in such bankruptcy proceeding.

Notwithstanding anything to the contrary in the foregoing, senior indebtedness will not include:

- any liability for federal, state, local or other taxes owed or owing by an issuer;
- any obligation of an issuer to its direct or indirect parent corporations or to any of its subsidiaries;
- any accounts payable or trade liabilities, including obligations in respect of funds held for the account of third parties, arising in the ordinary course of business, including guarantees thereof or instruments evidencing such liabilities, other than obligations in respect of letters of credit under our senior credit facility;
- any indebtedness that is incurred in violation of the applicable indenture;
- indebtedness which, when incurred and without respect to any election under Section 1111(b) of Title 11, United States Code, is without recourse to an issuer;
- in the case of the subordinated debt securities, any indebtedness, guarantee or obligation of an issuer which is subordinate or junior to any other indebtedness, guarantee or obligation of such issuer;
- indebtedness evidenced by the subordinated debt securities and, in the case of the senior subordinated debt securities, indebtedness evidenced by the senior subordinated debt securities; and

- capital stock of an issuer.

"Senior Indebtedness" of an issuer or any guarantor of the senior subordinated debt securities or the subordinated debt securities has a correlative meaning.

Conversion Rights

The prospectus supplement will provide whether the offered debt securities will be convertible and, if so, the initial conversion price or conversion rate at which such convertible debt securities will be convertible into shares of Willis Group Holdings Limited common stock. The holder of any convertible debt security will have the right exercisable at any time during the time period specified in the prospectus supplement, unless previously redeemed by Willis Group Holdings Limited, to convert such debt security at the principal amount (or, if such debt security is an original issue discount security, such portion of the principal amount thereof as is specified in the terms of such debt security) into shares of common stock at the conversion price or conversion rate set forth in the prospectus supplement, subject to adjustment. The holder of a convertible debt security may convert a portion of the debt security which is \$1,000 or any integral multiple of \$1,000. In the case of debt securities called for redemption, conversion rights will expire at the close of business on the date fixed for the redemption as may be specified in the prospectus supplement, except that in the case of redemption at the option of the holder, if applicable, such right will terminate upon receipt of written notice of the exercise of the option.

In certain events, the conversion rate will be subject to adjustment as set forth in the applicable indenture. Such events may include:

- the issuance of shares of any class of capital stock of Willis Group Holdings Limited as a dividend on the common stock into which the debt securities of such series are convertible;
- subdivisions, combinations and reclassifications of the common stock into which debt securities of such series are convertible;
- the issuance to all holders of common stock into which debt securities of such series are convertible of rights or warrants entitling the holders (for a period not exceeding 45 days) to subscribe for or purchase shares of common stock at a price per share less than the current market price per share of common stock (as defined in the indentures); and
- the distribution to all holders of common stock of evidences of debt of Willis Group Holdings Limited or of assets (excluding cash dividends paid from retained earnings and dividends payable in common stock for which adjustment is made as referred to above) or subscription rights or warrants (other than those referred to above).

No adjustment of the conversion price or conversion rate will be required unless an adjustment would require a cumulative increase or decrease of at least 1% in such price or rate. Fractional shares of common stock will not be issued upon conversion, but Willis Group Holdings Limited will pay a cash adjustment for it. Convertible debt securities surrendered for conversion between the record date for an interest payment, if any, and the interest payment date (except convertible debt securities called for redemption on a redemption date during such period) must be accompanied by payment of an amount equal to the interest which the registered holder is to receive.

Defaults, Notice and Waiver

The following are events of default under the indentures with respect to debt securities of any series issued thereunder:

- default in the payment of interest on any debt security of that series when due continued for 30 days (whether or not such payment is prohibited by the subordination provisions, if any, of the indenture);
- default in the payment of the principal of (or premium, if any on) any debt security of that series at its maturity (whether or not payment is prohibited by the subordination provisions, if any, of the indenture);
- default in the deposit of any sinking fund payment, when due by the terms of any debt security of that series (whether or not payment is prohibited by the subordination provisions, if any, of the indenture);
- default in the performance, or breach, of any other covenant of the applicable issuer, any of its restricted subsidiaries, in the case of Holdings debt securities or Trinity debt securities, Trinity or any of its restricted subsidiaries, in the case of Willis North America debt securities, or any guarantor specified in the indenture or any debt security of that series (other than a covenant a default in whose performance or whose breach is elsewhere dealt with or which has been included in the indenture solely for the benefit of debt securities other than that series), continued for 90 days after written notice from the trustee or the holders of 25% or more in principal amount of the debt securities of such series outstanding;
- certain events of bankruptcy, insolvency or reorganization;
- if applicable, any guarantee shall for any reason cease to exist or shall not be in full force and effect enforceable in accordance with its terms; and
- any other event of default provided with respect to debt securities of that series.

If an event of default with respect to debt securities of any series at the time outstanding shall occur and be continuing, the trustee or the holders of not less than 25% in principal amount of the outstanding debt securities of that series may declare the unpaid principal balance immediately due and payable. Notwithstanding the foregoing, in the case of an event of default arising from the events described in the fifth bullet above, all outstanding debt securities of the applicable series will become due and payable without further action or notice. However, any time after a declaration of acceleration with respect to debt securities of any series has been made and before a judgment or decree for payment of the money due has been obtained, the holders of a majority in principal amount of outstanding debt securities of that series may, by written notice rescind and annul such acceleration under certain circumstances. For information as to waiver of defaults, see "Modification and Waiver" below.

Reference is made to the prospectus supplement relating to any series of offered debt securities which are original issue discount securities for the particular provision relating to acceleration of the maturity of a portion of the principal amount of such original issue discount securities upon the occurrence of an event of default and the continuation thereof.

The applicable issuer and, in the case of Willis North America debt securities, Trinity Acquisition Limited must file annually with each trustee an officers' certificate stating whether or not the issuer is in default in the performance and observance of any of the terms, provisions and conditions of the respective indenture and, if so, specifying the nature and status of the default.

Each indenture provides that the trustee, within 90 days after the occurrence of a default, will give by mail to all holders of debt securities of any series notice of all defaults with respect to such series

known to it, unless such default has been cured or waived; but, in the case of a default in the payment of the principal of (or premium, if any) or interest on any debt security of such series or in the payment of any sinking fund or similar obligation installment with respect to debt securities of such series, the trustee shall be protected in withholding such notice if the Board of Directors or such committee of directors as designated in such indenture or responsible officer of the trustee in good faith determines that the withholding of such notice is in the interest of such holders.

Each indenture contains a provision entitling the trustee to be indemnified by holders of debt securities before proceeding to exercise any right or power under such indenture at the request of any such holders. Each indenture provides that the holders of a majority in principal amount of the then outstanding debt securities of any series may, subject to certain exceptions, direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred upon the trustee regarding the debt securities of such series. The right of a holder to institute a proceeding with respect to each indenture is subject to certain conditions precedent including notice and indemnity to the trustee, but the holder has an absolute right to receipt of principal and interest when due and to institute suit for payment of principal and interest.

Covenants

Consolidation, Merger and Sale of Assets

Unless otherwise indicated in the prospectus supplement relating to offered debt securities, the applicable issuer and, in the case of Willis North America debt securities and the Trinity debt securities, any of the guarantors without the consent of any holder of outstanding debt securities, may consolidate with or merge into any other person, or convey, transfer or lease its properties and assets substantially as an entirety to, any person, provided that the person formed by such consolidation or into which the applicable issuer or, in the case of Willis North America debt securities and the Trinity debt securities, any of the guarantors, is merged or the person which acquires by conveyance or transfer or which leases the properties and assets of the applicable issuer or guarantor, as the case may be, substantially as an entirety is, in the case of Willis North America Inc., organized under the laws of the United States, any State thereof, or the District of Columbia, or in the case of any guarantor other than Willis Group Holdings Limited, under the laws of England and Wales, and in the case of Willis Group Holdings Limited, under the laws of any United States jurisdiction, any state thereof, Bermuda, England and Wales or any country that is a member of the European Monetary Union and was such member on January 1, 2004, as the case may be, and expressly assumes the applicable issuer's or guarantor's obligations, as the case may be, on the debt securities and under the indenture, that after giving effect to the transaction, no event of default shall have happened and be continuing, and that certain other conditions are met.

Other Covenants

The prospectus supplement relating to offered debt securities will describe any other material covenants in respect of a series of debt securities. Unless otherwise indicated in the applicable prospectus supplement, any covenants applicable to the Holdings debt securities will be binding on Holdings and its restricted subsidiaries and any covenants applicable to the Trinity debt securities or the Willis North America debt securities will be binding on Trinity and its restricted subsidiaries, with the exception of any covenant regarding filing reports under the Securities Exchange Act of 1934, as amended, which will be binding on Willis Group Holdings Limited. Other than the covenant included in the indentures described under "Consolidation, Merger and Sale of Assets" above or any covenant described in the applicable prospectus supplement, the debt securities will not have the benefit of any covenants that limit or restrict our business or operations or the incurrence of additional indebtedness by the applicable issuer or any guarantor, and there are no covenants or other provisions in the indenture providing for a put or increased interest or otherwise that would afford holders of debt securities additional protection in the event of a recapitalization transaction, a change of control transaction or a highly leveraged transaction.

Modification and Waiver

Modification and amendments of the indentures may be made by the applicable issuer, if applicable, any guarantor, and the trustee with the consent of the holders of a majority in principal amount of the then outstanding debt securities of each series affected provided, that no modification or amendment may, without the consent of the holder of each outstanding debt security affected:

- change the stated maturity of the principal of, or any installment of principal of or interest on, any debt security;
- reduce the principal amount of, or any premium or interest, on any debt security;
- reduce the amount of principal of an original issue discount security payable upon acceleration of the maturity thereof;
- adversely affect any right of repayment at the option of the holder of any security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation of the holder or modify the payment terms of any sinking fund or similar obligation;
- impair the right to commence suit for the enforcement of any payment on or after the stated maturity thereof with respect to any debt security; or
- reduce the percentage in principal amount of outstanding debt securities of any series, the consent of the holders of which is required for modification or amendment of the indenture or for waiver of compliance with certain provisions of the indenture or for waiver of certain defaults.

Without the consent of any holder of outstanding debt securities, the applicable issuer, any guarantor, and the trustee may amend or supplement the indentures and each series of debt securities to evidence the succession of another corporation to the applicable issuer or a guarantor and the assumption of such successor to the obligations thereof, to establish the form or terms of any series of debt securities, to cure any ambiguity or inconsistency or to provide for debt securities in bearer form in addition to or in place of registered debt securities or to make any other provisions that do not adversely affect the rights of any holder of outstanding debt securities, including adding guaranties.

The holders of a majority in principal amount of the outstanding debt securities of any series may on behalf of the holders of all debt securities of that series waive any past default under the indenture with respect to that series and its consequences, except a default in the payment of the principal of (or premium, if any) or interest on any debt security of that series or in respect of a provision which under such indenture cannot be modified or amended without the consent of the holder of each outstanding debt security of that series.

Satisfaction and Discharge of Indenture; Defeasance

The applicable indenture with respect to the debt securities of any series may be discharged, subject to the terms and conditions as specified in the applicable prospectus supplement when:

- all debt securities, with all debt securities, with the exceptions provided for in the applicable indenture, of that series have been delivered to the applicable Trustee for cancellation;
- all debt securities of that series not theretofore delivered to the applicable Trustee for cancellation;
- have become due and payable;
- will become due and payable at their stated maturity within one year; or
- are to be called for redemption within one year; or

- certain events or conditions occur as specified in the applicable prospectus supplement.

Unless otherwise specified in the prospectus supplement, the applicable issuer can terminate all of its obligations under the indenture with respect to the debt securities of any series, other than the obligation to pay interest on, premium, if any, and the principal of the debt securities of such series and certain other obligations, known as "covenant defeasance", at any time by:

- depositing money or U.S. government obligations with the trustee in an amount sufficient to pay the principal of and interest on the debt securities of such series to their maturity; and
- complying with certain other conditions, including delivery to the trustee of an opinion of counsel to the effect that holders of debt securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance.

In addition, unless otherwise specified in the prospectus supplement, the applicable issuer can terminate all of its obligations under the indenture with respect to the debt securities of any series, including the obligation to pay interest on, premium, if any, and the principal of the debt securities of such series, known as "legal defeasance", at any time by:

- depositing money or U.S. government obligations with the trustee in an amount sufficient to pay the principal of and interest on the debt securities of such series to their maturity, and
- complying with certain other conditions, including delivery to the trustee of an opinion of counsel stating that there has been a change in the federal tax law since the date of the indenture to the effect that holders of debt securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such legal defeasance or the delivery to the trustee of a ruling or other formal statement or action by the Internal Revenue Service to the same effect.

Each guarantor that makes a payment or distribution under its guarantee will be entitled to a contribution from any other guarantor in a pro rata amount based on the net assets of each guarantor determined in accordance with generally accepted accounting principles.

A guarantee issued by any guarantor will be automatically and unconditionally released and discharged upon any sale, exchange or transfer to any person not an affiliate of Willis Group Holdings Limited of all of Willis Group Holdings Limited's capital stock in, or all or substantially all the assets of, such guarantor.

The trustees may perform certain services for and transact other banking business with Willis Group Holdings Limited, Trinity Acquisition Limited, Willis North America Inc. or, if applicable, any guarantor from time to time in the ordinary course of business.

Bermuda Monetary Authority Approval

Any issuance or transfer of any debt security of Willis Group Holdings Limited and the conversion of any debt securities into common stock of Willis Group Holdings Limited will be covered by the general permission of the Bermuda Monetary Authority dated June 1, 2005.

DESCRIPTION OF CAPITAL STOCK

The following summary is a description of the material terms of the capital stock of Willis Group Holdings Limited. Our memorandum of association and by-laws are filed as exhibits to the registration statements to which this prospectus relates.

General

We were incorporated as an exempted company under The Companies Act 1981 of Bermuda, as amended. Accordingly, the rights of our shareholders are governed by Bermuda law and our memorandum of association and by-laws.

Our authorized capital consists of 4,000 million shares of common stock and 1,000 million shares of preferred stock. As of May 31, 2006, our issued and outstanding share capital consisted of 157,428,986 shares of common stock. So long as our shares are listed on an appointed stock exchange, such as the New York Stock Exchange, persons who are not residents of Bermuda may freely hold, vote and transfer the shares that we are offering in this prospectus.

Common Stock

Our current authorized but unissued shares are at the disposal of our Board of Directors, who may issue, grant options over or otherwise dispose of those shares to any persons and on any terms they deem appropriate, provided the issuance does not violate Bermuda law or our by-laws and we obtain Bermuda Monetary Authority approval in applicable circumstances.

Voting Rights and Shareholders' Meetings

Holders of our common stock are entitled to one vote per share held of record on all matters submitted to a vote of shareholders. Unless required by Bermuda law or our by-laws, voting at general meetings is decided by a simple majority of the votes cast at a meeting at which a quorum is present. Under our by-laws, shareholders representing at least 50% of the issued and outstanding shares of common stock present in person or by proxy and entitled to vote constitute a quorum. Under our by-laws, the vote of 75% of the common shares entitled to vote and the approval of a majority of the board is required to amend by-laws regarding appointment and removal of directors, remuneration, powers and duties of the board, indemnification of directors and officers, director's interests and the procedures for amending by-laws. Any share entitled to vote may be voted by written proxy and proxies may be valid for all general meetings. There are no limitations under Bermuda law on the voting rights of non-resident or foreign shareholders.

Under Bermuda law, a company is required to convene at least one general shareholders' meeting per calendar year. Under Bermuda law and our by-laws, general meetings of shareholders may either

be annual or special. Under Bermuda law, special general meetings must be called upon the request of shareholders holding not less than 10% of the paid up capital of the company carrying the right to vote at general meetings. Directors may also convene special general meetings as they deem necessary.

Bermuda law requires that shareholders be given at least five days' advance notice of a general meeting, although the accidental omission of notice to any person does not invalidate the proceedings at a meeting. Under our bye-laws, notice of annual general meetings must be made in writing at least 21 days before the meeting and notice of special general meetings must be made in writing at least seven days before the meeting.

Election or Removal of Directors

Under Bermuda law and our bye-laws, directors are elected at the annual general meeting or to serve until their successors are elected or appointed, unless they are earlier removed or resign.

The election of our directors is determined by a simple majority of votes cast, except as otherwise required by law. Our shareholders do not have cumulative voting rights. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all directors.

Under Bermuda law and our bye-laws, a director may be removed at a special general meeting of shareholders specifically called for that purpose, provided that the director was served with at least 14 days' notice. The director has a right to be heard at the meeting. Any vacancy created by the removal of a director at a special general meeting may be filled at that meeting by the election of another director in his or her place or, in the absence of any election, by the Board of Directors.

Duties of Directors and Officers

Under the Companies Act 1981, the duties of directors and officers are to act honestly and in good faith with a view to the best interests of the company and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Every director and officer of the company is also required to comply with the provisions of the Companies Act 1981, all related regulations and the Company's bye-laws. In addition, the directors are subject to common law fiduciary duties. These duties include the duty to act bona fide in the best interests of the company, and not for any collateral purpose.

Under Bermuda law, the directors' duties are owed to the company itself, not to its shareholders or members, creditors, or any class of either shareholders, members or creditors. In discharging his or her duties, a director is required to exercise the care and skill which may be reasonably expected of a person with the director's skills and experience.

Bermuda law renders void any provision in the bye-laws or in any contract between a company and any director exempting him or her from or indemnifying him or her against any liability in respect of any fraud or dishonesty of which he or she may be guilty in relation to the company. In addition, the Companies Act 1981 provides that where a director, officer or auditor of a company is found liable to any person for damages arising out of the performance of any function of his or her duties, he will only be held jointly and severally liable if it is proved that he or she knowingly engaged in fraud or dishonesty. In any other case, the court will determine the percentage of responsibility of all parties it determines has contributed to the loss or liability of the plaintiff, and the liability of any one director, officer or auditor shall be equal to the total loss suffered by the plaintiff multiplied by the director's, officer's or auditor's percentage of responsibility as determined by the court.

Dividend Rights

Dividends are payable only when declared by the Board of Directors. Bermuda law prohibits a company from declaring a dividend or making a distribution out of contributed surplus if there are reasonable grounds for believing that the company is, or would after payment, be unable to pay its liabilities as they become due, or the realizable value of the company's assets would thereby be less than the aggregate of its liabilities and its issued share capital and share premium accounts. All dividends unclaimed for a period of six years after having been declared will be forfeited and revert to us. Except as noted in this paragraph, there are no limitations under Bermuda law on the rights of non-resident or foreign shareholders to receive dividends.

Rights In Liquidation

In the event of our liquidation, after payment of all debts and liabilities, we will distribute our remaining assets to our shareholders in proportion to their ownership of outstanding shares, subject to the preferential rights accorded to any series of preferred stock.

Pre-Emptive Rights

Generally, holders of our common stock have no pre-emptive rights.

Changes In Capital

We may from time to time by shareholder resolution passed by a simple majority:

- increase our share capital to be divided into shares in the amount that the resolution prescribes;
- divide our shares into several classes with different rights;
- consolidate and divide any or all of our share capital into shares of a larger amount than our existing shares;
- sub-divide any of our shares into shares of a smaller amount than that fixed by our memorandum of association, as long as the proportion between the amount paid and the amount, if any, unpaid on each reduced share be the same as on the share from which the reduced share is derived;
- cancel shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person, and diminish the amount of our share capital by the amount of the cancelled shares;
- change the currency denomination of our share capital; and
- authorize the reduction of issued share capital or any share premium.

Transfer Of Shares

Transfer of shares must be in writing. The instruments of transfer of a share may be in any form which our Board of Directors approves.

Modification Of Rights

Our bye-laws provide that, subject to Bermuda law, the rights attached to any class of shares of common stock may be modified by a resolution passed at a separate general meeting of the holders representing at least a majority of the votes cast of that class. For purposes of this meeting, two or more shareholders present in person or by proxy representing at least a majority of the issued and outstanding shares of that class and entitled to vote will be a quorum.

Borrowing Power

Neither Bermuda law nor our bye-laws will restrict in any way our power to borrow and raise funds. The decision to borrow funds is passed by or under direction of our Board of Directors, no shareholders' resolution being required.

Preferred Stock

Authorized shares of our preferred stock may be issued at the discretion of our Board of Directors without any further action by the shareholders, except as required by applicable law or regulation. Our Board of Directors is authorized, from time to time, to divide the preferred stock into classes or series, to designate each class or series and to determine for each class or series its respective rights and preferences, including, without limitation, any of the following:

- the rate of dividends and whether dividends will be cumulative or have a preference over the common stock in right of payment;
- the terms and conditions upon which shares may be redeemed and the redemption price;
- sinking fund provisions for the redemption of shares;
- the amount payable in respect of each share upon a voluntary or involuntary liquidation of us;
- the terms and conditions upon which shares may be converted into other securities of ours, including common stock;
- limitations and restrictions on payment of dividends or other distributions on, or redemptions of, other classes of our capital stock junior than that series, including the common stock;
- conditions and restrictions on the incurrence of certain indebtedness or issuance of other senior classes of capital stock;
- the terms on which shares may be redeemed, if any; and
- voting rights.

Any series or class of preferred stock could, as determined by our Board of Directors at the time of issuance, rank senior to our common stock with respect to dividends, voting rights, redemption and liquidation rights. The preferred stock authorized is of the type commonly known as blank-check preferred stock.

The prospectus supplement relating to the new series will specify whether the series of preferred stock will be issued separately, as part of warrant units or upon exercise of warrants.

Ranking

Each new series of preferred stock will rank equally with each other series of preferred stock and prior to our common stock regarding the distribution of dividends or disposition of other assets, unless otherwise specified in the applicable prospectus supplement.

Dividends

Holders of each new series of preferred stock will be entitled to receive cash dividends, if declared by the Board of Directors out of funds legally available for cash dividends. For each series, we will specify in the applicable prospectus supplement:

- the dividend rates;
- whether the rates will be fixed or variable or both;

- the dates of distribution of the cash dividends; and
- whether the dividends on any series of preferred stock will be cumulative or non-cumulative.

We will pay dividends to holders of record of preferred stock as they appear on our records, on the record dates fixed by the Board of Directors.

We cannot declare or pay full dividends on funds set apart for the payment of dividends on any series of preferred stock unless dividends have been paid or set apart for payment on a proportionate basis with other equity securities which rank equally with the preferred stock regarding the distribution of dividends. If we do not pay full dividends on all equity securities which rank equally, then each series of preferred stock will share dividends in proportion with our other equity securities that rank equally with that series.

Conversion and Exchange

The prospectus supplement for any new series of preferred stock will state the terms and other provisions, if any, on which shares of the new series of preferred stock are convertible into shares of our common stock or exchangeable for securities of a third party.

Redemption

We will specify in the prospectus supplement applicable to each new series of preferred stock:

- whether it will be redeemable at any time, in whole or in part, at our option or the holder of the preferred stock;
- whether it will be subject to mandatory redemption pursuant to a sinking fund or on other terms; and
- the redemption prices.

In the event that preferred stock is partially redeemed, the shares to be redeemed will be determined by lot, on a proportionate basis or any other method determined to be equitable by the Board of Directors.

Dividends will cease to accrue on shares of preferred stock called for redemption, and all rights of holders of redeemed shares will terminate, on and after a redemption date, except for the right to receive the redemption price, unless we default in the payment of the redemption price.

Liquidation Preference

Upon the voluntary or involuntary liquidation, dissolution or winding up of Willis Group Holdings Limited, holders of each series of preferred stock will be entitled to receive:

- distributions upon liquidation in the amount set forth in the applicable prospectus supplement; plus
- any accrued and unpaid dividends.

These payments will be made to holders of preferred stock out of our assets available for distribution to shareholders before any distribution is made on any securities ranking junior to the preferred stock regarding liquidation rights.

In the event that holders of preferred stock are not paid in full upon a liquidation, dissolution or winding up of Willis Group Holdings Limited, then these holders will share, on a proportionate basis, any future distribution of our assets with holders of our other securities that rank equally with them.

After payment of the full amount of the liquidation preference to which they are entitled, the holders of each series of preferred stock will not be entitled to any further participation in any distribution of our assets.

Voting Rights

The holders of shares of preferred stock will have no voting rights except as indicated in the certificate of designations relating to the series, the applicable prospectus supplement or as required by applicable law.

Transfer Agent and Registrar

We will specify each of the transfer agent, registrar, dividend disbursing agent and redemption agent for shares of each new series of preferred stock in the applicable prospectus supplement.

Reservation of Common Stock

We will reserve the full number of shares of our common stock issuable on conversion of the preferred stock out of the total of our authorized but unissued shares of common stock to permit the conversion of the preferred stock into shares of common stock.

Other Matters

Access to books and records and dissemination of information. Members of the general public have the right to inspect the public documents of a company available at the office of the Registrar of Companies in Bermuda. These documents include the company's certificate of incorporation, its memorandum of association, including its objects and powers, and any alteration to the company's memorandum of association.

The shareholders have the additional right to inspect the bye-laws of the company, minutes of general meetings and the company's audited financial statements, which must be presented at the annual general meeting. The register of shareholders of a company is also open to inspection by shareholders without charge and to members of the general public on the payment of a fee. A company is required to maintain its share register in Bermuda but may, subject to the provisions of the Companies Act 1981, establish a branch register outside Bermuda.

A company is required to keep at its registered office a register of its directors and officers which is open for inspection for not less than two hours in each day by members of the public without charge. Bermuda law does not, however, provide a general right for shareholders to inspect or obtain copies of any other corporate records.

Amendment of memorandum of association and bye-laws. Bermuda law provides that the memorandum of association of a company may be amended by a resolution passed at a general meeting of shareholders of which due notice has been given. In certain circumstances, an amendment to the memorandum of association also requires the approval of the Bermuda Minister of Finance, who may grant or withhold approval at his discretion. However, such approval of the Bermuda Minister of Finance is not required for an amendment which alters or reduces a company's share capital as provided in the Companies Act 1981. Except as set forth therein, the bye-laws may be amended by a resolution passed by a majority of votes cast at a general meeting.

Under Bermuda law, the holders of an aggregate of no less than 20% in par value of a company's issued share capital have the right to apply to the Bermuda Court for an annulment of any amendment of the memorandum of association adopted by shareholders at any general meeting. This does not apply to an amendment which alters or reduces a company's share capital as provided in the Companies Act 1981. Where such an application is made, the amendment becomes effective only to the

extent that it is confirmed by the Bermuda Court. An application for amendment of the memorandum of association must be made within 21 days after the date on which the resolution altering the company's memorandum is passed. Such application may be made on behalf of the persons entitled to make the application by one or more of their number as they may appoint in writing for the purpose. No such application may be made by persons voting in favor of the amendment.

Appraisal rights and shareholder suits. Under Bermuda law, in the event of an amalgamation of two Bermuda companies, a shareholder who did not vote in favor of the amalgamation and is not satisfied that fair value has been paid for his shares may apply to the Bermuda Court to appraise the fair value of his shares. The amalgamation of a company with another company requires the amalgamation agreement to be approved by:

- a meeting of the holders of shares of the amalgamating company;
- a meeting of the holders of each class of such shares; and
- in certain circumstances, the consent of the Bermuda Minister of Finance (who may grant or withhold consent at his discretion).

Class actions and derivative actions are generally not available to shareholders under Bermuda law. The Bermuda courts, however, would ordinarily be expected to permit a shareholder to commence an action in the name of a company to remedy a wrong done to the company where the act complained of:

- is alleged to be beyond the corporate power of the company;
- is illegal; or
- would result in the violation of the company's memorandum of association or bye-laws.

Furthermore, consideration would be given by the Bermuda courts to acts that are alleged to constitute a fraud against the minority shareholders or, for instance, where an act requires the approval of a greater percentage of the company's shareholders than those who actually approved it.

When the affairs of a company are being conducted in a manner oppressive or prejudicial to the interests of some part of the shareholders, one or more shareholders may apply to the Bermuda courts for an order regulating the company's conduct of affairs in the future or ordering the purchase of the shares of any shareholder by other shareholders or by the company.

Bermuda Monetary Authority approval will be required for the issuance and or transfer of any preferred stock or common stock to persons that are residents of Bermuda.

DESCRIPTION OF WARRANTS

We may issue warrants to purchase shares of common stock or preferred stock or debt securities of Willis Group Holdings Limited. We may issue warrants independently of, or together with, any other securities, including as part of a warrant unit, and warrants may be attached to or separate from those securities.

Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a warrant agent. The warrant agent will act solely as our agent in connection with a series of warrants and will not assume any obligation or relationship of agency for or with holders or beneficial owners of warrants. The following describes the general terms and provisions of the warrants offered by this prospectus. The applicable prospectus supplement will describe any other terms of the warrant and the applicable warrant agreement.

The applicable prospectus supplement will describe the terms of any warrants, including the following:

- the title and aggregate number of the warrants;
- any offering price of the warrants;
- the designation and terms of any securities that are purchasable upon exercise of the warrants;
- the number of shares or aggregate principal amount of the securities purchasable upon exercise of a warrant and the price of such securities;
- if applicable, the designation and terms of the securities with which the warrants are issued and the number of the warrants issued with each security;
- if applicable, the date from and after which the warrants and any securities issued with them will be separately transferable;
- the time or period when the warrants are exercisable and the final date on which the warrants may be exercised and terms regarding any right of Willis Group Holdings Limited to accelerate this final date;
- if applicable, the minimum or maximum amount of the warrants exercisable at any one time;
- any currency or currency units in which the offering price and the exercise price are payable;
- any applicable anti-dilution provisions of the warrants;
- any applicable redemption or call provisions; and
- any additional terms of the warrants not inconsistent with the provisions of the warrant agreement.

The applicable prospectus supplement will describe the specific terms and other provisions of any warrant units.

The issuance of any warrants to purchase shares of common or preferred stock or other debt securities to persons that are not residents of Bermuda will be covered by the general permission of the Bermuda Monetary Authority dated June 1, 2005.

DESCRIPTION OF STOCK PURCHASE CONTRACTS, STOCK PURCHASE UNITS AND PREPAID STOCK PURCHASE CONTRACTS

Willis Group Holdings Limited may issue stock purchase contracts representing contracts obligating holders to purchase from us, and us to sell to the holders, a specified number of shares of common stock of Willis Group Holdings Limited at a future date or dates. The price per share of common stock may be fixed at the time the stock purchase contracts are issued or may be determined

by reference to a specific formula set forth in the stock purchase contracts. The stock purchase contracts may be issued separately or as a part of stock purchase units, consisting of a stock purchase contract and debt securities or debt obligations of third parties, including U.S. Treasury securities, securing the holders' obligations to purchase the common stock under the stock purchase contracts. The stock purchase contracts may require us to make periodic payments to the holders of the stock purchase units or vice-versa. These payments may be unsecured or prefunded on some basis. The stock purchase contracts may require holders to secure their obligations in a specified manner and in certain circumstances we may deliver newly issued prepaid stock purchase contracts upon release to a holder of any collateral securing each holder's obligation under the original stock purchase contract.

The prospectus supplement will describe the terms of any stock purchase contracts or stock purchase units, and, if applicable, prepaid stock purchase contracts.

BOOK ENTRY PROCEDURES AND SETTLEMENT

Most offered securities will be book-entry (global) securities. Upon issuance, all book-entry securities will be represented by one or more fully registered global securities, without coupons. Each global security will be deposited with, or on behalf of, The Depository Trust Company, ("DTC"), a securities depository, and will be registered in the name of DTC or a nominee of DTC. DTC will thus be the only registered holder of these securities.

Purchasers of securities may only hold interests in book-entry securities through DTC if they are participants in the DTC system. Purchasers may also hold interests through a securities intermediary—banks, brokerage houses and other institutions that maintain securities accounts for customers that have an account with DTC or its nominee. DTC will maintain accounts showing the security holdings of its participants, and these participants will in turn maintain accounts showing the security holdings of their customers. Some of these customers may themselves be securities intermediaries holding securities for their customers. Thus, each beneficial owner of a book-entry security will hold that security indirectly through a hierarchy of intermediaries, with DTC at the "top" and the beneficial owner's own securities intermediary at the "bottom."

The securities of each beneficial owner of a book-entry security will be evidenced solely by entries on the books of the beneficial owner's securities intermediary. The actual purchaser of the securities will generally not be entitled to have the securities represented by the global securities registered in its name and will not be considered the owner under the declaration. In most cases, a beneficial owner will also not be able to obtain a paper certificate evidencing the holder's ownership of securities. The book-entry system for holding securities eliminates the need for physical movement of certificates and is the system through which most publicly traded common stock is held in the United States. However, the laws of some jurisdictions require some purchasers of securities to take physical delivery of their securities in definitive form. These laws may impair the ability to transfer book-entry securities.

A beneficial owner of book-entry securities represented by a global security may exchange the securities for definitive (paper) securities only if:

- DTC is unwilling or unable to continue as depository for such global security and we do not appoint a qualified replacement for DTC within 90 days;
- We in our sole discretion decide to allow some or all book-entry securities to be exchangeable for definitive securities in registered form; or
- In the case of debt securities, an event of default has occurred and is continuing with respect to such book-entry debt securities and, in exchange for any such securities, we decide to, or upon the request of the applicable trustee we shall, deliver new debt securities of that series in definitive registered form in the same aggregate principal amount as the global debt securities being exchanged.

Unless we indicate otherwise, any global security that is exchangeable will be exchangeable in whole for definitive securities in registered form, with the same terms and of an equal aggregate principal amount. Definitive securities will be registered in the name or names of the person or persons specified by DTC in a written instruction to the registrar of the securities. DTC may base its written instruction upon directions that it receives from its participants.

In this prospectus, for book-entry securities, references to actions taken by security holders will mean actions taken by DTC upon instructions from its participants, and references to payments and notices of redemption to security holders will mean payments and notices of redemption to DTC as the registered holder of the securities for distribution to participants in accordance with DTC's procedures.

DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered under section 17A of the Securities Exchange Act of 1934. The rules applicable to DTC and its participants are on file with the SEC.

We will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interest in the book-entry securities or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

Clearstream and Euroclear

Links have been established among DTC, Clearstream Banking, societe anonyme, Luxembourg ("Clearstream Banking SA") and Euroclear (two international clearing systems that perform functions similar to those that DTC performs in the U.S.), to facilitate the initial issuance of book-entry securities and cross-market transfers of book-entry securities associated with secondary market trading.

Although DTC, Clearstream Banking SA and Euroclear have agreed to the procedures provided below in order to facilitate transfers, they are under no obligation to perform such procedures, and the procedures may be modified or discontinued at any time.

Clearstream Banking SA and Euroclear will record the ownership interests of their participants in much the same way as DTC, and DTC will record the aggregate ownership of each of the U.S. agents of Clearstream Banking SA and Euroclear, as participants in DTC.

When book-entry securities are to be transferred from the account of a DTC participant to the account of a Clearstream Banking SA participant or a Euroclear participant, the purchaser must send instructions to Clearstream Banking SA or Euroclear through a participant at least one business day prior to settlement. Clearstream Banking SA or Euroclear, as the case may be, will instruct its U.S. agent to receive book-entry securities against payment. After settlement, Clearstream Banking SA or Euroclear will credit its participant's account. Credit for the book-entry securities will appear on the next day (European time).

Because settlement is taking place during New York business hours, DTC participants can employ their usual procedures for sending book-entry securities to the relevant U.S. agent acting for the benefit of Clearstream Banking SA or Euroclear participants. The sale proceeds will be available to the DTC seller on the settlement date. Thus, to the DTC participant, a cross market transaction will settle no differently than a trade between two DTC participants.

When a Clearstream Banking SA or Euroclear participant wishes to transfer book-entry securities to a DTC participant, the seller must send instructions to Clearstream Banking SA or Euroclear through a participant at least one business day prior to settlement. In these cases, Clearstream Banking SA or Euroclear will instruct its U.S. agent to transfer the book-entry securities against payment. The payment will then be reflected in the account of the Clearstream Banking SA or Euroclear participant the following day, with the proceeds back-valued to the value date (which would be the preceding day, when settlement occurs in New York). If settlement is not completed on the intended value date (i.e.,

the trade fails), proceeds credited to the Clearstream Banking SA or Euroclear participant's account would instead be valued as of the actual settlement date.

PLAN OF DISTRIBUTION

Initial Offering and Sale of Securities

We and the Subsidiary Issuers may offer and sell the securities from time to time as follows:

- to or through underwriters or dealers for resale;
- directly to other purchasers;
- through designated agents; or
- through a combination of any of these methods of sale.

In addition, we may issue the securities as a dividend or distribution or in a subscription rights offering to our existing securityholders. In some cases, we or dealers acting with us or on our behalf may also purchase securities and reoffer them to the public by one or more of the methods described above. This prospectus may be used in connection with any offering of our securities or debt securities of the Subsidiary Issuers through any of these methods or other methods described in the applicable prospectus supplement.

If we offer securities in a subscription rights offering to our existing securityholders, we may enter into a standby underwriting agreement with dealers, acting as standby underwriters. We may pay the standby underwriters a commitment fee for the securities they commit to purchase on a standby basis. If we do not enter into a standby underwriting arrangement, we may retain a dealer-manager to manage a subscription rights offering for us.

Any underwriter or agent involved in the offer and sale of the securities will be named in the applicable prospectus supplement.

In some cases, we and any Subsidiary Issuer may also repurchase the securities and reoffer them to the public by one or more of the methods described above. This prospectus and the applicable prospectus supplement may be used in connection with any offering of securities through any of these methods or other methods described in the applicable prospectus supplement. In addition, we, either of the Subsidiary Issuers or any of their or our respective affiliates may use this prospectus and the applicable prospectus supplement in a remarketing or other resale transaction involving the securities after the initial sale. These transactions may be executed at negotiated prices that are related to market prices at the time of purchase or sale, or at other prices.

The securities, including securities issued or to be issued by us or the Subsidiary Issuers or securities borrowed from third parties in connection with arrangements under which we or the Subsidiary Issuers agree to issue securities to underwriters or their affiliates on a delayed or contingent basis, that we and any Subsidiary Issuer distribute by any of these methods may be sold to the public, in one or more transactions, at:

- a fixed price or prices, which may be changed;
- market prices prevailing at the time of sale;
- prices related to prevailing market prices; or
- negotiated prices.

This prospectus may be delivered by underwriters and dealers in connection with short sales undertaken to hedge exposures under commitments to acquire securities of us or the Subsidiary Issuers to be issued on a delayed or contingent basis.

We and the Subsidiary Issuers may solicit, or may authorize underwriters, dealers or agents to solicit, offers to purchase securities directly from the public from time to time, including pursuant to contracts that provide for payment and delivery on future dates. We and the Subsidiary Issuers may also designate agents from time to time to solicit offers to purchase securities from the public on our or the Subsidiary Issuers' behalf. The prospectus supplement relating to any particular offering of securities will name any agents designated to solicit offers, and will include information about any commissions we or the Subsidiary Issuers may pay the agents and will describe the material terms of any such delayed delivery arrangements, in that offering. Agents may be deemed to be "underwriters" as that term is defined in the Securities Act.

In connection with the sale of securities, underwriters may receive compensation from us or the Subsidiary Issuers or from purchasers of the securities, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell the securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers and agents that participate in the distribution of the securities may be deemed to be underwriters, and any discounts or commissions they receive from us or the Subsidiary Issuers, and any profit on the resale of the securities they realize may be deemed to be underwriting discounts and commissions under the Securities Act. Any such underwriter, dealer or agent will be identified, and any such compensation received will be described, in the applicable prospectus supplement.

We or the Subsidiary Issuers may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement so indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by us or the Subsidiary Issuers or borrowed from us or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from us or the Subsidiary Issuers in settlement of those derivatives to close out any related open borrowings of stock. The third party in such sale transactions will be an underwriter and will be identified in the applicable prospectus supplement or a post-effective amendment.

Unless otherwise specified in the applicable prospectus supplement, each series of the securities will be a new issue with no established trading market, other than the common stock. Any common stock sold pursuant to a prospectus supplement will be listed on the New York Stock Exchange, subject to official notice of issuance. We and the Subsidiary Issuers may elect to list any of the other securities on an exchange, but are not obligated to do so. It is possible that one or more underwriters may make a market in a series of the securities, but will not be obligated to do so and may discontinue any market making at any time without notice. Therefore, no assurance can be given as to the liquidity of the trading market for the securities.

If dealers are utilized in the sale of the securities, we and the Subsidiary Issuers will sell the securities to the dealers as principals. The dealers may then resell the securities to the public at varying prices to be determined by such dealers at the time of resale. The names of the dealers and the terms of the transaction will be set forth in the applicable prospectus supplement.

We and the Subsidiary Issuers may enter into agreements with underwriters, dealers and agents who participate in the distribution of the securities which may entitle these persons to indemnification by us and any Subsidiary Issuer against certain liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make. Any agreement in which we or the Subsidiary Issuers agree to indemnify underwriters, dealers and agents against civil liabilities will be described in the applicable prospectus supplement.

In connection with an offering, the underwriters may purchase and sell securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in an offering. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the securities while an offering is in progress.

The underwriters also may impose a penalty bid. This occurs when a particular underwriter repays to the underwriters a portion of the underwriting discount received by it because the underwriters have repurchased securities sold by or for the account of that underwriter in stabilizing or short-covering transactions.

These activities by the underwriters may stabilize, maintain or otherwise affect the market price of the securities. As a result, the price of the securities may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the underwriters at any time. These transactions may be effected on an exchange or automated quotation system, if the securities are listed on that exchange or admitted for trading on that automated quotation system, or in the over-the-counter market or otherwise.

If so indicated in the applicable prospectus supplement, we will authorize underwriters or other persons acting as our agents to solicit offers by certain purchasers to purchase the securities from us at the public offering price stated in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a future date. These contracts will be subject to only those conditions stated in the prospectus supplement, and the prospectus supplement will state the commission payable to the solicitor of such offers.

We have not authorized any dealer, salesperson or other person to give any information or represent anything not contained in this prospectus. You must not rely on any unauthorized information. This prospectus does not constitute an offer to sell or solicit an offer to buy any securities in any jurisdiction where the offer or sale is not permitted.

Underwriters, dealers and agents, and their respective affiliates and associates, may engage in transactions with or perform services for us or the Subsidiary Issuers, or be customers of ours or the Subsidiary Issuers, in the ordinary course of business.

Remarketing Transactions and Other Resales

We, the Subsidiary Issuers or any of their or our respective affiliates may use this prospectus in connection with offers and sales of the securities in remarketing transactions and other resales. In a remarketing transaction, we or the Subsidiary Issuers may resell a security acquired from other holders, after the original offering and sale of the security. Resales may occur in the open market or may be privately negotiated, at prevailing market prices at the time of resale or at related or negotiated prices. In these transactions, our affiliates or affiliates of either of the Subsidiary Issuers may act as principal or agent, including as agent for the counterparty in a transaction in which the affiliate acts as principal, or as agent for both counterparties in a transaction in which the affiliate does not act as principal. Our affiliates and affiliates of any of the Subsidiary Issuers may receive compensation in the form of discounts and commissions, including from both counterparties in some cases.

In connection with a remarketing transaction, one or more firms, referred to as "remarketing firms", may also offer or sell the securities, if the prospectus supplement so indicates, in connection with a remarketing arrangement upon their purchase. Remarketing firms will act as principals for their own accounts or as agents for us or the Subsidiary Issuers. These remarketing firms will offer or sell the securities pursuant to the terms of the securities. The applicable prospectus supplement will identify any remarketing firm and the terms of its agreement, if any, with us or the Subsidiary Issuers and will describe the remarketing firm's compensation. Remarketing firms may be deemed to be underwriters in

connection with the securities they remarket. Remarketing firms may be entitled to indemnification by us or the Subsidiary Issuers under agreements that may be entered into with us or the Subsidiary Issuers against certain civil liabilities, including liabilities under the Securities Act, and may be customers of, engage in transactions with or perform services for us and the Subsidiary Issuers in the ordinary course of business.

Sales by Selling Securityholders

Selling securityholders may use this prospectus in connection with resales of the securities. The applicable prospectus supplement will identify the selling securityholders and the terms of the securities. Selling securityholders may be deemed to be underwriters in connection with the securities they resell and any profits on the sales may be deemed to be underwriting discounts and commissions under the Securities Act. The selling securityholders will receive all the proceeds from the sale of the securities. We will not receive any proceeds from sales by selling securityholders.

Item 17. Undertakings

(a) The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or

furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by a Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each undersigned Registrant undertakes that in a primary offering of securities of an undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of an undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of an undersigned Registrant or used or referred to by an undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of an undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Subsidiary Issuer Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Subsidiary Issuer Indenture Act.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

"Trustee" means the Person named as the "Trustee" in the first paragraph of this instrument until a successor Trustee shall have become such pursuant to the applicable provisions of this Indenture, and thereafter "Trustee" shall mean or include each Person who is then a Trustee hereunder, and if at any time there is more than one such Person, "Trustee" as used with respect to the Securities of any series shall mean the Trustee with respect to Securities of that series.

"Trust Indenture Act" means the Trust Indenture Act of 1939, as amended, and as in force at the date as of which this instrument was executed, except as provided in Section 10.05; provided, however, that in the event the Trust Indenture Act is amended after such date, "Trust Indenture Act" means, with respect to the Securities of any series issued after such date, the Trust Indenture Act of 1939 as so amended.

SECTION 1.02 *Compliance Certificates and Opinions.*

Upon any application or request by the Issuer to the Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Trustee an Officers' Certificate stating that all conditions precedent (including any covenant compliance with which constitutes a condition precedent), if any, provided for in this Indenture relating to the proposed action that such action has been complied with and an Opinion of Counsel stating that in the opinion of such counsel that such action is authorized or permitted by this Indenture and that all such conditions precedent (including any covenants compliance with which constitutes a condition precedent), if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than annual certificates provided pursuant to Section 11.08) shall include:

- (1) a statement that each individual signing such certificate or opinion has read such covenant or condition and the definitions herein relating thereto;
- (2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (3) a statement that, in the opinion of each such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (4) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

SECTION 1.03 *Form of Documents Delivered to Trustee.*

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or Opinion of Counsel, or representations by counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or Opinion of Counsel or representation by counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Issuer stating that the information with respect to such factual matters is in the possession of the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 1.04 *Acts of Holders.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing or by the record of the Holders voting in favor thereof at any meeting of such Holders duly called and held in accordance with the provisions of Article Fifteen; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or any such record is delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments or such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments or voting at such meeting. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer if made in the manner provided in this Section. The record of any meeting of Holders of Securities shall be proved in the manner provided in Section 15.07 and the record so proved shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof, or may be proved in such other manner as shall be deemed sufficient by the Trustee. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The ownership of Securities shall be proved by the Security Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

(e) The Issuer or the Trustee, as applicable, may set a date for the purpose of determining the Holders of Securities entitled to consent, vote or take any other action referred to in this Section 1.04, which date shall be not less than 10 days nor more than 60 days prior to the taking of the consent, vote or other action.

SECTION 1.05 *Notices, etc. to Trustee and Issuer.*

Any request, demand, authorization, direction, notice, consent, waiver or Act of the Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office and, unless otherwise herein expressly provided, any such document shall be deemed to be sufficiently made, given, furnished or filed upon its receipt by a Responsible Officer of the Trustee, or

(2) the Issuer by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the Issuer addressed to it at:

Ten Trinity Square
London EC3P 3AX
England

or at any other address or addresses previously furnished in writing to the Trustee by the Issuer.

SECTION 1.06 *Notice to Holders; Waiver.*

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the

Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 1.07 *Conflict with Trust Indenture Act.*

If any provision hereof limits, qualifies or conflicts with the duties imposed by any of Sections 310 to 317, inclusive, of the Trust Indenture Act through operation of Section 318(c), such imposed duties shall control.

SECTION 1.08 *Effect of Headings and Table of Contents.*

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 1.09 *Successors and Assigns.*

All covenants and agreements in this Indenture by the Issuer shall bind its successors and assigns, whether so expressed or not.

SECTION 1.10 *Separability Clause.*

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 1.11 *Benefits of Indenture.*

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.12 *Governing Law.*

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

SECTION 1.13 *Legal Holidays.*

In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal of (and premium, if any) or interest, if any, on such Security need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity, provided that no additional interest shall accrue with respect to the payment due on such date for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

ARTICLE TWO

SECURITY FORMS

SECTION 2.01 *Forms Generally.*

The Securities of each series shall be in substantially the form established from time to time by or pursuant to a Board Resolution or in one or more indentures supplemental hereto, in each case with

such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or as may, consistently herewith, be determined by the officers executing such Securities, as evidenced by their execution of such Securities. Any portion of the text of any Security may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Security. If the form of Securities of any series is established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Issuer Order contemplated by Section 3.03 for the authentication and delivery of such Securities. Any such Board Resolution or record of such action shall have attached thereto a true and correct copy of the form of Security referred to therein approved by or pursuant to such Board Resolution.

The Trustee's certificate of authentication shall be in substantially the form set forth in this Article.

The definitive Securities shall be printed, lithographed or engraved on steel engraved borders or may be produced in any other manner, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

SECTION 2.02 *Form of Trustee's Certificate of Authentication.*

The Trustee's certificate of authentication on all Securities shall be in substantially the following form:

This is one of the Securities of the series designated therein issued under the within-mentioned Indenture.

JPMORGAN CHASE BANK, N.A., as Trustee

By:

Authorized Officer

SECTION 2.03 *Securities in Global Form*

If any Security of a series is issuable in global form (a "Global Security"), such Global Security may provide that it shall represent the aggregate amount of Outstanding Securities from time to time endorsed thereon and may also provide that the aggregate amount of Outstanding Securities represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of Outstanding Securities represented thereby shall be made by the Trustee and in such manner as shall be specified in such Global Security. Any instructions by the Issuer with respect to a Global Security, after its initial issuance, shall be in writing but need not comply with Section 1.02.

Global Securities may be issued in either temporary or permanent form. Permanent Global Securities will be issued in definitive form.

ARTICLE THREE

THE SECURITIES

SECTION 3.01 *Amount Unlimited; Issuable in Series.*

The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture is unlimited.

The Securities may be issued in one or more series. There shall be established in or pursuant to a Board Resolution, and set forth in an Officers' Certificate, of the Issuer or established in one or more indentures supplemental hereto, prior to the issuance of Securities of any series,

(1) the title of the Securities of the series (which shall distinguish the Securities of the series from all other Securities);

(2) the aggregate principal amount of the Securities of such series and any limit upon the aggregate principal amount of the Securities of the series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other securities of the series pursuant to Section 3.04, 3.05, 3.06, 10.06 or 12.07);

(3) the date or dates on which the principal (and premium, if any) of the Securities of the series is payable or the method of determination thereof;

(4) the rate or rates (which may be fixed or variable), or the method of determination thereof, at which the Securities of the series shall bear interest, if any, including the rate of interest applicable on overdue payments of principal or interest, if different from the rate of interest stated in the title of the Security, the date or dates from which such interest shall accrue or the method of determination thereof, the Interest Payment Dates on which such interest shall be payable and the Regular Record Date for the interest payable on any Interest Payment Date;

(5) the Paying Agent or Paying Agents for the Securities of the series if other than the Trustee;

(6) the Place of Payment of the Securities of the series;

(7) if other than U.S. Dollars, the foreign currency or currencies in which Securities of the series shall be denominated or in which payment of the principal of (and premium, if any) or interest on Securities of the series may be made, and the particular provisions applicable thereto and, if applicable, the amount of the Securities of the series which entitles the Holder of a Security of the series or its proxy to one vote for purposes of Section 15.06;

(8) the right, if any, of the Issuer to redeem the Securities of such series and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series may be redeemed, in whole or in part, at the option of the Issuer;

(9) the obligation, if any, of the Issuer to redeem or purchase Securities of the series pursuant to any sinking fund or analogous provisions or at the option of a Holder thereof and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;

(10) if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which Securities of the series shall be issuable;

(11) whether the Securities of the series shall be issued in whole or in part in the form of one or more Global Securities and, in such case, the depository (the "Depository") for such Global Security or Securities; and the manner in which and the circumstances under which Global Securities representing Securities of the series may be exchanged for Securities in definitive form, if other than, or in addition to, the manner and circumstances specified in Section 3.05(b);

(12) if other than the principal amount thereof, the portion of the principal amount of Securities of the series which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 6.02;

- (13) if the provisions of Section 5.02 of this Indenture are to apply to the Securities of the series, a statement indicating the same;
- (14) any deletions from or modifications of or additions to the Events of Default set forth in Section 6.01 pertaining to the Securities of the series;
- (15) whether payment of any amount due under such Securities will be guaranteed by one or more guarantors, including Subsidiaries of the Issuer;
- (16) the form of the Securities of the series;
- (17) the Reporting Date of the Securities of the series; and

(18) any other terms of a particular series and any other provisions expressing or referring to the terms and conditions upon which the Securities of that series are to be issued, which terms and provisions are not in conflict with the provisions of this Indenture or do not adversely affect the rights of Holders of any other series of Securities then Outstanding); *provided, however*, that the addition to or subtraction from or variation of Articles Five, Six, Nine, Eleven, Thirteen and Sixteen (and Section 1.01 insofar as it relates to the definition of certain terms as used in such Articles) with regard to the Securities of a particular series shall not be deemed to constitute a conflict with the provisions of those Articles.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to such Board Resolution and set forth in such Officers' Certificate or in any such indenture supplemental hereto. All Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series without the consent of the Holders thereof.

The Securities of all series shall rank on a parity in right of payment.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

SECTION 3.02 *Denominations.*

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03 *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed on behalf of the Issuer by its Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind such Person notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If any Security shall be

represented by a permanent Global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security.

In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon the documents specified in Section 314 of the Trust Indenture Act, and, in addition:

- (1) a Board Resolution relating thereto, and if applicable, an appropriate record of any action taken pursuant to such Board Resolution, certified by the Secretary or Assistant Secretary of the Issuer, if applicable;
- (2) an executed supplemental indenture, if any; and
- (3) an Opinion of Counsel which shall state:
 - (A) that the form and terms of such Securities have been established by or pursuant to Board Resolutions, by a supplemental indenture or by both such resolution or resolutions and such supplemental indenture in conformity with the provisions of this Indenture;
 - (B) that the supplemental indenture, if any, when executed and delivered by the Issuer and the Trustee, will constitute a valid and legally binding obligation of the Issuer; and
 - (C) that such Securities, when authenticated and delivered by the Trustee and issued by the Issuer in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Issuer enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles, and will be entitled to the benefits of this Indenture.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution and the Officers' Certificate otherwise required pursuant to Section 3.01 or the Board Resolution and Opinion of Counsel otherwise required pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination,

substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a

notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depository for such Global Security or Securities or the nominee of such Depository, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depository's instruction, and (iv) unless otherwise provided for, the Securities of such series pursuant to Section 3.01, shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depository designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depository for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depository for the Securities of such series or if at any time the Depository for Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depository eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depository for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depository for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms

as are acceptable to the Issuer and such Depository. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

(i) to each Person specified by the Depository a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and

(ii) to the Depository a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depository for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 *Payment of Interest; Interest Rights Preserved.*

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, the Trustee or any agent of the Issuer or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

[INTENTIONALLY OMITTED]

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's obligations with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes

the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer and each Guarantor under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Section 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 3.01 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and

exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clauses (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article 7, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the written request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; *provided that*, if the Issuer has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

**REMEDIES OF THE TRUSTEE AND
HOLDERS ON EVENT OF DEFAULT**

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or
- (2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity; or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series; or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer or any Significant Subsidiary in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer by the Trustee or to the Issuer and the Trustee by the Holders of at least 25% in principal amount of the

Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or

(6) the commencement by the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Issuer or any Significant Subsidiary of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

SECTION 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

(1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,

(2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or

(3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor upon the Securities or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 *Trustee May Enforce Claims without Possession of Securities.*

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 *Application of Money Collected.*

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the

amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 *Limitation on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon

or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 Control by Holders.

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided* that

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 Waiver of Past Defaults.

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of

any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.01 *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however*, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further*, that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent,

order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have actual knowledge in accordance with this paragraph; and

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer agrees,

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the

acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series of Securities. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 *Corporate Trustee Required; Eligibility.*

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

- (1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or
- (2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer or by any such Holder, or
- (3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 *Acceptance of Appointment by Successor.*

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee

all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 7.12 *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association to which all or substantially all of the corporate trust business of the Trustee may be sold or otherwise transferred, shall be the successor trustee hereunder without any further act. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13 *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

ARTICLE EIGHT

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND ISSUER

SECTION 8.01 *Issuer to Furnish Trustee Names and Addresses of Holders.*

The Issuer will furnish or cause to be furnished to the Trustee

(a) semi-annually, either (i) not later than June 1 and November 1 in each year in the case of Original Issue Discount Securities of any series which by their terms do not bear interest prior to Maturity, or (ii) not more than 15 days after each Regular Record Date in the case of Securities of any other series, a list, each in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the preceding June 1 or November 1 or as of such Regular Record Date, as the case may be; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that so long as the Trustee is the Security Registrar with respect to Securities of any series, no such lists need be furnished.

SECTION 8.02 *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 8.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 8.03 *Reports by Trustee to Holders.*

Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Securities remain outstanding, the Trustee shall (at the expense of the Issuer) mail to the Holders of the Securities a brief report dated as of such reporting date that complies with Section 313(a) of the Trust Indenture Act (but if no event described in Section 313(a) of the Trust Indenture Act has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Section 313(b)(2) of the Trust Indenture Act. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act.

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Securities are listed in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall promptly notify the Trustee when the Securities are listed on any stock exchange and thereafter shall promptly file all reports with the SEC and such stock exchange as are required to be filed by the rules and regulations of the SEC and of such stock exchange.

ARTICLE NINE

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 9.01 *Merger, Consolidation, etc. Only on Certain Terms.*

The Issuer shall not consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the Issuer shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer substantially as an entirety shall be a Person organized and existing under the laws of any United States jurisdiction, any state thereof, Bermuda, England and Wales or any country that is a member of the European Monetary Union and was a member of the European Monetary Union on January 1, 2004 and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Issuer under this Indenture and the Securities and immediately after such transaction no Event of Default shall have happened or be continuing; and

(2) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger into a Person organized other than under the laws of Bermuda by the Issuer or the conveyance, transfer or lease by the Issuer of its properties and assets substantially as an entirety to a Person organized other than under the laws of Bermuda, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

SECTION 9.02 *Successor Corporation Substituted.*

Upon any consolidation by the Issuer with or merger by the Issuer into any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer substantially as an entirety in accordance with Section 9.01, the successor Person formed by such consolidation or into which the Issuer is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor Person had been named as the Issuer herein, and thereafter, except in the case of a lease, the predecessor corporation shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) to evidence the succession of another Person to the Issuer and the assumption by any such successor of the covenants of the Issuer herein and in the Securities (pursuant to Article Nine, if applicable); or
- (2) to add to the covenants of the Issuer for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer; or
- (3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or
- (4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2) of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or
- (5) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or
- (6) to secure the Securities; or
- (7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or
- (8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or
- (9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions arising under this Indenture, *provided* such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to

or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer and the Trustee of any supplemental indenture pursuant to Section 10.02, the Issuer shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled

thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, the Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Issuer will, and will cause each Significant Subsidiary to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Issuer or any such Significant Subsidiary or upon the income, profits or property of the Issuer or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Issuer or any such Significant Subsidiary; *provided, however*, that none of the Issuer nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by the Issuer.*

The Issuer shall:

(1) file with the Trustee, within 15 days after the Issuer is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Issuer is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Issuer pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE TWELVE

REDEMPTION OF SECURITIES

SECTION 12.01 *Applicability of Article.*

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 12.02 *Election to Redeem; Notice to Trustee.*

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of less than all the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal

amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

SECTION 12.03 *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10 a.m. New York City time, on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date: *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer or of any

successor Person, either directly or through the Issuer, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer, any Guarantor or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all

such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

SECTION 3.03 *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed on behalf of the Issuer by its Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution and the Officers' Certificate otherwise required pursuant to Section 3.01 of the Board Resolution and Opinion of Counsel otherwise required pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series, if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such

series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute

and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depository for such Global Security or Securities or the nominee of such Depository, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depository's instruction, and (iv) shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depository designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depository for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depository for the Securities of such series or if at any time the Depository for

Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depository eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depository for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depository for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depository. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

- (i) to each Person specified by the Depository a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and

(ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 *Payment of Interest; Interest Rights Preserved.*

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such

Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, the Trustee or any agent of the Issuer or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any

Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

SUBORDINATION OF SECURITIES

SECTION 4.01 *Agreement To Subordinate.*

The Issuer agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Issuer and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Securities shall in all respects rank *pari passu* with all other Senior Subordinated Indebtedness of the Issuer and shall rank senior to all existing and future Subordinated Indebtedness of the Issuer; and only Indebtedness of the Issuer that is Senior Indebtedness of the Issuer shall rank senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

SECTION 4.02 *Liquidation, Dissolution, Bankruptcy.*

Upon any distribution to creditors of the Issuer in a liquidation or dissolution of the Issuer or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Issuer or its property, an assignment for the benefit of creditors or any marshaling of the Issuer's assets and liabilities, the holders of Senior Indebtedness shall be entitled to receive payment in full in cash or Cash Equivalents of such Senior Indebtedness and all outstanding Letter of Credit Obligations shall be fully cash collateralized before the Holders shall be entitled to receive any payment with respect to the Securities, and until all Senior Indebtedness is paid in full in cash or Cash Equivalents, any distribution to which the Holders would be entitled shall be made to the holders of Senior Indebtedness (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01).

SECTION 4.03 *Default on Senior Indebtedness.*

The Issuer shall not make any payment upon or in respect of the Securities (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01) until all Senior Indebtedness has been paid in full in cash or Cash Equivalents if (i) a default in the payment of the principal of, premium, if any, or interest on, or of unreimbursed amounts under drawn letters of credit or in respect of bankers' acceptances or fees relating to letters of credit or bankers' acceptances constituting, Designated Senior Indebtedness occurs and is continuing beyond any applicable period of grace in the indenture, agreement or other document governing such Designated Senior Indebtedness (a "Payment Default") or (ii) any other default occurs and is continuing with respect to Designated Senior Indebtedness that permits holders of the Designated Senior Indebtedness as to which such default relates to accelerate its maturity without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods (a "Non-Payment Default") and the Trustee receives a notice of such default (a "Payment Blockage Notice") from a representative of holders of such Designated Senior Indebtedness. Payments on the Securities, including any missed payments, may and shall be resumed (a) in the case of a Payment Default, upon the date on which such default is cured or waived or shall have ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents and all outstanding Letter of Credit Obligations shall have been fully cash collateralized and (b) in case of a Non-Payment Default, the earlier of (x) the date on which such nonpayment default is cured or waived, (y) 179 days after the date on which the applicable Payment Blockage Notice is received (each such period, the "Payment Blockage Period") or (z) the date such Payment Blockage Period shall be terminated by written notice to the Trustee from the requisite holders of such Designated Senior Indebtedness necessary to terminate such period or from their representative. No new Payment Blockage Period may be commenced unless and until 365 days have elapsed since the effectiveness of the immediately preceding Payment Blockage Notice. However, if any Payment Blockage Notice within such 365-day period is given by or on behalf of any holders of Designated Senior Indebtedness (other than the agent under the Senior Credit Facilities), the agent under the Senior Credit Facilities may give another Payment Blockage Notice within such period. In no event, however, shall the total number of days during which any Payment Blockage Period or Periods is in effect exceed 179 days in the aggregate during any 365 consecutive day period. No Non-Payment Default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been cured or waived for a period of not less than 90 days.

SECTION 4.04 *Acceleration of Payment of Securities.*

If payment of the Securities of any series is accelerated because of an Event of Default, the Issuer or the Trustee shall promptly notify the holders of the Designated Senior Indebtedness (or their Representative) of the acceleration. If any Designated Senior Indebtedness is outstanding, the Issuer shall not pay the Securities until five Business Days after such holders or the Representative of the Designated Senior Indebtedness receive notice of such acceleration and, thereafter, shall pay the Securities only if this Article Four otherwise permits payment at that time.

SECTION 4.05 *When Distribution Must Be Paid Over.*

If a distribution is made to Holders that because of this Article Four should not have been made to them, the Holders who receive the distribution shall hold it in trust for holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 4.06 *Subrogation.*

After all Senior Indebtedness of the Issuer is paid in full and until the Securities are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Four to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on such Senior Indebtedness.

SECTION 4.07 *Relative Rights.*

This Article Four defines the relative rights of Holders and holders of Senior Indebtedness of the Issuer. Nothing in this Indenture shall:

- (1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of and interest on and liquidated damages in respect of, the Securities in accordance with their terms; or
- (2) prevent the Trustee or any Holder from exercising its available remedies upon the occurrence of an Event of Default, subject to the rights of holders of Senior Indebtedness of the Issuer to receive distributions otherwise payable to Holders.

SECTION 4.08 *Subordination May Not Be Impaired by Issuer.*

No right of any holder of Senior Indebtedness of the Issuer to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Issuer or by its failure to comply with this Indenture.

SECTION 4.09 *Rights of Trustee and Paying Agent.*

Notwithstanding Section 4.03, the Trustee or Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article Four. The Issuer, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of the Issuer may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of the Issuer has a Representative, only the Representative may give the notice.

The Trustee in its individual or any other capacity may hold Senior Indebtedness of the Issuer with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Four with respect to any Senior Indebtedness of the Issuer which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Four shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

SECTION 4.10 *Distribution or Notice to Representative.*

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of the Issuer, the distribution may be made and the notice given to their Representative (if any).

SECTION 4.11 *Article Four Not to Prevent Events of Default or Limit Right to Accelerate.*

The failure to make a payment pursuant to the Securities by reason of any provision in this Article Four shall not be construed as preventing the occurrence of an Event of Default. Nothing in this Article Four shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities.

SECTION 4.12 *Trust Moneys Not Subordinated.*

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article 5 by the Trustee for the payment of principal of and interest on the Securities shall not be subordinated to the prior payment of any Senior Indebtedness of the Issuer or subject to the restrictions set forth in this Article Four, and none of the Holders shall be obligated to pay over any such amount to the Issuer or any holder of Senior Indebtedness of the Issuer or any other creditor of the Issuer.

SECTION 4.13 *Trustee Entitled to Rely.*

Upon any payment or distribution pursuant to this Article Four, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 4.02 are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives for the holders of Senior Indebtedness of the Issuer for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of such Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Four. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Issuer to participate in any payment or distribution pursuant to this Article Four, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Four, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.03 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Four.

SECTION 4.14 *Trustee to Effectuate Subordination.*

Each Holder by accepting a Security of any series authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of the Issuer as provided in this Article Four and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 4.15 *Trustee Not Fiduciary for Holders of Senior Indebtedness.*

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Issuer and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Issuer or any other Person, money or assets to which any holders of Senior Indebtedness of the Issuer shall be entitled by virtue of this Article Four or otherwise.

SECTION 4.16 *Reliance by Holders of Senior Indebtedness on Subordination Provisions.*

(a) Each Holder by accepting a Security of any series acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

(b) Without in any way limiting the generality of paragraph (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the

Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article Four or the obligations hereunder of the Holders to the holders of Senior Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (3) release any Person liable in any manner for the collection of Senior Indebtedness; and (4) exercise or refrain from exercising any rights against the Issuer or any other Person.

SECTION 4.17 *Trustee's Compensation Not Prejudiced.*

Nothing in this Article Four shall apply to amounts due to the Trustee pursuant to other sections of this Indenture.

SECTION 4.18 *Defeasance.*

The terms of this Article Four shall not apply to payments from money or the proceeds of U.S. Government Securities held in trust by the Trustee for the payment of principal of and interest on the Securities pursuant to the provisions described in Section 5.03.

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of

such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 Legal Defeasance and Discharge.

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's obligations with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 Covenant Defeasance.

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Section 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction,

waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary

assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clauses (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 Survival of Certain Obligations.

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article Seven, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 Application of Trust Money.

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 Repayment of Moneys Held by Paying Agent.

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the written request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 Reinstatement.

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such

application, the Issuer's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; provided that, if the Issuer has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer, any Significant Subsidiary in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer by the Trustee or to the Issuer and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or
- (6) the commencement by the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the

consent by it to the entry of a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Issuer or any Significant Subsidiary of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(e) or (f)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding; *provided, however*, that payment of principal of (and premium, if any) and interest on the Securities of such series shall remain subordinated to the extent provided in Article Four.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

SECTION 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

(1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,

(2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or

(3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon such Securities and collect the moneys adjudged or

decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor upon the Securities or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 Trustee May Enforce Claims without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 *Application of Money Collected.*

Subject to the provisions of Article Four, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 *Limitation on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment (subject to the provisions of Article Four) of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided* that

(a) such direction shall not be in conflict with any rule of law or with this Indenture,

(b) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and

(c) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 *Waiver of Past Defaults.*

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

Section 7.01. *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however,* that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further,* that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph; and

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer agrees

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 *Corporate Trustee Required; Eligibility.*

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee at the expense of the Issuer may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 *Acceptance of Appointment by Successor.*

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 7.12 *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association to which all or substantially all of the corporate trust business of the Trustee may be sold or otherwise transferred, shall be the successor trustee hereunder without any further act. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13 *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

ARTICLE EIGHT

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND ISSUER

SECTION 8.01 *Issuer to Furnish Trustee Names and Addresses of Holders.*

The Issuer will furnish or cause to be furnished to the Trustee

(a) semi-annually, either (i) not later than June 1 and November 1 in each year in the case of Original Issue Discount Securities of any series which by their terms do not bear interest prior to Maturity, or (ii) not more than 15 days after each Regular Record Date in the case of Securities of any other series, a list, each in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the preceding June 1 or November 1 or as of such Regular Record Date, as the case may be; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that so long as the Trustee is the Security Registrar with respect to Securities of any series, no such lists need be furnished.

SECTION 8.02 *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 8.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 8.03 *Reports by Trustee to Holders.*

Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Securities remain outstanding, the Trustee shall (at the expense of the Issuer) mail to the Holders of the Securities a brief report dated as of such reporting date that complies with Section 313(a) of the Trust Indenture Act (but if no event described in Section 313(a) of the Trust Indenture Act has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Section 313(b)(2) of the Trust Indenture Act. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act.

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Securities are listed in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall promptly notify the Trustee when the Securities are listed on any stock exchange and thereafter shall promptly file all reports with the SEC and such stock exchange as are required to be filed by the rules and regulations of the SEC and of such stock exchange.

ARTICLE NINE

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 9.01 *Merger, Consolidation, etc. Only on Certain Terms.*

The Issuer shall not consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the Issuer shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer substantially as an entirety shall be a Person organized and existing under the laws of any United States jurisdiction, any state thereof, Bermuda, England and Wales or any country that is a member of the European Monetary Union and was a member of the European Monetary Union on January 1, 2004 and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Issuer under this Indenture and the Securities and immediately after such transaction no Event of Default shall have happened or be continuing; and

(2) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger into a Person organized other than under the laws of Bermuda by the Issuer or the conveyance, transfer or lease by the Issuer of its properties and assets substantially as an entirety to a Person organized other than under the laws of Bermuda, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

SECTION 9.02 *Successor Corporation Substituted.*

Upon any consolidation by the Issuer with or merger by the Issuer into any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer substantially as an entirety in

accordance with Section 9.01, the successor Person formed by such consolidation or into which the Issuer is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor Person had been named as the Issuer herein, and thereafter, except in the case of a lease, the predecessor corporation shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) to evidence the succession of another Person to the Issuer and the assumption by any such successor of the covenants of the Issuer herein and in the Securities (pursuant to Article Nine, if applicable); or
- (2) to add to the covenants of the Issuer for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer; or
- (3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or
- (4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2) of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or
- (5) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or
- (6) to secure the Securities; or
- (7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or
- (8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or
- (9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions

arising under this Indenture, *provided* such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall

not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer and the Trustee of any supplemental indenture pursuant to Section 10.02, the Issuer shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission

shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or

such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, the Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Issuer will, and will cause each Significant Subsidiary to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Issuer or any such Significant Subsidiary or upon the income, profits or property of the Issuer or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Issuer or any such Significant Subsidiary; *provided, however*, that none of the Issuer nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part

contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by the Issuer.*

The Issuer shall:

(1) file with the Trustee, within 15 days after the Issuer is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Issuer is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Issuer pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE TWELVE

REDEMPTION OF SECURITIES

SECTION 12.01 *Applicability of Article.*

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 12.02 *Election to Redeem; Notice to Trustee.*

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of less than all the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

SECTION 12.03 *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and

(7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer. No such notice shall be given at any time when the Issuer or the Trustee shall have received notice that there exists a default specified in the first paragraph of Section 4.03 or that such a default will exist at the date fixed for such redemption or as a result of such redemption.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10 a.m. New York time, on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the

Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS.

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer or of any successor Person, either directly or through the Issuer, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and

the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting

of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

"Trustee" means the Person named as the "Trustee" in the first paragraph of this instrument until a successor Trustee shall have become such pursuant to the applicable provisions of this Indenture, and

thereafter "Trustee" shall mean or include each Person who is then a Trustee hereunder, and if at any time there is more than one such Person, "Trustee" as used with respect to the Securities of any series shall mean the Trustee with respect to Securities of that series.

"Trust Indenture Act" means the Trust Indenture Act of 1939, as amended, and as in force at the date as of which this instrument was executed, except as provided in Section 10.05; provided, however, that in the event the Trust Indenture Act is amended after such date, "Trust Indenture Act" means, with respect to the Securities of any series issued after such date, the Trust Indenture Act of 1939 as so amended.

"U.S. Government Obligations" has the meaning specified in Section 5.05.

"Vice President" when used with respect to the Issuer or the Trustee, means any vice president, whether or not designated by a number or a word or words added before or after the title "vice president."

SECTION 1.02 *Compliance Certificates and Opinions.*

Upon any application or request by the Issuer to the Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Trustee an Officers' Certificate stating that all conditions precedent (including any covenant compliance with which constitutes a condition precedent), if any, provided for in this Indenture relating to the proposed action that such action has been complied with and an Opinion of Counsel stating that in the opinion of such counsel that such action is authorized or permitted by this Indenture and that all such conditions precedent (including any covenants compliance with which constitutes a condition precedent), if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than annual certificates provided pursuant to Section 11.08) shall include:

- (1) a statement that each individual signing such certificate or opinion has read such covenant or condition and the definitions herein relating thereto;
- (2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (3) a statement that, in the opinion of each such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (4) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

SECTION 1.03 *Form of Documents Delivered to Trustee.*

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or Opinion of Counsel, or representations by counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or

representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or Opinion of Counsel or representation by counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Issuer stating that the information with respect to such factual matters is in the possession of the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 1.04 *Acts of Holders.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing or by the record of the Holders voting in favor thereof at any meeting of such Holders duly called and held in accordance with the provisions of Article Fifteen; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or any such record is delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments or such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments or voting at such meeting. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer if made in the manner provided in this Section. The record of any meeting of Holders of Securities shall be proved in the manner provided in Section 15.07 and the record so proved shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof, or may be proved in such other manner as shall be deemed sufficient by the Trustee. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The ownership of Securities shall be proved by the Security Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

(e) The Issuer or the Trustee, as applicable, may set a date for the purpose of determining the Holders of Securities entitled to consent, vote or take any other action referred to in this Section 1.04, which date shall be not less than 10 days nor more than 60 days prior to the taking of the consent, vote or other action.

SECTION 1.05 *Notices, etc. to Trustee and Issuer.*

Any request, demand, authorization, direction, notice, consent, waiver or Act of the Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office and, unless otherwise herein expressly provided, any such document shall be deemed to be sufficiently made, given, furnished or filed upon its receipt by a Responsible Officer of the Trustee, or

(2) the Issuer by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the Issuer addressed to it at:

Ten Trinity Square
London EC3P 3AX
England

or at any other address or addresses previously furnished in writing to the Trustee by the Issuer.

SECTION 1.06 *Notice to Holders; Waiver.*

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 1.07 *Conflict with Trust Indenture Act.*

If any provision hereof limits, qualifies or conflicts with the duties imposed by any of Sections 310 to 317, inclusive, of the Trust Indenture Act through operation of Section 318(c), such imposed duties shall control.

SECTION 1.08 *Effect of Headings and Table of Contents.*

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 1.09 *Successors and Assigns.*

All covenants and agreements in this Indenture by the Issuer shall bind its successors and assigns, whether so expressed or not.

SECTION 1.10 *Separability Clause.*

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 1.11 *Benefits of Indenture.*

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Holders and to the extent provided in Article Four the holders of Senior Indebtedness, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.12 *Governing Law.*

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

SECTION 1.13 *Legal Holidays.*

In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal of (and premium, if any) or interest, if any, on such Security need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity, provided that no additional interest shall accrue with respect to the payment due on such date for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

ARTICLE TWO

SECURITY FORMS

SECTION 2.01 *Forms Generally.*

The Securities of each series shall be in substantially the form established from time to time by or pursuant to a Board Resolution or in one or more indentures supplemental hereto, in each case with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or as may, consistently herewith, be determined by the officers executing such Securities, as evidenced by their execution of such Securities. Any portion of the text of any Security may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Security. If the form of Securities of any series is established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Issuer Order contemplated by Section 3.03 for the authentication and delivery of such Securities. Any such Board Resolution or record of such action shall have attached thereto a true and correct copy of the form of Security referred to therein approved by or pursuant to such Board Resolution.

The Trustee's certificate of authentication shall be in substantially the form set forth in this Article.

The definitive Securities shall be printed, lithographed or engraved on steel engraved borders or may be produced in any other manner, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

SECTION 2.02 *Form of Trustee's Certificate of Authentication.*

The Trustee's certificate of authentication on all Securities shall be in substantially the following form:

This is one of the Securities of the series designated therein issued under the within-mentioned Indenture.

JP Morgan Chase Bank, N.A., as Trustee

By:

Authorized Officer

SECTION 2.03 *Securities in Global Form*

If any Security of a series is issuable in global form (a "Global Security"), such Global Security may provide that it shall represent the aggregate amount of Outstanding Securities from time to time endorsed thereon and may also provide that the aggregate amount of Outstanding Securities represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of Outstanding Securities represented thereby shall be made by the Trustee and in such manner as shall be specified in such Global Security. Any instructions by the Issuer with respect to a Global Security, after its initial issuance, shall be in writing but need not comply with Section 1.02.

Global Securities may be issued in either temporary or permanent form. Permanent Global Securities will be issued in definitive form.

ARTICLE THREE

THE SECURITIES

SECTION 3.01 *Amount Unlimited; Issuable in Series.*

The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture is unlimited.

The Securities may be issued in one or more series. There shall be established in or pursuant to a Board Resolution, and set forth in an Officers' Certificate of the Issuer or established in one or more indentures supplemental hereto, prior to the issuance of Securities of any series,

(1) the title of the Securities of the series (which shall distinguish the Securities of the series from all other Securities);

(2) the aggregate principal amount of the Securities of such series and any limit upon the aggregate principal amount of the Securities of the series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other securities of the series pursuant to Section 3.04, 3.05, 3.06, 10.06 or 12.07);

(3) the date or dates on which the principal (and premium, if any) of the Securities of the series is payable or the method of determination thereof;

(4) the rate or rates (which may be fixed or variable), or the method of determination thereof, at which the Securities of the series shall bear interest, if any, including the rate of interest applicable on overdue payments of principal or interest, if different from the rate of interest stated in the title of the Security, the date or dates from which such interest shall accrue or the method of determination thereof, the Interest Payment Dates on which such interest shall be payable and the Regular Record Date for the interest payable on any Interest Payment Date;

(5) the Paying Agent or Paying Agents for the Securities of the series if other than the Trustee;

(6) the Place of Payment of the Securities of the series;

(7) if other than U.S. Dollars, the foreign currency or currencies in which Securities of the series shall be denominated or in which payment of the principal of (and premium, if any) or interest on Securities of the series may be made, and the particular provisions applicable thereto and, if applicable, the amount of the Securities of the series which entitles the Holder of a Security of the series or its proxy to one vote for purposes of Section 15.06;

(8) the right, if any, of the Issuer to redeem the Securities of such series and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series may be redeemed, in whole or in part, at the option of the Issuer;

(9) the obligation, if any, of the Issuer to redeem or purchase Securities of the series pursuant to any sinking fund or analogous provisions or at the option of a Holder thereof and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;

(10) if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which Securities of the series shall be issuable;

(11) whether the Securities of the series shall be issued in whole or in part in the form of one or more Global Securities and, in such case, the depository (the "Depository") for such Global Security or Securities; and the manner in which and the circumstances under which Global Securities representing Securities of the series may be exchanged for Securities in definitive form, if other than, or in addition to, the manner and circumstances specified in Section 3.05(b);

(12) if other than the principal amount thereof, the portion of the principal amount of Securities of the series which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 6.02;

(13) if the provisions of Section 5.02 of this Indenture are to apply to the Securities of the series, a statement indicating the same;

(14) any deletions from or modifications of or additions to the Events of Default set forth in Section 6.01 pertaining to the Securities of the series;

(15) the form of the Securities of the series;

(16) the Reporting Date of the Securities of the series; and

(17) any other terms of a particular series and any other provisions expressing or referring to the terms and conditions upon which the Securities of that series are to be issued, which terms and provisions are not in conflict with the provisions of this Indenture or do not adversely affect the rights of Holders of any other series of Securities then Outstanding); *provided, however*, that the addition to or subtraction from or variation of Articles Four, Five, Six, Nine, Eleven, Thirteen and Sixteen (and Section 1.01 insofar as it relates to the definition of certain terms as used in such Articles) with regard to the Securities of a particular series shall not be deemed to constitute a conflict with the provisions of those Articles.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to such Board Resolution and set forth in such Officers' Certificate or in any such indenture supplemental hereto. All Securities of any one series need

not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series without the consent of the Holders thereof.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be subordinated in right of payment to Senior Indebtedness as provided in Article Four. The Securities of all series shall rank on a parity in right of payment.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

SECTION 3.02 *Denominations.*

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03 *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed on behalf of the Issuer by its Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind such Person notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If any Security shall be represented by a permanent Global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security.

In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon the documents specified in Section 314 of the Trust Indenture Act, and, in addition:

- (1) a Board Resolution relating thereto, and if applicable, an appropriate record of any action taken pursuant to such Board Resolution, certified by the Secretary or Assistant Secretary of the Issuer, if applicable;
- (2) an executed supplemental indenture, if any; and
- (3) an Opinion of Counsel which shall state:
 - (A) that the form and terms of such Securities have been established by or pursuant to Board Resolutions, by a supplemental indenture or by both such resolution or resolutions and such supplemental indenture in conformity with the provisions of this Indenture;

(B) that the supplemental indenture, if any, when executed and delivered by the Issuer and the Trustee, will constitute a valid and legally binding obligation of the Issuer; and

(C) that such Securities, when authenticated and delivered by the Trustee and issued by the Issuer in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Issuer, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles, and will be entitled to the benefits of this Indenture.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution and the Officers' Certificate otherwise required pursuant to Section 3.01 or the Board Resolution and Opinion of Counsel otherwise required pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series, if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable

regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depository for such Global Security or Securities or the nominee of such Depository, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depository's instruction, and (iv) unless otherwise provided for, the Securities of such series pursuant to Section 3.01, shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depositary designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depositary, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depositary for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depositary for the Securities of such series or if at any time the Depositary for Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depositary eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depositary. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

- (i) to each Person specified by the Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and
- (ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 *Payment of Interest; Interest Rights Preserved.*

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the

proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, the Trustee or any agent of the Issuer or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

SUBORDINATION OF SECURITIES

SECTION 4.01 *Agreement To Subordinate.*

The Issuer agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Issuer and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Securities shall in all respects rank *pari passu* with all other Subordinated Indebtedness of the Issuer; and only Indebtedness of the Issuer that is Senior Indebtedness of the Issuer shall rank senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

SECTION 4.02 *Liquidation, Dissolution, Bankruptcy.*

Upon any distribution to creditors of the Issuer in a liquidation or dissolution of the Issuer or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Issuer or its property, an assignment for the benefit of creditors or any marshaling of the Issuer's assets and liabilities, the holders of Senior Indebtedness shall be entitled to receive payment in full in cash or Cash Equivalents of such Senior Indebtedness and all outstanding Letter of Credit Obligations shall be fully cash collateralized before the Holders shall be entitled to receive any payment with respect to the Securities, and until all Senior Indebtedness is paid in full in cash or Cash Equivalents, any distribution to which the Holders would be entitled shall be made to the holders of Senior Indebtedness (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01).

SECTION 4.03 *Default on Senior Indebtedness.*

The Issuer shall not make any payment upon or in respect of the Securities (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01) until all Senior Indebtedness has been paid in full in cash or Cash Equivalents if (i) a default in the payment of the principal of, premium, if any, or interest on, or of unreimbursed amounts under drawn letters of credit or in respect of bankers' acceptances or fees relating to letters of credit or bankers' acceptances constituting, Designated Senior Indebtedness occurs and is continuing beyond any applicable period of grace in the indenture, agreement or other document governing such Designated Senior Indebtedness (a "Payment Default") or (ii) any other default occurs and is continuing with respect to Designated Senior Indebtedness that permits holders of the Designated Senior Indebtedness as to which such default relates to accelerate its maturity without further notice (except such notice as

may be required to effect such acceleration) or the expiration of any applicable grace periods (a "Non-Payment Default") and the Trustee receives a notice of such default (a "Payment Blockage Notice") from a representative of holders of such Designated Senior Indebtedness. Payments on the Securities, including any missed payments, may and shall be resumed (a) in the case of a Payment Default, upon the date on which such default is cured or waived or shall have ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents and all outstanding Letter of Credit Obligations shall have been fully cash collateralized and (b) in case of a Non-Payment Default, the earlier of (x) the date on which such nonpayment default is cured or waived, (y) 179 days after the date on which the applicable Payment Blockage Notice is received (each such period, the "Payment Blockage Period") or (z) the date such Payment Blockage Period shall be terminated by written notice to the Trustee from the requisite holders of such Designated Senior Indebtedness necessary to terminate such period or from their representative. No new Payment Blockage Period may be commenced unless and until 365 days have elapsed since the effectiveness of the immediately preceding Payment Blockage Notice. However, if any Payment Blockage Notice within such 365-day period is given by or on behalf of any holders of Designated Senior Indebtedness (other than the agent under the Senior Credit Facilities), the agent under the Senior Credit Facilities may give another Payment Blockage Notice within such period. In no event, however, shall the total number of days during which any Payment Blockage Period or Periods is in effect exceed 179 days in the aggregate during any 365 consecutive day period. No Non-Payment Default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been cured or waived for a period of not less than 90 days.

SECTION 4.04 *Acceleration of Payment of Securities.*

If payment of the Securities of any series is accelerated because of an Event of Default, the Issuer or the Trustee shall promptly notify the holders of the Designated Senior Indebtedness (or their Representative) of the acceleration. If any Designated Senior Indebtedness is outstanding, the Issuer shall not pay the Securities until five Business Days after such holders or the Representative of the Designated Senior Indebtedness receive notice of such acceleration and, thereafter, shall pay the Securities only if this Article Four otherwise permits payment at that time.

SECTION 4.05 *When Distribution Must Be Paid Over.*

If a distribution is made to Holders that because of this Article Four should not have been made to them, the Holders who receive the distribution shall hold it in trust for holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 4.06 *Subrogation.*

After all Senior Indebtedness of the Issuer is paid in full and until the Securities are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Four to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on such Senior Indebtedness.

SECTION 4.07 *Relative Rights.*

This Article Four defines the relative rights of Holders and holders of Senior Indebtedness of the Issuer. Nothing in this Indenture shall:

- (1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of and interest on and liquidated damages in respect of, the Securities in accordance with their terms; or

(2) prevent the Trustee or any Holder from exercising its available remedies upon the occurrence of an Event of Default, subject to the rights of holders of Senior Indebtedness of the Issuer to receive distributions otherwise payable to Holders.

SECTION 4.08 *Subordination May Not Be Impaired by Issuer.*

No right of any holder of Senior Indebtedness of the Issuer to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Issuer or by its failure to comply with this Indenture.

SECTION 4.09 *Rights of Trustee and Paying Agent.*

Notwithstanding Section 4.03, the Trustee or Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article Four. The Issuer, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of the Issuer may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of the Issuer has a Representative, only the Representative may give the notice.

The Trustee in its individual or any other capacity may hold Senior Indebtedness of the Issuer with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Four with respect to any Senior Indebtedness of the Issuer which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Four shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

SECTION 4.10 *Distribution or Notice to Representative.*

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of the Issuer, the distribution may be made and the notice given to their Representative (if any).

SECTION 4.11 *Article Four Not to Prevent Events of Default or Limit Right to Accelerate.*

The failure to make a payment pursuant to the Securities by reason of any provision in this Article Four shall not be construed as preventing the occurrence of an Event of Default. Nothing in this Article Four shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities.

SECTION 4.12 *Trust Moneys Not Subordinated.*

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article Five by the Trustee for the payment of principal of and interest on the Securities shall not be subordinated to the prior payment of any Senior Indebtedness of the Issuer or subject to the restrictions set forth in this Article Four, and none of the Holders shall be obligated to pay over any such amount to the Issuer or any holder of Senior Indebtedness of the Issuer or any other creditor of the Issuer.

SECTION 4.13 *Trustee Entitled to Rely.*

Upon any payment or distribution pursuant to this Article Four, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 4.02 are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives for the holders of Senior Indebtedness of the Issuer for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the

holders of such Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Four. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Issuer to participate in any payment or distribution pursuant to this Article Four, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Four, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.03 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Four.

SECTION 4.14 Trustee to Effectuate Subordination.

Each Holder by accepting a Security of any series authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of the Issuer as provided in this Article Four and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 4.15 Trustee Not Fiduciary for Holders of Senior Indebtedness.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Issuer and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Issuer or any other Person, money or assets to which any holders of Senior Indebtedness of the Issuer shall be entitled by virtue of this Article Four or otherwise.

SECTION 4.16 Reliance by Holders of Senior Indebtedness on Subordination Provisions.

(a) Each Holder by accepting a Security of any series acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

(b) Without in any way limiting the generality of paragraph (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article Four or the obligations hereunder of the Holders to the holders of Senior Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (3) release any Person liable in any manner for the collection of Senior Indebtedness; and (4) exercise or refrain from exercising any rights against the Issuer or any other Person.

SECTION 4.17 Trustee's Compensation Not Prejudiced.

Nothing in this Article Four shall apply to amounts due to the Trustee pursuant to other sections of this Indenture.

SECTION 4.18 *Defeasance.*

The terms of this Article Four shall not apply to payments from money or the proceeds of U.S. Government Securities held in trust by the Trustee for the payment of principal of and interest on the Securities pursuant to the provisions described in Section 5.03.

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's obligations with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 9.01, 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Sections 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clauses (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required

by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article Seven, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the written request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Sections 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; *provided that*, if the Issuer has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer any Significant Subsidiary in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer by the Trustee or to the Issuer and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or
- (6) the commencement by the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Issuer or any Significant Subsidiary of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its

debts generally as they become due, or the taking of corporate action by the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding; *provided, however*, that payment of principal of (and premium, if any) and interest on the Securities of such series shall remain subordinated to the extent provided in Article Four.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

The Issuer covenants that if

- (1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,
- (2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or
- (3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor upon the Securities or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

- (i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and
- (ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 *Trustee May Enforce Claims without Possession of Securities.*

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 *Application of Money Collected.*

Subject to the provisions of Article Four, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 *Limitation on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment (subject to the provisions of Article Four) of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy

available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided that*

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 *Waiver of Past Defaults.*

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.01 *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee,

unless such default shall have been cured or waived; *provided, however*, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further*, that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining

any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have actual knowledge in accordance with this paragraph; and

- (i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer agrees

- (1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and
- (3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 *Corporate Trustee Required; Eligibility.*

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder

administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (2) to add to the covenants of the Issuer for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer; or
- (3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or
- (4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2)

of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or

(5) to change or eliminate any of the provisions of this Indenture, *provided* that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or

(6) to secure the Securities; or

(7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions arising under this Indenture, *provided* such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot

be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Issuer (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, the Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Issuer will, and will cause each Significant Subsidiary to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Issuer or any such Significant Subsidiary or upon the income, profits or property of the Issuer or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Issuer or any such Significant Subsidiary; *provided, however*, that none of the Issuer nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in

the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by Issuer.*

The Issuer shall:

(1) file with the Trustee, within 15 days after the Issuer is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Issuer is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Issuer pursuant to paragraphs (1)

and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Parent Guarantor's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10:00 a.m. New York City time on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to all rights thereunder or hereunder, except the right to receive payment of the Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the

Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer or of any successor Person, either directly or through the Issuer, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;

(3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or

(4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer, by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the

absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the

meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

- (5) the Paying Agent or Paying Agents for the Securities of the series if other than the Trustee;
- (6) the Place of Payment of the Securities of the series;
- (7) if other than U.S. Dollars, the foreign currency or currencies in which Securities of the series shall be denominated or in which payment of the principal of (and premium, if any) or interest on Securities of the series may be made, and the particular provisions applicable thereto and, if applicable, the amount of the Securities of the series which entitles the Holder of a Security of the series or its proxy to one vote for purposes of Section 15.06;

(8) the right, if any, of the Issuer to redeem the Securities of such series and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series may be redeemed, in whole or in part, at the option of the Issuer;

(9) the obligation, if any, of the Issuer to redeem or purchase Securities of the series pursuant to any sinking fund or analogous provisions or at the option of a Holder thereof and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;

(10) if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which Securities of the series shall be issuable;

(11) whether the Securities of the series shall be issued in whole or in part in the form of one or more Global Securities and, in such case, the depository (the "Depository") for such Global Security or Securities; and the manner in which and the circumstances under which Global Securities representing Securities of the series may be exchanged for Securities in definitive form, if other than, or in addition to, the manner and circumstances specified in Section 3.05(b);

(12) if other than the principal amount thereof, the portion of the principal amount of Securities of the series which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 6.02;

(13) if the provisions of Section 5.02 of this Indenture are to apply to the Securities of the series, a statement indicating the same;

(14) any deletions from or modifications of or additions to the Events of Default set forth in Section 6.01 pertaining to the Securities of the series;

(15) the form of the Securities of the series;

(16) the Reporting Date of the Securities of the series; and

(17) any other terms of a particular series and any other provisions expressing or referring to the terms and conditions upon which the Securities of that series are to be issued, which terms and provisions are not in conflict with the provisions of this Indenture or do not adversely affect the rights of Holders of any other series of Securities then Outstanding); *provided, however*, that the addition to or subtraction from or variation of Articles Five, Six, Nine, Eleven, Thirteen and Sixteen (and Section 1.01 insofar as it relates to the definition of certain terms as used in such Articles) with regard to the Securities of a particular series shall not be deemed to constitute a conflict with the provisions of those Articles.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to such Board Resolution and set forth in such Officers' Certificate or in any such indenture supplemental hereto. All Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series without the consent of the Holders thereof.

The Securities of all series shall rank on a parity in right of payment.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be fully and unconditionally guaranteed, jointly and severally, by each Guarantor as provided in Article Sixteen.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant

Secretary of the Issuer or the applicable Guarantor and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

SECTION 3.02 *Denominations.*

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03 *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed on behalf of the Issuer by its Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind such Person notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If any Security shall be represented by a permanent Global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security.

In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon the documents specified in Section 314 of the Trust Indenture Act, and, in addition:

- (1) a Board Resolution relating thereto, and if applicable, an appropriate record of any action taken pursuant to such Board Resolution, certified by the Secretary or Assistant Secretary of the Issuer, if applicable;
- (2) an executed supplemental indenture, if any; and
- (3) an Opinion of Counsel which shall state:
 - (A) that the form and terms of such Securities have been established by or pursuant to Board Resolutions, by a supplemental indenture or by both such resolution or resolutions and such supplemental indenture in conformity with the provisions of this Indenture;
 - (B) that the supplemental indenture, if any, when executed and delivered by the Issuer, any Guarantor and the Trustee, will constitute a valid and legally binding obligation of the Issuer and such Guarantor; and
 - (C) that such Securities, when authenticated and delivered by the Trustee and issued by the Issuer and any Guarantor in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Issuer and each such Guarantor, if applicable, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or

affecting the enforcement of creditors' rights and to general equity principles, and will be entitled to the benefits of this Indenture.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution and the Officers' Certificate otherwise required pursuant to Section 3.01 or the Board Resolution and Opinion of Counsel otherwise required pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the

same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and each Guarantor evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depositary for such Global Security or Securities or the nominee of such Depositary, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depositary's instruction, and (iv) unless otherwise provided for, the Securities of such series pursuant to Section 3.01, shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depositary designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depositary, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depositary for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depositary for the Securities of such series or if at any time the Depositary for Securities of a series shall no longer be a clearing agency registered and in good standing under the

Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depositary eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depositary. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

- (i) to each Person specified by the Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and
- (ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall

execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 *Payment of Interest; Interest Rights Preserved.*

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such

Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, any Guarantor, the Trustee or any agent of the Issuer, any Guarantor or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer or any Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or any Guarantor may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer or any Guarantor shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such

redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

[INTENTIONALLY OMITTED]

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer or any Guarantor, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer or any Guarantor has paid or caused to be paid all other sums payable hereunder by the Issuer or any Guarantor; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer and each Guarantor to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's or any Guarantor's obligations, as the case may be, with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer and each Guarantor under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Section 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clause (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required

by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Section 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article 7, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or any Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the written request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; *provided* that, if the Issuer or any Guarantor has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or

(2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity; or

(3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series; or

(4) default in the performance, or breach, of any covenant or warranty of the Issuer, any Significant Subsidiary or any Guarantor in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer or any Guarantor by the Trustee or to the Issuer or any Guarantor and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Parent Guarantor, the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or

(6) the commencement by the Parent Guarantor, the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become

due, or the taking of corporate action by the Parent Guarantor, the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by any Guarantor not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the Indenture and any such Guarantee; or

(8) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer or a Guarantor (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer or a Guarantor and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer or any Guarantor has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

SECTION 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

- (1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,
- (2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or
- (3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer, any Guarantor or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer, any Guarantor or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, any Guarantor or any other obligor upon the Securities or the property of the Issuer, any Guarantor or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

- (i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and
- (ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 *Trustee May Enforce Claims without Possession of Securities.*

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 *Application of Money Collected.*

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 *Limitation on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy

available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided that*

- (1) such direction shall not be in conflict with any rule of law or with this Indenture,
- (2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and
- (3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 *Waiver of Past Defaults.*

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

- (1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or
- (2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer and each Guarantor covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.01 *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee,

unless such default shall have been cured or waived; *provided, however*, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further*, that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or any Guarantor mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Guarantor, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, a Guarantor or this Indenture.

Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have actual knowledge in accordance with this paragraph; and

- (i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer or any Guarantor, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer or any Guarantor of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer and the Guarantors agree, jointly and severally,

- (1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

- (2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

- (3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer and the Guarantors under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 *Corporate Trustee Required; Eligibility.*

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer, any Guarantor or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for

at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 *Acceptance of Appointment by Successor.*

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of

this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer, any Guarantor or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 7.12 *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association to which all or substantially all of the corporate trust business of the Trustee may be sold or otherwise transferred, shall be the successor trustee hereunder without any further act. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13 *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

ARTICLE EIGHT

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND ISSUER

SECTION 8.01 *Issuer to Furnish Trustee Names and Addresses of Holders.*

The Issuer will furnish or cause to be furnished to the Trustee

(a) semi-annually, either (i) not later than June 1 and November 1 in each year in the case of Original Issue Discount Securities of any series which by their terms do not bear interest prior to Maturity, or (ii) not more than 15 days after each Regular Record Date in the case of Securities of any other series, a list, each in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the preceding June 1 or November 1 or as of such Regular Record Date, as the case may be; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that so long as the Trustee is the Security Registrar with respect to Securities of any series, no such lists need be furnished.

SECTION 8.02 *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 8.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 8.03 *Reports by Trustee to Holders.*

Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Securities remain outstanding, the Trustee shall (at the expense of the Issuer) mail to the Holders of the Securities a brief report dated as of such reporting date that complies with Section 313(a) of the Trust Indenture Act (but if no event described in Section 313(a) of the Trust Indenture Act has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Section 313(b)(2) of the Trust Indenture Act. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act.

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Securities are listed in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall promptly notify the Trustee when the Securities are listed on any stock exchange and thereafter shall promptly file all reports with the SEC and such stock exchange as are required to be filed by the rules and regulations of the SEC and of such stock exchange.

ARTICLE NINE

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 9.01 *Merger, Consolidation, etc. Only on Certain Terms.*

Neither the Issuer nor any of the Guarantors shall consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the Issuer or such Guarantor, as the case may be, shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer or such Guarantor, as the case may be, is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer or such Guarantor, as the case may be, substantially as an entirety shall be (A) in the case of the Issuer or any Guarantor other than the Parent

(2) the Issuer or such Guarantor, as the case may be, has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger into a Person organized other than under the laws of Bermuda by the Parent Guarantor or the conveyance, transfer or lease by the Parent Guarantor of its properties and assets substantially as an entirety to a Person organized other than under the laws of Bermuda, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

SECTION 9.02 *Successor Corporation Substituted.*

Upon any consolidation by the Issuer or any of the Guarantors, as the case may be, with or merger by the Issuer or such Guarantor into any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer or such Guarantor substantially as an entirety in accordance with Section 9.01, the successor Person formed by such consolidation or into which the Issuer or such Guarantor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor, as the case may be, under this Indenture with the same effect as if such successor Person had been named as the Issuer or such Guarantor herein, and thereafter, except in the case of a lease, the predecessor corporation shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer and each Guarantor, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Issuer or any Guarantor and the assumption by any such successor of the covenants of the Issuer or any Guarantor herein and in the Securities (pursuant to Article Nine, if applicable); or

(2) to add to the covenants of the Issuer or any Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer or any Guarantor; or

(3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or

(4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2) of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or

(5) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or

(6) to secure the Securities; or

(7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions arising under this Indenture, *provided* such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer and each Guarantor each when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer, each Guarantor and the Trustee of any supplemental indenture pursuant to Section 10.02, the Issuer shall transmit, in the manner and to the extent provided

in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer or any Guarantor shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying

Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer or any Guarantor (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer, any Guarantor or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer, any Guarantor or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer or any Guarantor on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer or any Guarantor) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer or any such Guarantor for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer or any such Guarantor as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, each of the Issuer and the Parent Guarantor will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Parent Guarantor will, and will cause each Significant Subsidiary that is a Subsidiary of the Parent Guarantor to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Parent Guarantor or any such Significant Subsidiary or upon the income, profits or property of the Parent Guarantor or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Parent Guarantor or any such Significant Subsidiary; *provided, however*, that none of the Parent Guarantor nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by Parent Guarantor.*

Parent Guarantor shall:

(1) file with the Trustee, within 15 days after the Parent Guarantor is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Parent Guarantor may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Parent Guarantor is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Parent Guarantor with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Parent Guarantor pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Parent Guarantor's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer and each Guarantor will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE TWELVE

REDEMPTION OF SECURITIES

SECTION 12.01 *Applicability of Article.*

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 12.02 *Election to Redeem; Notice to Trustee.*

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of less than all the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

SECTION 12.03 *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for

redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10 a.m. New York City time, on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer or any Guarantor is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of

interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at

the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

**IMMUNITY OF INCORPORATORS, STOCKHOLDERS,
OFFICERS AND DIRECTORS**

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer, any Guarantor or of any successor Person, either directly or through the Issuer or any Guarantor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer or any Guarantor, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer, any Guarantor or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer, any Guarantor or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer or the Parent Guarantor, in each case by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of

"Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

ARTICLE SIXTEEN

GUARANTEE OF SECURITIES

SECTION 16.01 *Guarantee*

Except as otherwise set forth in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities and subject to the provisions of this Article Sixteen, each Guarantor hereby jointly and severally unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (a) the full and punctual payment of principal of and interest on and liquidated damages in respect of the

Securities when due, whether on the Stated Maturity, by acceleration, by redemption or otherwise; and all other monetary obligations of the Issuer under this Indenture (including all obligations of the Issuer to the Trustee under this Indenture) and the Securities and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article Sixteen notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives (to the extent that it may lawfully do so) (a) presentation to, demand of, payment from and protest to the Issuer of any of the Guaranteed Obligations, (b) notice of protest for nonpayment and (c) notice of any default under Securities of any series or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities of any series or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 16.02(b).

Each Guarantor hereby waives (to the extent that it may lawfully do so) (x) any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed, (y) any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder and (z) any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives (to the extent that it may lawfully do so) any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

Except as expressly set forth in Sections 5.02 and 16.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part

thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article Six, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 16.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 16.01.

SECTION 16.02 *Limitation on Liability.*

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum, aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) This Guarantee as to any Guarantor (other than the Parent Guarantor) shall terminate and be of no further force or effect and such Guarantor shall be deemed to be released from all obligations under this Article Sixteen and Section 9.02 upon (i) the merger or consolidation of such Guarantor with or into any Person other than the Issuer or a Subsidiary or Affiliate of the Issuer where such Guarantor is not the surviving entity of such consolidation or merger or (ii) the sale, exchange or transfer to any Person not an Affiliate of the Issuer of all the Capital Stock in, or all or substantially all the assets of, such Guarantor; *provided however*, that in the case of (i) and (ii) above, such merger, consolidation, sale, exchange or transfer is made in accordance with Section 9.01 and the successor Person or transferee has assumed all of the obligations of such Guarantor under this Indenture and the Securities. This Guarantee also shall be automatically released upon the release or discharge of the Indebtedness that results in the creation of such Guarantee, as the case may be. At the request of the Issuer, the Trustee shall execute and deliver an appropriate instrument evidencing such release.

SECTION 16.03 *Successors and Assigns.*

This Article Sixteen shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred

upon that party in this Indenture and in the Securities of any series shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 16.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Sixteen shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article Sixteen at law, in equity, by statute or otherwise.

SECTION 16.05 *Modification.*

Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and each Guarantor evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depository for such Global Security or Securities or the nominee of such Depository, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depository's instruction, and (iv) shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depository designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depository for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depository for the Securities of such series or if at any time the Depository for Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depository eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depository for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depositary. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

- (i) to each Person specified by the Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and
- (ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer and each Guarantor, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 Payment of Interest; Interest Rights Preserved.

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if,

after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, any Guarantor, the Trustee or any agent of the Issuer, any Guarantor or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer or any Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or such Guarantor may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer or any such Guarantor shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

SUBORDINATION OF SECURITIES

SECTION 4.01 *Agreement To Subordinate.*

(a) The Issuer agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Issuer and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Securities shall in all respects rank *pari passu* with all other Senior Subordinated Indebtedness of the Issuer and shall rank senior to all existing and future Subordinated Indebtedness of the Issuer; and only Indebtedness of the Issuer that is Senior Indebtedness of the Issuer shall rank senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

(b) Each Guarantor agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Guarantees is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantor and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Guarantees shall in all respects rank *pari passu* with all other Senior Subordinated Indebtedness of the Issuer and shall rank senior to all existing and future Subordinated Indebtedness of the Issuer; and only Indebtedness of the Guarantor that is Senior Indebtedness of such Guarantor shall rank senior to the Guarantees in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

SECTION 4.02 *Liquidation, Dissolution, Bankruptcy.*

Upon any distribution to creditors of the Issuer in a liquidation or dissolution of the Issuer or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Issuer or its property, an assignment for the benefit of creditors or any marshaling of the Issuer's assets and liabilities, the holders of Senior Indebtedness shall be entitled to receive payment in full in cash or Cash Equivalents of such Senior Indebtedness and all outstanding Letter of Credit Obligations shall be fully cash collateralized before the Holders shall be entitled to receive any payment with respect to the Securities, and until all Senior Indebtedness is paid in full in cash or Cash Equivalents, any distribution to which the Holders would be entitled shall be made to the holders of Senior Indebtedness (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01).

SECTION 4.03 *Default on Senior Indebtedness.*

The Issuer shall not make any payment upon or in respect of the Securities (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01) until all Senior Indebtedness has been paid in full in cash or Cash Equivalents if (i) a default in the payment of the principal of, premium, if any, or interest on, or of unreimbursed amounts under drawn letters of credit or in respect of bankers' acceptances or fees relating to letters of credit or bankers' acceptances constituting, Designated Senior Indebtedness occurs and is continuing beyond any applicable period of grace in the indenture, agreement or other document governing such Designated Senior Indebtedness (a "Payment Default") or (ii) any other default occurs and is continuing with respect to Designated Senior Indebtedness that permits holders of the Designated Senior Indebtedness

as to which such default relates to accelerate its maturity without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods (a "Non-Payment Default") and the Trustee receives a notice of such default (a "Payment Blockage Notice") from a representative of holders of such Designated Senior Indebtedness. Payments on the Securities, including any missed payments, may and shall be resumed (a) in the case of a Payment Default, upon the date on which such default is cured or waived or shall have ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents and all outstanding Letter of Credit Obligations shall have been fully cash collateralized and (b) in case of a Non-Payment Default, the earlier of (x) the date on which such nonpayment default is cured or waived, (y) 179 days after the date on which the applicable Payment Blockage Notice is received (each such period, the "Payment Blockage Period") or (z) the date such Payment Blockage Period shall be terminated by written notice to the Trustee from the requisite holders of such Designated Senior Indebtedness necessary to terminate such period or from their representative. No new Payment Blockage Period may be commenced unless and until 365 days have elapsed since the effectiveness of the immediately preceding Payment Blockage Notice. However, if any Payment Blockage Notice within such 365-day period is given by or on behalf of any holders of Designated Senior Indebtedness (other than the agent under the Senior Credit Facilities), the agent under the Senior Credit Facilities may give another Payment Blockage Notice within such period. In no event, however, shall the total number of days during which any Payment Blockage Period or Periods is in effect exceed 179 days in the aggregate during any 365 consecutive day period. No Non-Payment Default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been cured or waived for a period of not less than 90 days.

SECTION 4.04 *Acceleration of Payment of Securities.*

If payment of the Securities of any series is accelerated because of an Event of Default, the Issuer or the Trustee shall promptly notify the holders of the Designated Senior Indebtedness (or their Representative) of the acceleration. If any Designated Senior Indebtedness is outstanding, the Issuer shall not pay the Securities until five Business Days after such holders or the Representative of the Designated Senior Indebtedness receive notice of such acceleration and, thereafter, shall pay the Securities only if this Article Four otherwise permits payment at that time.

SECTION 4.05 *When Distribution Must Be Paid Over.*

If a distribution is made to Holders that because of this Article Four should not have been made to them, the Holders who receive the distribution shall hold it in trust for holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 4.06 *Subrogation.*

After all Senior Indebtedness of the Issuer is paid in full and until the Securities are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Four to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on such Senior Indebtedness.

SECTION 4.07 *Relative Rights.*

This Article Four defines the relative rights of Holders and holders of Senior Indebtedness of the Issuer. Nothing in this Indenture shall:

- (1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of and interest on and liquidated damages in respect of, the Securities in accordance with their terms; or

(2) prevent the Trustee or any Holder from exercising its available remedies upon the occurrence of an Event of Default, subject to the rights of holders of Senior Indebtedness of the Issuer to receive distributions otherwise payable to Holders.

SECTION 4.08 *Subordination May Not Be Impaired by Issuer.*

No right of any holder of Senior Indebtedness of the Issuer to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Issuer or by its failure to comply with this Indenture.

SECTION 4.09 *Rights of Trustee and Paying Agent.*

Notwithstanding Section 4.03, the Trustee or Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article Four. The Issuer, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of the Issuer may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of the Issuer has a Representative, only the Representative may give the notice.

The Trustee in its individual or any other capacity may hold Senior Indebtedness of the Issuer with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Four with respect to any Senior Indebtedness of the Issuer which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Four shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

SECTION 4.10 *Distribution or Notice to Representative.*

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of the Issuer, the distribution may be made and the notice given to their Representative (if any).

SECTION 4.11 *Article Four Not to Prevent Events of Default or Limit Right to Accelerate.*

The failure to make a payment pursuant to the Securities by reason of any provision in this Article Four shall not be construed as preventing the occurrence of an Event of Default. Nothing in this Article Four shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities.

SECTION 4.12 *Trust Moneys Not Subordinated.*

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article 5 by the Trustee for the payment of principal of and interest on the Securities shall not be subordinated to the prior payment of any Senior Indebtedness of the Issuer or subject to the restrictions set forth in this Article Four, and none of the Holders shall be obligated to pay over any such amount to the Issuer or any holder of Senior Indebtedness of the Issuer or any other creditor of the Issuer.

SECTION 4.13 *Trustee Entitled to Rely.*

Upon any payment or distribution pursuant to this Article Four, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 4.02 are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives for the holders of Senior Indebtedness of the Issuer for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the

holders of such Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Four. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Issuer to participate in any payment or distribution pursuant to this Article Four, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Four, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.03 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Four.

SECTION 4.14 Trustee to Effectuate Subordination.

Each Holder by accepting a Security of any series authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of the Issuer as provided in this Article Four and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 4.15 Trustee Not Fiduciary for Holders of Senior Indebtedness.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Issuer and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Issuer or any other Person, money or assets to which any holders of Senior Indebtedness of the Issuer shall be entitled by virtue of this Article Four or otherwise.

SECTION 4.16 Reliance by Holders of Senior Indebtedness on Subordination Provisions.

(a) Each Holder by accepting a Security of any series acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

(b) Without in any way limiting the generality of paragraph (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article Four or the obligations hereunder of the Holders to the holders of Senior Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (3) release any Person liable in any manner for the collection of Senior Indebtedness; and (4) exercise or refrain from exercising any rights against the Issuer, any Guarantor or any other Person.

SECTION 4.17 Trustee's Compensation Not Prejudiced.

Nothing in this Article Four shall apply to amounts due to the Trustee pursuant to other sections of this Indenture.

SECTION 4.18 *Defeasance.*

The terms of this Article Four shall not apply to payments from money or the proceeds of U.S. Government Securities held in trust by the Trustee for the payment of principal of and interest on the Securities pursuant to the provisions described in Section 5.03.

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer or any Guarantor, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer or any Guarantor has paid or caused to be paid all other sums payable hereunder by the Issuer or any Guarantor; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer and each Guarantor to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's or any Guarantor's obligations, as the case may be, with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer and each Guarantor under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Section 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clauses (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt provided that (except as required

by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article Seven, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or any Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the written request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; provided that, if the Issuer or any Guarantor has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer, any Significant Subsidiary or any Guarantor in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer or any Guarantor by the Trustee or to the Issuer or any Guarantor and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Parent Guarantor, the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or
- (6) the commencement by the Parent Guarantor, the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary

of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Parent Guarantor, the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by any Guarantor not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the Indenture and any such Guarantee; or

(8) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer or a Guarantor (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding; *provided, however*, that payment of principal of (and premium, if any) and interest on the Securities of such series shall remain subordinated to the extent provided in Article Four.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer or a Guarantor and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer or any Guarantor has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

SECTION 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

(1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,

(2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or

(3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer, any Guarantor or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer, any Guarantor or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, any Guarantor or any other obligor upon the Securities or the property of the Issuer, any Guarantor or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or

composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 Trustee May Enforce Claims without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 Application of Money Collected.

Subject to the provisions of Article Four, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 Limitation on Suits.

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment (subject to the provisions of Article Four) of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 *Waiver of Past Defaults.*

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer and each Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.01 *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however,* that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further,* that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term

"default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or any Guarantor mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Guarantor, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, a Guarantor or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have actual knowledge in accordance with this paragraph; and

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer or any Guarantor, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer or any Guarantor of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer or any Guarantor, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer or such Guarantor with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer and the Guarantors agree, jointly and severally,

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer and the Guarantors under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust

Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 Corporate Trustee Required; Eligibility.

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee at the expense of the Issuer may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer, any Guarantor or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer or any Guarantor by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to

the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 *Acceptance of Appointment by Successor.*

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer, any Guarantor or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, each Guarantor, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance,

shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer, any Guarantor or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 7.12 *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association to which all or substantially all of the corporate trust business of the Trustee may be sold or otherwise transferred, shall be the successor trustee hereunder without any further act. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13 *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

ARTICLE EIGHT

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND ISSUER

SECTION 8.01 *Issuer to Furnish Trustee Names and Addresses of Holders.*

The Issuer will furnish or cause to be furnished to the Trustee

(a) semi-annually, either (i) not later than June 1 and November 1 in each year in the case of Original Issue Discount Securities of any series which by their terms do not bear interest prior to Maturity, or (ii) not more than 15 days after each Regular Record Date in the case of Securities of any other series, a list, each in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the preceding June 1 or November 1 or as of such Regular Record Date, as the case may be; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that so long as the Trustee is the Security Registrar with respect to Securities of any series, no such lists need be furnished.

SECTION 8.02 *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 8.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 8.03 *Reports by Trustee to Holders.*

Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Securities remain outstanding, the Trustee shall (at the expense of the Issuer) mail to the Holders of the Securities a brief report dated as of such reporting date that complies with Section 313(a) of the Trust Indenture Act (but if no event described in Section 313(a) of the Trust Indenture Act has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Section 313(b)(2) of the Trust Indenture Act. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act.

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Securities are listed in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall promptly notify the Trustee when the Securities are listed on any stock exchange and thereafter shall promptly file all reports with the SEC and such stock exchange as are required to be filed by the rules and regulations of the SEC and of such stock exchange.

ARTICLE NINE

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 9.01 *Merger, Consolidation, etc. Only on Certain Terms.*

Neither the Issuer nor any of the Guarantors shall consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the Issuer or such Guarantor, as the case may be, shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer or such Guarantor, as the case may be, is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer or such Guarantor, as the case may be, substantially as an entirety shall be (A) in the case of the Issuer or any Guarantor other than the Parent Guarantor, a Person organized and existing under the laws of England and Wales or (B) in the case of the Parent Guarantor, under the laws of any United States jurisdiction, any state thereof, Bermuda, England and Wales or any country that is a member of the European Monetary Union and was a member of the European Monetary Union on January 1, 2004 and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Issuer or any of the Guarantors, as the case

may be, under this Indenture and the Securities and immediately after such transaction no Event of Default shall have happened or be continuing; and

(2) the Issuer or such Guarantor, as the case may be, has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger into a Person organized other than under the laws of Bermuda by the Parent Guarantor or the conveyance, transfer or lease by the Parent Guarantor of its properties and assets substantially as an entirety to a Person organized other than under the laws of Bermuda, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

SECTION 9.02 *Successor Corporation Substituted.*

Upon any consolidation by the Issuer or any of the Guarantors, as the case may be, with or merger by the Issuer or such Guarantor into any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer or such Guarantor substantially as an entirety in accordance with Section 9.01, the successor Person formed by such consolidation or into which the Issuer or such Guarantor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor, as the case may be, under this Indenture with the same effect as if such successor Person had been named as the Issuer or such Guarantor herein, and thereafter, except in the case of a lease, the predecessor corporation shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer and each Guarantor, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Issuer or any Guarantor and the assumption by any such successor of the covenants of the Issuer or any Guarantor herein and in the Securities (pursuant to Article Nine, if applicable); or

(2) to add to the covenants of the Issuer or any Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer or any Guarantor; or

(3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or

(4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2)

of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or

(5) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or

(6) to secure the Securities; or

(7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions arising under this Indenture, provided such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer and each Guarantor each when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot

be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer, each Guarantor and the Trustee of any supplemental indenture pursuant to Section 10.02, the Issuer shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer or any Guarantor shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer or any Guarantor (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying

Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer or any Guarantor (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer, any Guarantor or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer, any Guarantor or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer or any Guarantor in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer or any Guarantor on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer or any Guarantor) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer or any such Guarantor for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer or any such Guarantor as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, each of the Issuer and the Parent Guarantor will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Parent Guarantor will, and will cause each Significant Subsidiary that is a Subsidiary of the Parent Guarantor to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Parent Guarantor or any such Significant Subsidiary or upon the income, profits or property of the Parent Guarantor or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Parent Guarantor or any such Significant Subsidiary; *provided, however*, that none of the Parent Guarantor nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by Parent Guarantor.*

The Parent Guarantor shall:

(1) file with the Trustee, within 15 days after the Parent Guarantor is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Parent Guarantor may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Parent Guarantor is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Parent Guarantor with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Parent Guarantor pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Parent Guarantor's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer and each Guarantor will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE TWELVE

REDEMPTION OF SECURITIES

SECTION 12.01 *Applicability of Article.*

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 12.02 *Election to Redeem; Notice to Trustee.*

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

SECTION 12.03 *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for

redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer. No such notice shall be given at any time when the Issuer or the Trustee shall have received notice that there exists a default specified in the first paragraph of Section 4.03 or that such a default will exist at the date fixed for such redemption or as a result of such redemption.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10 a.m. New York City time, on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer or any Guarantor is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and

accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; provided that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

**IMMUNITY OF INCORPORATORS, STOCKHOLDERS,
OFFICERS AND DIRECTORS**

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer, any Guarantor or of any successor Person, either directly or through the Issuer or any Guarantor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer or any Guarantor, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer, any Guarantor or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer, any Guarantor or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer or the Parent Guarantor, in each case by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of

"Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

ARTICLE SIXTEEN

GUARANTEE OF SECURITIES

SECTION 16.01 *Guarantee.*

Except as otherwise set forth in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities and subject to the provisions of this Article Sixteen, each Guarantor hereby jointly and severally unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (a) the full and punctual payment of principal of and interest on and liquidated damages in respect of the

Securities when due, whether on the Stated Maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer under this Indenture (including all obligations of the Issuer to the Trustee under this Indenture) and the Securities and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article Sixteen notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives (to the extent that it may lawfully do so) (a) presentation to, demand of, payment from and protest to the Issuer of any of the Guaranteed Obligations, (b) notice of protest for nonpayment and (c) notice of any default under Securities of any series or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities of any series or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 16.02(b).

Each Guarantor hereby waives (to the extent that it may lawfully do so) (x) any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed, (y) any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder and (z) any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives (to the extent that it may lawfully do so) any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

The Guarantee of each Guarantor is, to the extent and in the manner set forth in Section 4.01(b), subordinated and subject in right of payment to the prior payment in full of the principal of and premium, if any, and interest on all Senior Indebtedness of the relevant Guarantor and is made subject to such provisions of this Indenture.

Except as expressly set forth in Sections 5.02 and 16.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to

any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal or of interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations and all obligations to which the Guaranteed Obligations are subordinated pursuant to Section 4.01(b). Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article Six, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 16.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 16.01.

SECTION 16.02 *Limitation on Liability.*

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum, aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) This Guarantee as to any Guarantor (other than the Parent Guarantor) shall terminate and be of no further force or effect and such Guarantor shall be deemed to be released from all obligations under this Article Sixteen and Section 9.02 upon (i) the merger or consolidation of such Guarantor with or into any Person other than the Issuer or a Subsidiary or Affiliate of the Issuer where such Guarantor is not the surviving entity of such consolidation or merger or (ii) the sale, exchange or transfer to any Person not an Affiliate of the Issuer of all the Capital Stock in, or all or substantially all the assets of, such Guarantor, *provided however*, that in the case of (i) and (ii) above, such merger, consolidation, sale, exchange or transfer is made in accordance with Section 9.01 and the successor Person or transferee has assumed all of the obligations of such Guarantor under this Indenture and the Securities. This Guarantee also shall be automatically released upon the release or discharge of the

Indebtedness that results in the creation of such Guarantee, as the case may be. At the request of the Issuer, the Trustee shall execute and deliver an appropriate instrument evidencing such release.

SECTION 16.03 *Successors and Assigns.*

This Article Sixteen shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities of any series shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 16.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Sixteen shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article Sixteen at law, in equity, by statute or otherwise.

SECTION 16.05 *Modification.*

No modification, amendment or waiver of any provision of this Article Sixteen, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

(16) the Reporting Date of the Securities of the series; and

(17) any other terms of a particular series and any other provisions expressing or referring to the terms and conditions upon which the Securities of that series are to be issued, which terms and provisions are not in conflict with the provisions of this Indenture or do not adversely affect the rights of Holders of any other series of Securities then Outstanding); *provided, however*, that the addition to or subtraction from or variation of Articles Four, Five, Six, Nine, Eleven, Thirteen and Sixteen (and Section 1.01 insofar as it relates to the definition of certain terms as used in such Articles) with regard to the Securities of a particular series shall not be deemed to constitute a conflict with the provisions of those Articles.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to such Board Resolution and set forth in such Officers' Certificate or in any such indenture supplemental hereto. All Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series without the consent of the Holders thereof.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be subordinated in right of payment to Senior Indebtedness as provided in Article Four. The Securities of all series shall rank on a parity in right of payment.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be fully and unconditionally guaranteed, jointly and severally, by each Guarantor as provided in Article Sixteen.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer or the applicable Guarantor and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

SECTION 3.02 *Denominations.*

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03 *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed on behalf of the Issuer by its Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind such Person notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If any Security shall be represented by a permanent Global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security.

In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon the documents specified in Section 314 of the Trust Indenture Act, and, in addition:

- (1) a Board Resolution relating thereto, and if applicable, an appropriate record of any action taken pursuant to such Board Resolution, certified by the Secretary or Assistant Secretary of the Issuer or any Guarantor, if applicable;
- (2) an executed supplemental indenture, if any; and
- (3) an Opinion of Counsel which shall state:
 - (A) that the form and terms of such Securities have been established by or pursuant to Board Resolutions, by a supplemental indenture or by both such resolution or resolutions and such supplemental indenture in conformity with the provisions of this Indenture;
 - (B) that the supplemental indenture, if any, when executed and delivered by the Issuer, any Guarantor and the Trustee, will constitute a valid and legally binding obligation of the Issuer and such Guarantor; and
 - (C) that such Securities, when authenticated and delivered by the Trustee and issued by the Issuer and any Guarantor in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Issuer and each such Guarantor, if applicable, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles, and will be entitled to the benefits of this Indenture.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution

and the Officers' Certificate otherwise required pursuant to Section 3.01 or the Board Resolution and Opinion of Counsel otherwise required pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series, if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and each Guarantor evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depository for such Global Security or Securities or the nominee of such Depository, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depository's instruction, and (iv) unless otherwise provided for, the Securities of such series pursuant to Section 3.01, shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depository designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depository for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depository for the Securities of such series or if at any time the Depository for Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depository eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depository for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depositary. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

- (i) to each Person specified by the Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and
- (ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer and each Guarantor, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 Payment of Interest; Interest Rights Preserved.

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if,

after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, any Guarantor, the Trustee or any agent of the Issuer, any Guarantor or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer or any Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or such Guarantor may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer or any such Guarantor shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

SUBORDINATION OF SECURITIES

SECTION 4.01 *Agreement To Subordinate.*

(a) The Issuer agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Issuer and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Securities shall in all respects rank *pari passu* with all other Subordinated Indebtedness of the Issuer; and only Indebtedness of the Issuer that is Senior Indebtedness of the Issuer shall rank senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

(b) Each Guarantor agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Guarantees is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantor and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Guarantees shall in all respects rank *pari passu* with all other Subordinated Indebtedness of the Issuer; and only Indebtedness of the Guarantor that is Senior Indebtedness of such Guarantor shall rank senior to the Guarantees in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

SECTION 4.02 *Liquidation, Dissolution, Bankruptcy.*

Upon any distribution to creditors of the Issuer in a liquidation or dissolution of the Issuer or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Issuer or its property, an assignment for the benefit of creditors or any marshaling of the Issuer's assets and liabilities, the holders of Senior Indebtedness shall be entitled to receive payment in full in cash or Cash Equivalents of such Senior Indebtedness and all outstanding Letter of Credit Obligations shall be fully cash collateralized before the Holders shall be entitled to receive any payment with respect to the Securities, and until all Senior Indebtedness is paid in full in cash or Cash Equivalents, any distribution to which the Holders would be entitled shall be made to the holders of Senior Indebtedness (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01).

SECTION 4.03 *Default on Senior Indebtedness.*

The Issuer shall not make any payment upon or in respect of the Securities (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01) until all Senior Indebtedness has been paid in full in cash or Cash Equivalents if (i) a default in the payment of the principal of, premium, if any, or interest on, or of unreimbursed amounts under drawn letters of credit or in respect of bankers' acceptances or fees relating to letters of credit or bankers' acceptances constituting, Designated Senior Indebtedness occurs and is continuing beyond any applicable period of grace in the indenture, agreement or other document governing such Designated Senior Indebtedness (a "Payment Default") or (ii) any other default occurs and is continuing with respect to Designated Senior Indebtedness that permits holders of the Designated Senior Indebtedness as to which such default relates to accelerate its maturity without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods (a

"Non-Payment Default") and the Trustee receives a notice of such default (a "Payment Blockage Notice") from a representative of holders of such Designated Senior Indebtedness. Payments on the Securities, including any missed payments, may and shall be resumed (a) in the case of a Payment Default, upon the date on which such default is cured or waived or shall have ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents and all outstanding Letter of Credit Obligations shall have been fully cash collateralized and (b) in case of a Non-Payment Default, the earlier of (x) the date on which such nonpayment default is cured or waived, (y) 179 days after the date on which the applicable Payment Blockage Notice is received (each such period, the "Payment Blockage Period") or (z) the date such Payment Blockage Period shall be terminated by written notice to the Trustee from the requisite holders of such Designated Senior Indebtedness necessary to terminate such period or from their representative. No new Payment Blockage Period may be commenced unless and until 365 days have elapsed since the effectiveness of the immediately preceding Payment Blockage Notice. However, if any Payment Blockage Notice within such 365-day period is given by or on behalf of any holders of Designated Senior Indebtedness (other than the agent under the Senior Credit Facilities), the agent under the Senior Credit Facilities may give another Payment Blockage Notice within such period. In no event, however, shall the total number of days during which any Payment Blockage Period or Periods is in effect exceed 179 days in the aggregate during any 365 consecutive day period. No Non-Payment Default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been cured or waived for a period of not less than 90 days.

SECTION 4.04 *Acceleration of Payment of Securities.*

If payment of the Securities of any series is accelerated because of an Event of Default, the Issuer or the Trustee shall promptly notify the holders of the Designated Senior Indebtedness (or their Representative) of the acceleration. If any Designated Senior Indebtedness is outstanding, the Issuer shall not pay the Securities until five Business Days after such holders or the Representative of the Designated Senior Indebtedness receive notice of such acceleration and, thereafter, shall pay the Securities only if this Article Four otherwise permits payment at that time.

SECTION 4.05 *When Distribution Must Be Paid Over.*

If a distribution is made to Holders that because of this Article Four should not have been made to them, the Holders who receive the distribution shall hold it in trust for holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 4.06 *Subrogation.*

After all Senior Indebtedness of the Issuer is paid in full and until the Securities are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Four to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on such Senior Indebtedness.

SECTION 4.07 *Relative Rights.*

This Article Four defines the relative rights of Holders and holders of Senior Indebtedness of the Issuer. Nothing in this Indenture shall:

- (1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of and interest on and liquidated damages in respect of, the Securities in accordance with their terms; or

(2) prevent the Trustee or any Holder from exercising its available remedies upon the occurrence of an Event of Default, subject to the rights of holders of Senior Indebtedness of the Issuer to receive distributions otherwise payable to Holders.

SECTION 4.08 *Subordination May Not Be Impaired by Issuer.*

No right of any holder of Senior Indebtedness of the Issuer to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Issuer or by its failure to comply with this Indenture.

SECTION 4.09 *Rights of Trustee and Paying Agent.*

Notwithstanding Section 4.03, the Trustee or Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article Four. The Issuer, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of the Issuer may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of the Issuer has a Representative, only the Representative may give the notice.

The Trustee in its individual or any other capacity may hold Senior Indebtedness of the Issuer with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Four with respect to any Senior Indebtedness of the Issuer which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Four shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

SECTION 4.10 *Distribution or Notice to Representative.*

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of the Issuer, the distribution may be made and the notice given to their Representative (if any).

SECTION 4.11 *Article Four Not to Prevent Events of Default or Limit Right to Accelerate.*

The failure to make a payment pursuant to the Securities by reason of any provision in this Article Four shall not be construed as preventing the occurrence of an Event of Default. Nothing in this Article Four shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities.

SECTION 4.12 *Trust Moneys Not Subordinated.*

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article Five by the Trustee for the payment of principal of and interest on the Securities shall not be subordinated to the prior payment of any Senior Indebtedness of the Issuer or subject to the restrictions set forth in this Article Four, and none of the Holders shall be obligated to pay over any such amount to the Issuer or any holder of Senior Indebtedness of the Issuer or any other creditor of the Issuer.

SECTION 4.13 *Trustee Entitled to Rely.*

Upon any payment or distribution pursuant to this Article Four, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 4.02 are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives for the holders of Senior Indebtedness of the Issuer for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the

holders of such Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Four. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Issuer to participate in any payment or distribution pursuant to this Article Four, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Four, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.03 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Four.

SECTION 4.14 Trustee to Effectuate Subordination.

Each Holder by accepting a Security of any series authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of the Issuer as provided in this Article Four and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 4.15 Trustee Not Fiduciary for Holders of Senior Indebtedness.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Issuer and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Issuer or any other Person, money or assets to which any holders of Senior Indebtedness of the Issuer shall be entitled by virtue of this Article Four or otherwise.

SECTION 4.16 Reliance by Holders of Senior Indebtedness on Subordination Provisions.

(a) Each Holder by accepting a Security of any series acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

(b) Without in any way limiting the generality of paragraph (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article Four or the obligations hereunder of the Holders to the holders of Senior Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (3) release any Person liable in any manner for the collection of Senior Indebtedness; and (4) exercise or refrain from exercising any rights against the Issuer, any Guarantor or any other Person.

SECTION 4.17 Trustee's Compensation Not Prejudiced.

Nothing in this Article Four shall apply to amounts due to the Trustee pursuant to other sections of this Indenture.

SECTION 4.18 *Defeasance.*

The terms of this Article Four shall not apply to payments from money or the proceeds of U.S. Government Securities held in trust by the Trustee for the payment of principal of and interest on the Securities pursuant to the provisions described in Section 5.03.

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer or any Guarantor, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer or any Guarantor has paid or caused to be paid all other sums payable hereunder by the Issuer or any Guarantor; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer and each Guarantor to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's or any Guarantor's obligations, as the case may be, with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer and each Guarantor under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Section 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clauses (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required

by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article Seven, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or any Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; *provided* that, if the Issuer or any Guarantor has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer, any Significant Subsidiary or any Guarantor in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer or any Guarantor by the Trustee or to the Issuer or any Guarantor and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Parent Guarantor, the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or
- (6) the commencement by the Parent Guarantor, the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary

of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Parent Guarantor, the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by any Guarantor not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the Indenture and any such Guarantee; or

(8) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer or a Guarantor (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding; *provided, however*, that payment of principal of (and premium, if any) and interest on the Securities of such series shall remain subordinated to the extent provided in Article Four.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer or a Guarantor and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer or any Guarantor has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

SECTION 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

(1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,

(2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or

(3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer, any Guarantor or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer, any Guarantor or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, any Guarantor or any other obligor upon the Securities or the property of the Issuer, any Guarantor or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

(iii) and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or

composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 Trustee May Enforce Claims without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 Application of Money Collected.

Subject to the provisions of Article Four, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 Limitation on Suits.

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment (subject to the provisions of Article Four) of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided* that

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 *Waiver of Past Defaults.*

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer and each Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.01 *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however,* that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further,* that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term

"default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or any Guarantor mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Guarantor, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, a Guarantor or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have actual knowledge in accordance with this paragraph; and

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer or any Guarantor, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer or any Guarantor of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer or any Guarantor, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer or such Guarantor with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer and the Guarantors agree, jointly and severally,

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer and the Guarantors under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust

Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 Corporate Trustee Required; Eligibility.

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer, any Guarantor or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer or any Guarantor by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be

appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 *Acceptance of Appointment by Successor.*

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer, any Guarantor or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, each Guarantor, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to

the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer, any Guarantor or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 7.12 *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13 *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

ARTICLE EIGHT

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND ISSUER

SECTION 8.01 *Issuer to Furnish Trustee Names and Addresses of Holders.*

The Issuer will furnish or cause to be furnished to the Trustee

(a) semi-annually, either (i) not later than June 1 and November 1 in each year in the case of Original Issue Discount Securities of any series which by their terms do not bear interest prior to Maturity, or (ii) not more than 15 days after each Regular Record Date in the case of Securities of any other series, a list, each in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the preceding June 1 or November 1 or as of such Regular Record Date, as the case may be; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that so long as the Trustee is the Security Registrar with respect to Securities of any series, no such lists need be furnished.

SECTION 8.02 *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 8.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 8.03 *Reports by Trustee to Holders.*

Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Securities remain outstanding, the Trustee shall (at the expense of the Issuer) mail to the Holders of the Securities a brief report dated as of such reporting date that complies with Section 313(a) of the Trust Indenture Act (but if no event described in Section 313(a) of the Trust Indenture Act has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Section 313(b)(2) of the Trust Indenture Act. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act.

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Securities are listed in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall promptly notify the Trustee when the Securities are listed on any stock exchange and thereafter shall promptly file all reports with the SEC and such stock exchange as are required to be filed by the rules and regulations of the SEC and of such stock exchange.

ARTICLE NINE

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 9.01 *Merger, Consolidation, etc. Only on Certain Terms.*

Neither the Issuer nor any of the Guarantors shall consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the Issuer or such Guarantor, as the case may be, shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer or such Guarantor, as the case may be, is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer or such Guarantor, as the case may be, substantially as an entirety shall be (A) in the case of the Issuer or any Guarantor other than the Parent Guarantor, a Person organized and existing under the laws of England and Wales or (B) in the case of the Parent Guarantor, under the laws of any United States jurisdiction, any state thereof, Bermuda, England and Wales or any country that is a member of the European Monetary Union and was a member of the European Monetary Union on January 1, 2004 and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Issuer or any of the Guarantors, as the case

may be, under this Indenture and the Securities and immediately after such transaction no Event of Default shall have happened or be continuing; and

(2) the Issuer or such Guarantor, as the case may be, has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger into a Person organized other than under the laws of Bermuda by the Parent Guarantor or the conveyance, transfer or lease by the Parent Guarantor of its properties and assets substantially as an entirety to a Person organized other than under the laws of Bermuda, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

SECTION 9.02 *Successor Corporation Substituted.*

Upon any consolidation by the Issuer or any of the Guarantors, as the case may be, with or merger by the Issuer or such Guarantor into any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer or such Guarantor substantially as an entirety in accordance with Section 9.01, the successor Person formed by such consolidation or into which the Issuer or such Guarantor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor, as the case may be, under this Indenture with the same effect as if such successor Person had been named as the Issuer or such Guarantor herein, and thereafter, except in the case of a lease, the predecessor corporation shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer and each Guarantor, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Issuer or any Guarantor and the assumption by any such successor of the covenants of the Issuer or any Guarantor herein and in the Securities (pursuant to Article Nine, if applicable); or

(2) to add to the covenants of the Issuer or any Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer or any Guarantor; or

(3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or

(4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2)

of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or

(5) to change or eliminate any of the provisions of this Indenture, *provided* that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or

(6) to secure the Securities; or

(7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions arising under this Indenture, *provided* such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer and each Guarantor each when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot

be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer, each Guarantor and the Trustee of any supplemental indenture pursuant to Section 10.02, the Issuer shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer or any Guarantor shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer or any Guarantor (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying

Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer or any Guarantor (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer, any Guarantor or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer, any Guarantor or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer or any Guarantor in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer or any Guarantor on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer or any Guarantor) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer or any such Guarantor for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer or any such Guarantor as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, each of the Issuer and the Parent Guarantor will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Parent Guarantor will, and will cause each Significant Subsidiary that is a Subsidiary of the Parent Guarantor to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Parent Guarantor or any such Significant Subsidiary or upon the income, profits or property of the Parent Guarantor or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Parent Guarantor or any such Significant Subsidiary; *provided, however*, that none of the Parent Guarantor nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by Parent Guarantor.*

The Parent Guarantor shall:

(1) file with the Trustee, within 15 days after the Parent Guarantor is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Parent Guarantor may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Parent Guarantor is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Parent Guarantor with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Parent Guarantor pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Parent Guarantor's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer and each Guarantor will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE TWELVE

REDEMPTION OF SECURITIES

SECTION 12.01 *Applicability of Article.*

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 12.02 *Election to Redeem; Notice to Trustee.*

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of less than all the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

SECTION 12.03 *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for

redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer. No such notice shall be given at any time when the Issuer or the Trustee shall have received notice that there exists a default specified in the first paragraph of Section 4.03 or that such a default will exist at the date fixed for such redemption or as a result of such redemption.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10:00 a.m. New York City time on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer or any Guarantor is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and

accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

**IMMUNITY OF INCORPORATORS, STOCKHOLDERS,
OFFICERS AND DIRECTORS**

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer, any Guarantor or of any successor Person, either directly or through the Issuer or any Guarantor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer or any Guarantor, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer, any Guarantor or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer, any Guarantor or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer or the Parent Guarantor, in each case by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of

"Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

ARTICLE SIXTEEN

GUARANTEE OF SECURITIES

SECTION 16.01 *Guarantee.*

Except as otherwise set forth in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities and subject to the provisions of this Article Sixteen, each Guarantor hereby jointly and severally unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (a) the full and punctual payment of principal of and interest on and liquidated damages in respect of the

Securities when due, whether on the Stated Maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer under this Indenture (including all obligations of the Issuer to the Trustee under this Indenture) and the Securities and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article Sixteen notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives (to the extent that it may lawfully do so) (a) presentation to, demand of, payment from and protest to the Issuer of any of the Guaranteed Obligations, (b) notice of protest for nonpayment and (c) notice of any default under Securities of any series or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities of any series or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 16.02(b).

Each Guarantor hereby waives (to the extent that it may lawfully do so) (x) any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed, (y) any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder and (z) any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives (to the extent that it may lawfully do so) any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

The Guarantee of each Guarantor is, to the extent and in the manner set forth in Section 4.01(b), subordinated and subject in right of payment to the prior payment in full of the principal of and premium, if any, and interest on all Senior Indebtedness of the relevant Guarantor and is made subject to such provisions of this Indenture.

Except as expressly set forth in Sections 5.02 and 16.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to

any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal or of interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations and all obligations to which the Guaranteed Obligations are subordinated pursuant to Section 4.01(b). Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article Six, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 16.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 16.01.

SECTION 16.02 *Limitation on Liability.*

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum, aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) This Guarantee as to any Guarantor (other than the Parent Guarantor) shall terminate and be of no further force or effect and such Guarantor shall be deemed to be released from all obligations under this Article Sixteen and Section 9.02 upon (i) the merger or consolidation of such Guarantor with or into any Person other than the Issuer or a Subsidiary or Affiliate of the Issuer where such Guarantor is not the surviving entity of such consolidation or merger or (ii) the sale, exchange or transfer to any Person not an Affiliate of the Issuer of all the Capital Stock in, or all or substantially all the assets of, such Guarantor, *provided however*, that in the case of (i) and (ii) above, such merger, consolidation, sale, exchange or transfer is made in accordance with Section 9.01 and the successor Person or transferee has assumed all of the obligations of such Guarantor under this Indenture and the Securities. This Guarantee also shall be automatically released upon the release or discharge of the

Indebtedness that results in the creation of such Guarantee, as the case may be. At the request of the Issuer, the Trustee shall execute and deliver an appropriate instrument evidencing such release.

SECTION 16.03 *Successors and Assigns.*

This Article Sixteen shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities of any series shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 16.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Sixteen shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article Sixteen at law, in equity, by statute or otherwise.

SECTION 16.05 *Modification.*

No modification, amendment or waiver of any provision of this Article Sixteen, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

ARTICLE SEVENTEEN

SECTION 1.13 *Legal Holidays.*

In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal of (and premium, if any) or interest, if any, on such Security need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity, *provided* that no additional interest shall accrue with respect to the payment due on such date for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

ARTICLE TWO

SECTION 2.01 *Forms Generally.*

The Securities of each series shall be in substantially the form established from time to time by or pursuant to a Board Resolution or in one or more indentures supplemental hereto, in each case with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or as may, consistently herewith, be determined by the officers executing such Securities, as evidenced by their execution of such Securities. Any portion of the text of any Security may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Security. If the form of Securities of any series is established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Issuer Order contemplated by Section 3.03 for the authentication and delivery of such Securities. Any such Board Resolution or record of such action shall have attached thereto a true and correct copy of the form of Security referred to therein approved by or pursuant to such Board Resolution.

The Trustee's certificate of authentication shall be in substantially the form set forth in this Article.

The definitive Securities shall be printed, lithographed or engraved on steel engraved borders or may be produced in any other manner, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

SECTION 2.02 *Form of Trustee's Certificate of Authentication.*

The Trustee's certificate of authentication on all Securities shall be in substantially the following form:

SECTION 2.03 *Securities in Global Form.*

If any Security of a series is issuable in global form (a "Global Security"), such Global Security may provide that it shall represent the aggregate amount of Outstanding Securities from time to time endorsed thereon and may also provide that the aggregate amount of Outstanding Securities represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of Outstanding Securities represented thereby shall be made by the Trustee and in such manner as shall be specified in such Global Security. Any instructions by the Issuer with respect to a Global Security, after its initial issuance, shall be in writing but need not comply with Section 1.02.

Global Securities may be issued in either temporary or permanent form. Permanent Global Securities will be issued in definitive form.

ARTICLE THREE

THE SECURITIES

SECTION 3.01 *Amount Unlimited; Issuable in Series.*

The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture is unlimited.

The Securities may be issued in one or more series. There shall be established in or pursuant to a Board Resolution, and set forth in an Officers' Certificate, of the Issuer and each Guarantor or established in one or more indentures supplemental hereto, prior to the issuance of Securities of any series,

- (1) the title of the Securities of the series (which shall distinguish the Securities of the series from all other Securities);
- (2) the aggregate principal amount of the Securities of such series and any limit upon the aggregate principal amount of the Securities of the series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other securities of the series pursuant to Section 3.04, 3.05, 3.06, 10.06 or 12.07);
- (3) the date or dates on which the principal (and premium, if any) of the Securities of the series is payable or the method of determination thereof;

of determination thereof, the Interest Payment Dates on which such interest shall be payable and the Regular Record Date for the interest payable on any Interest Payment Date;

- (5) the Paying Agent or Paying Agents for the Securities of the series if other than the Trustee;
- (6) the Place of Payment of the Securities of the series;
- (7) if other than U.S. Dollars, the foreign currency or currencies in which Securities of the series shall be denominated or in which payment of the principal of (and premium, if any) or interest on Securities of the series may be made, and the particular provisions applicable thereto and, if applicable, the amount of the Securities of the series which entitles the Holder of a Security of the series or its proxy to one vote for purposes of Section 15.06;
- (8) the right, if any, of the Issuer to redeem the Securities of such series and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series may be redeemed, in whole or in part, at the option of the Issuer;
- (9) the obligation, if any, of the Issuer to redeem or purchase Securities of the series pursuant to any sinking fund or analogous provisions or at the option of a Holder thereof and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;
- (10) if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which Securities of the series shall be issuable;
- (11) whether the Securities of the series shall be issued in whole or in part in the form of one or more Global Securities and, in such case, the depository (the "Depository") for such Global Security or Securities; and the manner in which and the circumstances under which Global Securities representing Securities of the series may be exchanged for Securities in definitive form, if other than, or in addition to, the manner and circumstances specified in Section 3.05(b);
- (12) if other than the principal amount thereof, the portion of the principal amount of Securities of the series which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 6.02;
- (13) if the provisions of Section 5.02 of this Indenture are to apply to the Securities of the series, a statement indicating the same;

- (15) the form of the Securities of the series;
- (16) the Reporting Date of the Securities of the series; and
- (17) any other terms of a particular series and any other provisions expressing or referring to the terms and conditions upon which the Securities of that series are to be issued, which terms and provisions are not in conflict with the provisions of this Indenture or do not adversely affect the rights of Holders of any other series of Securities then Outstanding); *provided, however*, that the addition to or subtraction from or variation of Articles Four, Five, Six, Nine, Eleven, Thirteen and Sixteen (and Section 1.01 insofar as it relates to the definition of certain terms as used in such Articles) with regard to the Securities of a particular series shall not be deemed to constitute a conflict with the provisions of those Articles.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to such Board Resolution and set forth in such

Officers' Certificate or in any such indenture supplemental hereto. All Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series without the consent of the Holders thereof.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be subordinated in right of payment to Senior Indebtedness as provided in Article Four. The Securities of all series shall rank on a parity in right of payment.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be fully and unconditionally guaranteed, jointly and severally, by each Guarantor as provided in Article Sixteen.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer or the applicable Guarantor and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

SECTION 3.02 *Denominations.*

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03 *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed on behalf of the Issuer by its Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind such Person notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If any Security shall be represented by a permanent Global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security.

In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon the documents specified in Section 314 of the Trust Indenture Act, and, in addition:

- (1) a Board Resolution relating thereto, and if applicable, an appropriate record of any action taken pursuant to such Board Resolution, certified by the Secretary or Assistant Secretary of the Issuer or any Guarantor, if applicable;
- (2) an executed supplemental indenture, if any; and

(3) an Opinion of Counsel which shall state:

(A) that the form and terms of such Securities have been established by or pursuant to Board Resolutions, by a supplemental indenture or by both such resolution or resolutions and such supplemental indenture in conformity with the provisions of this Indenture;

(B) that the supplemental indenture, if any, when executed and delivered by the Issuer, any Guarantor and the Trustee, will constitute a valid and legally binding obligation of the Issuer and such Guarantor; and

(C) that such Securities, when authenticated and delivered by the Trustee and issued by the Issuer and any Guarantor in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Issuer and each such Guarantor, if applicable, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles, and will be entitled to the benefits of this Indenture.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution and the Officers' Certificate otherwise required pursuant to Section 3.01 or the Board Resolution and Opinion of Counsel otherwise required pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series, if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series

shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and each Guarantor evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be

registered in the name of the Depositary for such Global Security or Securities or the nominee of such Depositary, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depositary's instruction, and (iv) shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depositary designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depositary, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depositary for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depositary for the Securities of such series or if at any time the Depositary for Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depositary eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depositary. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

- (i) to each Person specified by the Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and
- (ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this

subsection (b) shall be registered in such names and in such authorized denominations as the Depository for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer and each Guarantor, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 *Payment of Interest; Interest Rights Preserved.*

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of

Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, any Guarantor, the Trustee or any agent of the Issuer, any Guarantor or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer or any Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or such Guarantor may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer or any such Guarantor shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee

for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that, any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

SECTION 4.01 *Agreement To Subordinate.*

(a) The Issuer agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Issuer and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Securities shall in all respects rank *pari passu* with all other Senior Subordinated Indebtedness of the Issuer and shall rank senior to all existing and future Subordinated Indebtedness of the Issuer; and only Indebtedness of the Issuer that is Senior Indebtedness of the Issuer shall rank senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

(b) Each Guarantor agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Guarantees is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantor and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Guarantees shall in all respects rank *pari passu* with all other Senior Subordinated Indebtedness of the Issuer and shall rank senior to all existing and future Subordinated Indebtedness of the Issuer; and only Indebtedness of the Guarantor that is Senior Indebtedness of such Guarantor shall rank senior to the Guarantees in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

SECTION 4.02 *Liquidation, Dissolution, Bankruptcy.*

Upon any distribution to creditors of the Issuer in a liquidation or dissolution of the Issuer or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Issuer or its property, an assignment for the benefit of creditors or any marshaling of the Issuer's assets and liabilities, the holders of Senior Indebtedness shall be entitled to receive payment in full in cash or Cash Equivalents of such Senior Indebtedness and all outstanding Letter of Credit Obligations shall be fully cash collateralized before the Holders shall be entitled to receive any payment with respect to the Securities, and until all Senior Indebtedness is paid in full in cash or Cash Equivalents, any distribution to which the Holders would be entitled shall be made to the holders of Senior Indebtedness (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to

the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01).

SECTION 4.03 *Default on Senior Indebtedness.*

The Issuer shall not make any payment upon or in respect of the Securities (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01) until all Senior Indebtedness has been paid in full in cash or Cash Equivalents if (i) a default in the payment of the principal of, premium, if any, or interest on, or of unreimbursed amounts under drawn letters of credit or in respect of bankers' acceptances or fees relating to letters of credit or bankers' acceptances constituting, Designated Senior Indebtedness occurs and is continuing beyond any applicable period of grace in the indenture, agreement or other document governing such Designated Senior Indebtedness (a "Payment Default") or (ii) any other default occurs and is continuing with respect to Designated Senior Indebtedness that permits holders of the Designated Senior Indebtedness as to which such default relates to accelerate its maturity without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods (a "Non-Payment Default") and the Trustee receives a notice of such default (a "Payment Blockage Notice") from a representative of holders of such Designated Senior Indebtedness. Payments on the Securities, including any missed payments, may and shall be resumed (a) in the case of a Payment Default, upon the date on which such default is cured or waived or shall have ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents and all outstanding Letter of Credit Obligations shall have been fully cash collateralized and (b) in case of a Non-Payment Default, the earlier of (x) the date on which such nonpayment default is cured or waived, (y) 179 days after the date on which the applicable Payment Blockage Notice is received (each such period, the "Payment Blockage Period") or (z) the date such Payment Blockage Period shall be terminated by written notice to the Trustee from the requisite holders of such Designated Senior Indebtedness necessary to terminate such period or from their representative. No new Payment Blockage Period may be commenced unless and until 365 days have elapsed since the effectiveness of the immediately preceding Payment Blockage Notice. However, if any Payment Blockage Notice within such 365-day period is given by or on behalf of any holders of Designated Senior Indebtedness (other than the agent under the Senior Credit Facilities), the agent under the Senior Credit Facilities may give another Payment Blockage Notice within such period. In no event, however, shall the total number of days during which any Payment Blockage Period or Periods is in effect exceed 179 days in the aggregate during any 365 consecutive day period. No Non-Payment Default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been cured or waived for a period of not less than 90 days.

SECTION 4.04 *Acceleration of Payment of Securities.*

If payment of the Securities of any series is accelerated because of an Event of Default, the Issuer or the Trustee shall promptly notify the holders of the Designated Senior Indebtedness (or their Representative) of the acceleration. If any Designated Senior Indebtedness is outstanding, the Issuer shall not pay the Securities until five Business Days after such holders or the Representative of the Designated Senior Indebtedness receive notice of such acceleration and, thereafter, shall pay the Securities only if this Article Four otherwise permits payment at that time.

SECTION 4.05 *When Distribution Must Be Paid Over.*

If a distribution is made to Holders that because of this Article Four should not have been made to them, the Holders who receive the distribution shall hold it in trust for holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 4.06 *Subrogation.*

After all Senior Indebtedness of the Issuer is paid in full and until the Securities are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Four to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on such Senior Indebtedness.

SECTION 4.07 *Relative Rights.*

This Article Four defines the relative rights of Holders and holders of Senior Indebtedness of the Issuer. Nothing in this Indenture shall:

- (1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of and interest on and liquidated damages in respect of, the Securities in accordance with their terms; or
- (2) prevent the Trustee or any Holder from exercising its available remedies upon the occurrence of an Event of Default, subject to the rights of holders of Senior Indebtedness of the Issuer to receive distributions otherwise payable to Holders.

SECTION 4.08 *Subordination May Not Be Impaired by Issuer.*

No right of any holder of Senior Indebtedness of the Issuer to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Issuer or by its failure to comply with this Indenture.

SECTION 4.09 *Rights of Trustee and Paying Agent.*

Notwithstanding Section 4.03, the Trustee or Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article Four. The Issuer, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of the Issuer may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of the Issuer has a Representative, only the Representative may give the notice.

The Trustee in its individual or any other capacity may hold Senior Indebtedness of the Issuer with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Four with respect to any Senior Indebtedness of the Issuer which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Four shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

SECTION 4.10 *Distribution or Notice to Representative.*

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of the Issuer, the distribution may be made and the notice given to their Representative (if any).

SECTION 4.11 *Article Four Not to Prevent Events of Default or Limit Right to Accelerate.*

The failure to make a payment pursuant to the Securities by reason of any provision in this Article Four shall not be construed as preventing the occurrence of an Event of Default. Nothing in this Article Four shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities.

SECTION 4.12 *Trust Moneys Not Subordinated.*

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article 5 by the Trustee for the payment of principal of and interest on the Securities shall not be subordinated to the prior payment of any Senior Indebtedness of the Issuer or subject to the restrictions set forth in this Article Four, and none of the Holders shall be obligated to pay over any such amount to the Issuer or any holder of Senior Indebtedness of the Issuer or any other creditor of the Issuer.

SECTION 4.13 *Trustee Entitled to Rely.*

Upon any payment or distribution pursuant to this Article Four, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 4.02 are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives for the holders of Senior Indebtedness of the Issuer for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of such Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Four. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Issuer to participate in any payment or distribution pursuant to this Article Four, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Four, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.03 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Four.

SECTION 4.14 *Trustee to Effectuate Subordination.*

Each Holder by accepting a Security of any series authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of the Issuer as provided in this Article Four and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 4.15 *Trustee Not Fiduciary for Holders of Senior Indebtedness.*

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Issuer and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Issuer or any other Person, money or assets to which any holders of Senior Indebtedness of the Issuer shall be entitled by virtue of this Article Four or otherwise.

SECTION 4.16 *Reliance by Holders of Senior Indebtedness on Subordination Provisions.*

(a) Each Holder by accepting a Security of any series acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created or

acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

(b) Without in any way limiting the generality of paragraph (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article Four or the obligations hereunder of the Holders to the holders of Senior Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (3) release any Person liable in any manner for the collection of Senior Indebtedness; and (4) exercise or refrain from exercising any rights against the Issuer, any Guarantor or any other Person.

SECTION 4.17 *Trustee's Compensation Not Prejudiced.*

Nothing in this Article Four shall apply to amounts due to the Trustee pursuant to other sections of this Indenture.

SECTION 4.18 *Defeasance.*

The terms of this Article Four shall not apply to payments from money or the proceeds of U.S. Government Securities held in trust by the Trustee for the payment of principal of and interest on the Securities pursuant to the provisions described in Section 5.03.

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer or any Guarantor, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer or any Guarantor has paid or caused to be paid all other sums payable hereunder by the Issuer or any Guarantor; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer and each Guarantor to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's or any Guarantor's obligations, as the case may be, with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer and each Guarantor under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Section 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 3.01 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event

resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clauses (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, *provided* that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article Seven, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or any Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the written request of the Issuer and at the expense of the Issuer, cause to be

published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; *provided that*, if the Issuer or any Guarantor has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer, any Significant Subsidiary or any Guarantor in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer or any Guarantor by the Trustee or to the Issuer or any Guarantor and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Parent

Guarantor, the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or

(6) the commencement by the Parent Guarantor, the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Parent Guarantor, the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by any Guarantor not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the Indenture and any such Guarantee; or

(8) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer or a Guarantor (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding; *provided, however*, that payment of principal of (and premium, if any) and interest on the Securities of such series shall remain subordinated to the extent provided in Article Four.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer or a Guarantor and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer or any Guarantor has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

SECTION 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

(1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,

(2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or

(3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer, any Guarantor or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer, any Guarantor or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, any Guarantor or any other obligor upon the Securities or the property of the Issuer, any Guarantor or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 *Trustee May Enforce Claims without Possession of Securities.*

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 *Application of Money Collected.*

Subject to the provisions of Article Four, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been

collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 *Limitation on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment (subject to the provisions of Article Four) of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided* that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture,
- (2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and
- (3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 *Waiver of Past Defaults.*

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

- (1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or
- (2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including

reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer and each Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.01 *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount

of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however*, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and provided, further, that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or any Guarantor mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such

Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Guarantor, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, a Guarantor or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph; and

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer or any Guarantor, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer or any Guarantor of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer or any Guarantor, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer or such Guarantor with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer and the Guarantors agree, jointly and severally,

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in

accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer and the Guarantors under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 *Corporate Trustee Required; Eligibility.*

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee at the expense of the Issuer may petition any court of

competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer, any Guarantor or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer or any Guarantor by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 *Acceptance of Appointment by Successor.*

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer, any Guarantor or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, each Guarantor, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer, any Guarantor or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 7.12 *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association to which all or substantially all of the corporate trust business of the Trustee may be sold or otherwise transferred, shall be the successor trustee hereunder without any further act. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities

so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13 *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

ARTICLE EIGHT

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND ISSUER

SECTION 8.01 *Issuer to Furnish Trustee Names and Addresses of Holders.*

The Issuer will furnish or cause to be furnished to the Trustee

(a) semi-annually, either (i) not later than June 1 and November 1 in each year in the case of Original Issue Discount Securities of any series which by their terms do not bear interest prior to Maturity, or (ii) not more than 15 days after each Regular Record Date in the case of Securities of any other series, a list, each in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the preceding June 1 or November 1 or as of such Regular Record Date, as the case may be; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that so long as the Trustee is the Security Registrar with respect to Securities of any series, no such lists need be furnished.

SECTION 8.02 *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 8.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

(2) the Issuer or such Guarantor, as the case may be, has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger into a Person organized other than under the laws of Bermuda by the Parent Guarantor or the conveyance, transfer or lease by the Parent Guarantor of its properties and assets substantially as an entirety to a Person organized other than under the laws of Bermuda, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

SECTION 9.02 *Successor Corporation Substituted.*

(1) Upon any consolidation by the Issuer or any of the Guarantors, as the case may be, with or merger by the Issuer or such Guarantor into any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer or such Guarantor substantially as an entirety in accordance with Section 9.01, the successor Person formed by such consolidation or into which the

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer and each Guarantor, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) to evidence the succession of another Person to the Issuer or any Guarantor and the assumption by any such successor of the covenants of the Issuer or any Guarantor herein and in the Securities (pursuant to Article Nine, if applicable); or
- (2) to add to the covenants of the Issuer or any Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer or any Guarantor; or
- (3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or
- (4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2) of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or
- (5) to change or eliminate any of the provisions of this Indenture, *provided* that, any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or
- (6) to secure the Securities; or
- (7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or
- (8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or
- (9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions

arising under this Indenture, provided such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer and each Guarantor each when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall

not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer, each Guarantor and the Trustee of any supplemental indenture pursuant to Section 10.02, the Issuer shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission

shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer or any Guarantor shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer or any Guarantor (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer or any Guarantor (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer, any Guarantor or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer, any Guarantor or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer or any Guarantor in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer or any Guarantor on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer or any Guarantor) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer or any such Guarantor for payment thereof, and all

liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer or any such Guarantor as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, each of the Issuer and the Parent Guarantor will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Parent Guarantor will, and will cause each Significant Subsidiary that is a Subsidiary of the Parent Guarantor to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Parent Guarantor or any such Significant Subsidiary or upon the income, profits or property of the Parent Guarantor or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Parent Guarantor or any such Significant Subsidiary; *provided, however*, that none of the Parent Guarantor nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the

fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by Parent Guarantor.*

The Parent Guarantor shall:

(1) file with the Trustee, within 15 days after the Parent Guarantor is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Parent Guarantor may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Parent Guarantor is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Parent Guarantor with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Parent Guarantor pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Parent Guarantor's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer and each Guarantor will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE TWELVE

REDEMPTION OF SECURITIES

SECTION 12.01 *Applicability of Article.*

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 12.02 *Election to Redeem; Notice to Trustee.*

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of less than all the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

SECTION 12.03 *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,

- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer. No such notice shall be given at any time when the Issuer or the Trustee shall have received notice that there exists a default specified in the first paragraph of Section 4.03 or that such a default will exist at the date fixed for such redemption or as a result of such redemption.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10 a.m., New York time, on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer or any Guarantor is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name

of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer, any Guarantor or of any successor Person, either directly or through the Issuer or any Guarantor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer or any Guarantor, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer, any Guarantor or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer, any Guarantor or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of

Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer or the Parent Guarantor, in each case by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is

scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

ARTICLE SIXTEEN

GUARANTEE OF SECURITIES

SECTION 16.01 *Guarantee.*

Except as otherwise set forth in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities and subject to the provisions of this Article Sixteen, each Guarantor hereby jointly and severally unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (a) the full and punctual payment of principal of and interest on and liquidated damages in respect of the Securities when due, whether on the Stated Maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer under this Indenture (including all obligations of the Issuer to the Trustee under this Indenture) and the Securities and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article Sixteen notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives (to the extent that it may lawfully do so) (a) presentation to, demand of, payment from and protest to the Issuer of any of the Guaranteed Obligations, (b) notice of protest for nonpayment and (c) notice of any default under Securities of any series or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities of any series or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 16.02(b).

Each Guarantor hereby waives (to the extent that it may lawfully do so) (x) any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed, (y) any right to which it may be

entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder and (z) any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives (to the extent that it may lawfully do so) any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

The Guarantee of each Guarantor is, to the extent and in the manner set forth in Section 4.01(b), subordinated and subject in right of payment to the prior payment in full of the principal of and premium, if any, and interest on all Senior Indebtedness of the relevant Guarantor and is made subject to such provisions of this Indenture.

Except as expressly set forth in Sections 5.02 and 16.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations and all obligations to which the Guaranteed Obligations are subordinated pursuant to Section 4.01(b). Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (y) in the event of any declaration of

acceleration of such Guaranteed Obligations as provided in Article Six, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 16.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 16.01.

SECTION 16.02 *Limitation on Liability.*

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum, aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) This Guarantee as to any Guarantor (other than the Parent Guarantor) shall terminate and be of no further force or effect and such Guarantor shall be deemed to be released from all obligations under this Article Sixteen and Section 9.02 upon (i) the merger or consolidation of such Guarantor with or into any Person other than the Issuer or a Subsidiary or Affiliate of the Issuer where such Guarantor is not the surviving entity of such consolidation or merger or (ii) the sale, exchange or transfer to any Person not an Affiliate of the Issuer of all the Capital Stock in, or all or substantially all the assets of, such Guarantor, *provided however*, that in the case of (i) and (ii) above, such merger, consolidation, sale, exchange or transfer is made in accordance with Section 9.01 and the successor Person or transferee has assumed all of the obligations of such Guarantor under this Indenture and the Securities. This Guarantee also shall be automatically released upon the release or discharge of the Indebtedness that results in the creation of such Guarantee, as the case may be. At the request of the Issuer, the Trustee shall execute and deliver an appropriate instrument evidencing such release.

SECTION 16.03 *Successors and Assigns.*

This Article Sixteen shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities of any series shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 16.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Sixteen shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article Sixteen at law, in equity, by statute or otherwise.

SECTION 16.05 *Modification.*

No modification, amendment or waiver of any provision of this Article Sixteen, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 1.04 *Acts of Holders.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing or by the record of the Holders voting in favor thereof at any meeting of such Holders duly called and held in accordance with the provisions of Article Fifteen; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or any such record is delivered to the Trustee and, where it is hereby expressly required, to the Issuer or any Guarantor. Such instrument or instruments or such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments or voting at such meeting. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee, the Issuer and any Guarantor if made in the manner provided in this Section. The record of any meeting of Holders of Securities shall be proved in the manner provided in Section 15.07

and the record so proved shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee, the Issuer and any Guarantor, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof, or may be proved in such other manner as shall be deemed sufficient by the Trustee. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The ownership of Securities shall be proved by the Security Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

(e) The Issuer or the Trustee, as applicable, may set a date for the purpose of determining the Holders of Securities entitled to consent, vote or take any other action referred to in this Section 1.04, which date shall be not less than 10 days nor more than 60 days prior to the taking of the consent, vote or other action.

SECTION 1.05 *Notices, etc. to Trustee and Issuer.*

Any request, demand, authorization, direction, notice, consent, waiver or Act of the Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Issuer or any Guarantor shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office and, unless otherwise herein expressly provided, any such document shall be deemed to be sufficiently made, given, furnished or filed upon its receipt by a Responsible Officer of the Trustee, or

(2) the Issuer or any Guarantor by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the Issuer addressed to it at:

One Century Place
26 Century Boulevard
Nashville, TN 37214

or to any Guarantor addressed to it at:

Ten Trinity Square
London EC3P 3AX
England

or at any other address or addresses previously furnished in writing to the Trustee by the Issuer or such Guarantor.

SECTION 1.06 *Notice to Holders; Waiver.*

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 1.07 *Conflict with Trust Indenture Act.*

If any provision hereof limits, qualifies or conflicts with the duties imposed by any of Sections 310 to 317, inclusive, of the Trust Indenture Act through operation of Section 318(c), such imposed duties shall control.

SECTION 1.08 *Effect of Headings and Table of Contents.*

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 1.09 *Successors and Assigns.*

All covenants and agreements in this Indenture by the Issuer or any Guarantor shall bind their successors and assigns, whether so expressed or not.

SECTION 1.10 *Separability Clause.*

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 1.11 *Benefits of Indenture.*

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Holders and to the extent provided in Article Four the holders of Senior Indebtedness, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.12 *Governing Law.*

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

SECTION 1.13 *Legal Holidays.*

In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal of (and premium, if any) or interest, if any, on such Security need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as

if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity, *provided* that no additional interest shall accrue with respect to the payment due on such date for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

ARTICLE TWO

SECURITY FORMS

SECTION 2.01 *Forms Generally.*

The Securities of each series shall be in substantially the form established from time to time by or pursuant to a Board Resolution or in one or more indentures supplemental hereto, in each case with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or as may, consistently herewith, be determined by the officers executing such Securities, as evidenced by their execution of such Securities. Any portion of the text of any Security may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Security. If the form of Securities of any series is established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Issuer Order contemplated by Section 3.03 for the authentication and delivery of such Securities. Any such Board Resolution or record of such action shall have attached thereto a true and correct copy of the form of Security referred to therein approved by or pursuant to such Board Resolution.

The Trustee's certificate of authentication shall be in substantially the form set forth in this Article.

The definitive Securities shall be printed, lithographed or engraved on steel engraved borders or may be produced in any other manner, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

SECTION 2.02 *Form of Trustee's Certificate of Authentication.*

The Trustee's certificate of authentication on all Securities shall be in substantially the following form:

This is one of the Securities of the series designated therein issued under the within-mentioned Indenture.

JP Morgan Chase Bank, N.A., as Trustee

By:

Authorized Officer

SECTION 2.03 *Securities in Global Form.*

If any Security of a series is issuable in global form (a "Global Security"), such Global Security may provide that it shall represent the aggregate amount of Outstanding Securities from time to time endorsed thereon and may also provide that the aggregate amount of Outstanding Securities represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of Outstanding Securities represented thereby shall be made by the Trustee and in such manner as shall be specified in such Global Security. Any instructions by the Issuer with respect to a Global Security, after its initial issuance, shall be in writing but need not comply with Section 1.02.

Global Securities may be issued in either temporary or permanent form. Permanent Global Securities will be issued in definitive form.

ARTICLE THREE

THE SECURITIES

SECTION 3.01 *Amount Unlimited; Issuable in Series.*

The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture is unlimited.

The Securities may be issued in one or more series. There shall be established in or pursuant to a Board Resolution, and set forth in an Officers' Certificate, of the Issuer and each Guarantor or established in one or more indentures supplemental hereto, prior to the issuance of Securities of any series,

- (1) the title of the Securities of the series (which shall distinguish the Securities of the series from all other Securities);
- (2) the aggregate principal amount of the Securities of such series and any limit upon the aggregate principal amount of the Securities of the series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other securities of the series pursuant to Section 3.04, 3.05, 3.06, 10.06 or 12.07);
- (3) the date or dates on which the principal (and premium, if any) of the Securities of the series is payable or the method of determination thereof;
- (4) the rate or rates (which may be fixed or variable), or the method of determination thereof, at which the Securities of the series shall bear interest, if any, including the rate of interest applicable on overdue payments of principal or interest, if different from the rate of interest stated in the title of the Security, the date or dates from which such interest shall accrue or the method of determination thereof, the Interest Payment Dates on which such interest shall be payable and the Regular Record Date for the interest payable on any Interest Payment Date;
- (5) the Paying Agent or Paying Agents for the Securities of the series if other than the Trustee;
- (6) the Place of Payment of the Securities of the series;
- (7) if other than U.S. Dollars, the foreign currency or currencies in which Securities of the series shall be denominated or in which payment of the principal of (and premium, if any) or interest on Securities of the series may be made, and the particular provisions applicable thereto and, if applicable, the amount of the Securities of the series which entitles the Holder of a Security of the series or its proxy to one vote for purposes of Section 15.06;
- (8) the right, if any, of the Issuer to redeem the Securities of such series and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series may be redeemed, in whole or in part, at the option of the Issuer;
- (9) the obligation, if any, of the Issuer to redeem or purchase Securities of the series pursuant to any sinking fund or analogous provisions or at the option of a Holder thereof and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;
- (10) if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which Securities of the series shall be issuable;

(11) whether the Securities of the series shall be issued in whole or in part in the form of one or more Global Securities and, in such case, the depository (the "Depository") for such Global Security or Securities; and the manner in which and the circumstances under which Global Securities representing Securities of the series may be exchanged for Securities in definitive form, if other than, or in addition to, the manner and circumstances specified in Section 3.05(b);

(12) if other than the principal amount thereof, the portion of the principal amount of Securities of the series which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 6.02;

(13) if the provisions of Section 5.02 of this Indenture are to apply to the Securities of the series, a statement indicating the same;

(14) any deletions from or modifications of or additions to the Events of Default set forth in Section 6.01 pertaining to the Securities of the series;

(15) the form of the Securities of the series;

(16) the Reporting Date of the Securities of the series; and

(17) any other terms of a particular series and any other provisions expressing or referring to the terms and conditions upon which the Securities of that series are to be issued, which terms and provisions are not in conflict with the provisions of this Indenture or do not adversely affect the rights of Holders of any other series of Securities then Outstanding); *provided, however*, that the addition to or subtraction from or variation of Articles Four, Five, Six, Nine, Eleven, Thirteen and Sixteen (and Section 1.01 insofar as it relates to the definition of certain terms as used in such Articles) with regard to the Securities of a particular series shall not be deemed to constitute a conflict with the provisions of those Articles.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to such Board Resolution and set forth in such Officers' Certificate or in any such indenture supplemental hereto. All Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series without the consent of the Holders thereof.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be subordinated in right of payment to Senior Indebtedness as provided in Article Four. The Securities of all series shall rank on a parity in right of payment.

Except as modified in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities, the Securities shall be fully and unconditionally guaranteed, jointly and severally, by each Guarantor as provided in Article Sixteen.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer or the applicable Guarantor and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

SECTION 3.02 *Denominations.*

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03 *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed on behalf of the Issuer by its Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind such Person notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If any Security shall be represented by a permanent Global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security.

In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon the documents specified in Section 314 of the Trust Indenture Act, and, in addition:

- (1) a Board Resolution relating thereto, and if applicable, an appropriate record of any action taken pursuant to such Board Resolution, certified by the Secretary or Assistant Secretary of the Issuer or any Guarantor, if applicable;
- (2) an executed supplemental indenture, if any; and
- (3) an Opinion of Counsel which shall state:
 - (A) that the form and terms of such Securities have been established by or pursuant to Board Resolutions, by a supplemental indenture or by both such resolution or resolutions and such supplemental indenture in conformity with the provisions of this Indenture;
 - (B) that the supplemental indenture, if any, when executed and delivered by the Issuer, any Guarantor and the Trustee, will constitute a valid and legally binding obligation of the Issuer and such Guarantor; and
 - (C) that such Securities, when authenticated and delivered by the Trustee and issued by the Issuer and any Guarantor in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Issuer and each such Guarantor, if applicable, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles, and will be entitled to the benefits of this Indenture.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution

and the Officers' Certificate otherwise required pursuant to Section 3.01 or the Board Resolution and Opinions of Counsel otherwise require pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series, if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04 *Temporary Securities.*

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05 *Registration, Registration of Transfer and Exchange Global Securities Representing the Securities.*

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and each Guarantor evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 10.06 or 12.07 not involving any transfer.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 12.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depository for such Global Security or Securities or the nominee of such Depository, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depository's instruction, and (iv) unless otherwise provided for, the Securities of such Series pursuant to Section 3.01, shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depository designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation.

If at any time the Depository for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depository for the Securities of such series or if at any time the Depository for Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depository eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depository for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depositary. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

- (i) to each Person specified by the Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and
- (ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

SECTION 3.06 *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer and each Guarantor, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07 Payment of Interest; Interest Rights Preserved.

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if,

after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08 *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, any Guarantor, the Trustee or any agent of the Issuer, any Guarantor or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer or any Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or such Guarantor may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures unless directed by an Issuer Order. The acquisition of any Securities by the Issuer or any such Guarantor shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10 *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11 *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

SUBORDINATION OF SECURITIES

SECTION 4.01 *Agreement To Subordinate.*

(a) The Issuer agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Issuer and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Securities shall in all respects rank *pari passu* with all other Subordinated Indebtedness of the Issuer; and only Indebtedness of the Issuer that is Senior Indebtedness of the Issuer shall rank senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

(b) Each Guarantor agrees, and each Holder by accepting a Security of any series agrees, that the Indebtedness evidenced by the Guarantees is subordinated in right of payment, to the extent and in the manner provided in this Article Four, to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantor and that the subordination is for the benefit of and enforceable by the holders of such Senior Indebtedness. The Guarantees shall in all respects rank *pari passu* with all other Subordinated Indebtedness of the Issuer; and only Indebtedness of the Guarantor that is Senior Indebtedness of such Guarantor shall rank senior to the Guarantees in accordance with the provisions set forth herein. All provisions of this Article Four shall be subject to Section 4.12.

SECTION 4.02 *Liquidation, Dissolution, Bankruptcy.*

Upon any distribution to creditors of the Issuer in a liquidation or dissolution of the Issuer or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Issuer or its property, an assignment for the benefit of creditors or any marshaling of the Issuer's assets and liabilities, the holders of Senior Indebtedness shall be entitled to receive payment in full in cash or Cash Equivalents of such Senior Indebtedness and all outstanding Letter of Credit Obligations shall be fully cash collateralized before the Holders shall be entitled to receive any payment with respect to the Securities, and until all Senior Indebtedness is paid in full in cash or Cash Equivalents, any distribution to which the Holders would be entitled shall be made to the holders of Senior Indebtedness (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01).

SECTION 4.03 *Default on Senior Indebtedness.*

The Issuer shall not make any payment upon or in respect of the Securities (except that Holders may receive (i) shares of stock and any debt securities that are subordinated at least to the same extent as the Securities to (a) Senior Indebtedness and (b) any securities issued in exchange for Senior Indebtedness and (ii) payments and other distributions made from the trusts described in Section 5.01) until all Senior Indebtedness has been paid in full in cash or Cash Equivalents if (i) a default in the payment of the principal of, premium, if any, or interest on, or of unreimbursed amounts under drawn letters of credit or in respect of bankers' acceptances or fees relating to letters of credit or bankers' acceptances constituting, Designated Senior Indebtedness occurs and is continuing beyond any applicable period of grace in the indenture, agreement or other document governing such Designated Senior Indebtedness (a "Payment Default") or (ii) any other default occurs and is continuing with respect to Designated Senior Indebtedness that permits holders of the Designated Senior Indebtedness as to which such default relates to accelerate its maturity without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods (a

"Non-Payment Default") and the Trustee receives a notice of such default (a "Payment Blockage Notice") from a representative of holders of such Designated Senior Indebtedness. Payments on the Securities, including any missed payments, may and shall be resumed (a) in the case of a Payment Default, upon the date on which such default is cured or waived or shall have ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents and all outstanding Letter of Credit Obligations shall have been fully cash collateralized and (b) in case of a Non-Payment Default, the earlier of (x) the date on which such nonpayment default is cured or waived, (y) 179 days after the date on which the applicable Payment Blockage Notice is received (each such period, the "Payment Blockage Period") or (z) the date such Payment Blockage Period shall be terminated by written notice to the Trustee from the requisite holders of such Designated Senior Indebtedness necessary to terminate such period or from their representative. No new Payment Blockage Period may be commenced unless and until 365 days have elapsed since the effectiveness of the immediately preceding Payment Blockage Notice. However, if any Payment Blockage Notice within such 365-day period is given by or on behalf of any holders of Designated Senior Indebtedness (other than the agent under the Senior Credit Facilities), the agent under the Senior Credit Facilities may give another Payment Blockage Notice within such period. In no event, however, shall the total number of days during which any Payment Blockage Period or Periods is in effect exceed 179 days in the aggregate during any 365 consecutive day period. No Non-Payment Default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been cured or waived for a period of not less than 90 days.

SECTION 4.04 *Acceleration of Payment of Securities.*

If payment of the Securities of any series is accelerated because of an Event of Default, the Issuer or the Trustee shall promptly notify the holders of the Designated Senior Indebtedness (or their Representative) of the acceleration. If any Designated Senior Indebtedness is outstanding, the Issuer shall not pay the Securities until five Business Days after such holders or the Representative of the Designated Senior Indebtedness receive notice of such acceleration and, thereafter, shall pay the Securities only if this Article Four otherwise permits payment at that time.

SECTION 4.05 *When Distribution Must Be Paid Over.*

If a distribution is made to Holders that because of this Article Four should not have been made to them, the Holders who receive the distribution shall hold it in trust for holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

SECTION 4.06 *Subrogation.*

After all Senior Indebtedness of the Issuer is paid in full and until the Securities are paid in full, Holders shall be subrogated to the rights of holders of such Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Four to holders of such Senior Indebtedness which otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on such Senior Indebtedness.

SECTION 4.07 *Relative Rights.*

This Article Four defines the relative rights of Holders and holders of Senior Indebtedness of the Issuer. Nothing in this Indenture shall:

- (1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of and interest on and liquidated damages in respect of, the Securities in accordance with their terms; or

(2) prevent the Trustee or any Holder from exercising its available remedies upon the occurrence of an Event of Default, subject to the rights of holders of Senior Indebtedness of the Issuer to receive distributions otherwise payable to Holders.

SECTION 4.08 *Subordination May Not Be Impaired by Issuer.*

No right of any holder of Senior Indebtedness of the Issuer to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Issuer or by its failure to comply with this Indenture.

SECTION 4.09 *Rights of Trustee and Paying Agent.*

Notwithstanding Section 4.03, the Trustee or Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to it that payments may not be made under this Article Four. The Issuer, the Registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness of the Issuer may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of the Issuer has a Representative, only the Representative may give the notice.

The Trustee in its individual or any other capacity may hold Senior Indebtedness of the Issuer with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Four with respect to any Senior Indebtedness of the Issuer which may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Four shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

SECTION 4.10 *Distribution or Notice to Representative.*

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of the Issuer, the distribution may be made and the notice given to their Representative (if any).

SECTION 4.11 *Article Four Not to Prevent Events of Default or Limit Right to Accelerate.*

The failure to make a payment pursuant to the Securities by reason of any provision in this Article Four shall not be construed as preventing the occurrence of an Event of Default. Nothing in this Article Four shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities.

SECTION 4.12 *Trust Moneys Not Subordinated.*

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article Five by the Trustee for the payment of principal of and interest on the Securities shall not be subordinated to the prior payment of any Senior Indebtedness of the Issuer or subject to the restrictions set forth in this Article Four, and none of the Holders shall be obligated to pay over any such amount to the Issuer or any holder of Senior Indebtedness of the Issuer or any other creditor of the Issuer.

SECTION 4.13 *Trustee Entitled to Rely.*

Upon any payment or distribution pursuant to this Article Four, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 4.02 are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives for the holders of Senior Indebtedness of the Issuer for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the

holders of such Senior Indebtedness and other Indebtedness of the Issuer, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Four. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Issuer to participate in any payment or distribution pursuant to this Article Four, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Four, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.03 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Four.

SECTION 4.14 Trustee to Effectuate Subordination.

Each Holder by accepting a Security of any series authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of the Issuer as provided in this Article Four and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 4.15 Trustee Not Fiduciary for Holders of Senior Indebtedness.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Issuer and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Issuer or any other Person, money or assets to which any holders of Senior Indebtedness of the Issuer shall be entitled by virtue of this Article Four or otherwise.

SECTION 4.16 Reliance by Holders of Senior Indebtedness on Subordination Provisions.

(a) Each Holder by accepting a Security of any series acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of the Issuer, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

(b) Without in any way limiting the generality of paragraph (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article Four or the obligations hereunder of the Holders to the holders of Senior Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (3) release any Person liable in any manner for the collection of Senior Indebtedness; and (4) exercise or refrain from exercising any rights against the Issuer, any Guarantor or any other Person.

SECTION 4.17 Trustee's Compensation Not Prejudiced.

Nothing in this Article Four shall apply to amounts due to the Trustee pursuant to other sections of this Indenture.

SECTION 4.18 *Defeasance.*

The terms of this Article Four shall not apply to payments from money or the proceeds of U.S. Government Securities held in trust by the Trustee for the payment of principal of and interest on the Securities pursuant to the provisions described in Section 5.03.

ARTICLE FIVE

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 5.01 *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer,

and the Issuer or any Guarantor, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Issuer or any Guarantor has paid or caused to be paid all other sums payable hereunder by the Issuer or any Guarantor; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer and each Guarantor to the Trustee under Section 7.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the obligations of the Trustee under Section 5.03 and the last paragraph of Section 11.03 shall survive.

SECTION 5.02 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officers' Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 5.03 or 5.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Five.

SECTION 5.03 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.03, the Issuer shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 5.06 and the other Sections of this Indenture referred to below in this Section 5.03, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's or any Guarantor's obligations, as the case may be, with respect to Securities of such series under Sections 3.05, 3.06, 11.02 and 11.03, (ii) rights of Holders to receive payments of the principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed outstanding), (iv) this Article Five and the obligations set forth in Section 5.06 hereof and (v) the obligations of the Issuer and each Guarantor under Section 7.07 hereof.

Subject to compliance with this Article Five, the Issuer may exercise its option under Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 5.04 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 5.02 of the option applicable to this Section 5.04, the Issuer shall be released from any obligations under the covenants contained in Sections 11.04, 11.05, 11.06, 11.08 and 11.09 hereof or established pursuant to Section 3.01 or 10.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 6.01(4) or any Event of Default specified pursuant to Section 3.01 or 10.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 5.05 *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 5.03 or Section 5.04 to the Outstanding Securities of a particular series:

(a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series), U.S. Government Obligations or a combination thereof in such amounts as will be sufficient to pay the principal of, premium, if any, and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;

(b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Five, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clauses (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required

by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 5.06 *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 5.01, 5.02, 5.04, or 5.05, the respective obligations of the Issuer and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 5.07, 5.08, 5.09 and 6.08, Article Seven, and Sections 8.01, 8.02, 11.02, 11.03 and 11.04, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Issuer and the Trustee for the Securities of a particular series with respect to that series under Sections 5.07, 5.08 and 5.09 shall survive. Nothing contained in this Article Five shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 5.07 *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 11.03, all money deposited with the Trustee pursuant to Sections 5.01 and 5.02 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or any Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 5.08 *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the principal of or interest on such Securities shall have become due and payable, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 5.09 *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 5.01 or 5.02, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 5.01 or 5.02, as the case may be; *provided that*, if the Issuer or any Guarantor has made payment of principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE SIX

REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT

SECTION 6.01 *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series (whether or not such default shall be by reason of the operation of the provisions of Article Four); or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer, any Significant Subsidiary or any Guarantor in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Issuer or any Guarantor by the Trustee or to the Issuer or any Guarantor and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Parent Guarantor, the Issuer or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or
- (6) the commencement by the Parent Guarantor, the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Parent Guarantor, the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or

taking possession by a Custodian of the Parent Guarantor, the Issuer or any Significant Subsidiary of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Parent Guarantor, the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

(7) any Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by any Guarantor not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the Indenture and any such Guarantee; or

(8) any other Event of Default provided with respect to Securities of that series.

SECTION 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 6.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer or a Guarantor (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding; *provided, however*, that payment of principal of (and premium, if any) and interest on the Securities of such series shall remain subordinated to the extent provided in Article Four.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Issuer or a Guarantor and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer or any Guarantor has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof;

and

(2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(5) or (6), all outstanding Securities shall IP SO FACTO become due and payable without further action or notice.

SECTION 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

- (1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,
- (2) default is made in the payment of the principal of (or, premium, if any, on) any Security at the Maturity thereof, or
- (3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 7.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer, any Guarantor or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer, any Guarantor or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04 *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, any Guarantor or any other obligor upon the Securities or the property of the Issuer, any Guarantor or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

- (i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation,

expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same;

(iii) and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 6.05 *Trustee May Enforce Claims without Possession of Securities.*

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.06 *Application of Money Collected.*

Subject to the provisions of Article Four, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 6.07 *Limitation on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

(2) the Holders of not less than a majority in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment (subject to the provisions of Article Four) of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided* that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture,
- (2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series, and
- (3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.13 *Waiver of Past Defaults.*

Subject to Section 6.02, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

- (1) in the payment of the principal of (or premium, if any) or interest on any Security of such series, or
- (2) in respect of a covenant or provision hereof which under Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 6.14 *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 6.15 *Waiver of Stay or Extension Laws.*

The Issuer and each Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the

Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.01 *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Section 6.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; and

(5) whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02 *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however*, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further*, that in the case of any default of the character specified in Section 6.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 7.03 *Certain Rights of Trustee.*

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or any Guarantor mentioned herein shall be sufficiently evidenced by a Issuer Request or Issuer Order or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Guarantor, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, a Guarantor or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have actual knowledge in accordance with this paragraph; and

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

SECTION 7.04 *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer or any Guarantor, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer or any Guarantor of Securities or the proceeds thereof.

SECTION 7.05 *May Hold Securities.*

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Issuer or any Guarantor, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 7.08 and 7.13, may otherwise deal with the Issuer or such Guarantor with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 7.06 *Money Held in Trust.*

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 7.07 *Compensation and Reimbursement.*

The Issuer and the Guarantors agree, jointly and severally,

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses, including reasonable attorneys' fees, of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer and the Guarantors under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

SECTION 7.08 *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.09 *Corporate Trustee Required; Eligibility.*

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having its Corporate Trust Office in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.10 *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 7.11.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 7.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 7.08(a) after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 7.09 and shall fail to resign after written request therefor by the Issuer, any Guarantor or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take

charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer or any Guarantor by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 6.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 7.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 7.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 7.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 7.11 *Acceptance of Appointment by Successor.*

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer, any Guarantor or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, each Guarantor, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if

the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer, any Guarantor or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 7.12 *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 7.13 *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

SECTION 8.02 *Preservation of Information; Communications to Holders.*

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 8.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 8.03 *Reports by Trustee to Holders.*

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Securities are listed in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall promptly notify the Trustee when the Securities are listed on any stock exchange and thereafter shall promptly file all reports with the SEC and such stock exchange as are required to be filed by the rules and regulations of the SEC and of such stock exchange.

ARTICLE NINE

SECTION 9.01 *Merger, Consolidation, etc. Only on Certain Terms.*

Neither the Issuer nor any of the Guarantors shall consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the Issuer or such Guarantor, as the case may be, shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer or such Guarantor, as the case may be, is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer or such Guarantor, as the case may be, substantially as an entirety shall be (A) in the case of the Issuer, a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, (B) in the case of any Guarantor other than the Parent Guarantor, under the laws of England and Wales; or (C) in the case of the Parent Guarantor, under the laws of any United States jurisdiction, any state thereof, Bermuda, England and Wales or any country that is a member of the European Monetary Union and was a member of the European Monetary Union on January 1, 2004 and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Issuer or any of the Guarantors, as the case may be, under this Indenture and the Securities and immediately after such transaction no Event of Default shall have happened or be continuing; and

(2) the Issuer or such Guarantor, as the case may be, has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger into a Person organized other than under the laws of Bermuda by the Parent Guarantor or the conveyance, transfer or lease by the Parent Guarantor of its properties and assets substantially as an entirety to a Person organized other than under the laws of Bermuda, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

ARTICLE TEN

SUPPLEMENTAL INDENTURES

SECTION 10.01 *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer and each Guarantor, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Issuer or any Guarantor and the assumption by any such successor of the covenants of the Issuer or any Guarantor herein and in the Securities (pursuant to Article Nine, if applicable); or

(2) to add to the covenants of the Issuer or any Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer or any Guarantor; or

(3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or

(4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2) of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or

(5) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or

(6) to secure the Securities; or

(7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.11(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions arising under this Indenture, provided such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 10.02 *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer and each Guarantor each when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the

purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 6.13 or Section 11.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 10.03 *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee in its sole discretion may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 10.04 *Effect of Supplemental Indentures.*

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.05 *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 10.06 *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 10.07 *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer, each Guarantor and the Trustee of any supplemental indenture pursuant to Section 10.02, the Issuer shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN

COVENANTS

SECTION 11.01 *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture.

SECTION 11.02 *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 11.03 *Money for Securities Payments to Be Held in Trust.*

If the Issuer or any Guarantor shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons

entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act or of any failure by the Issuer or any Guarantor (or by any other obligor on the Securities of that series) to make any payment of the principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer or any Guarantor (or any other obligor upon the Securities of that series) in the making of any payment of principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer, any Guarantor or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer, any Guarantor or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer or any Guarantor in trust for the payment of the principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer or any Guarantor on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer or any Guarantor) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer or any such Guarantor for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer or any such Guarantor as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 11.04 *Corporate Existence.*

Subject to Article Nine, each of the Issuer and the Parent Guarantor will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 11.05 *Payment of Taxes and Other Claims.*

The Parent Guarantor will, and will cause each Significant Subsidiary that is a Subsidiary of the Parent Guarantor to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Parent Guarantor or any such Significant Subsidiary or upon the income, profits or property of the Parent Guarantor or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Parent Guarantor or any such Significant Subsidiary; *provided, however*, that none of the Parent Guarantor nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 11.06 *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 11.07 *Waiver of Certain Covenants.*

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 11.04, 11.05 and 11.06 or established pursuant to Section 3.01 or 10.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 11.08 *Statement by Officers as to Default.*

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year following the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 11.08, compliance shall be determined

without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 11.09 *Reports by Parent Guarantor.*

The Parent Guarantor shall:

(1) file with the Trustee, within 15 days after the Parent Guarantor is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Parent Guarantor may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Parent Guarantor is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Parent Guarantor with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Parent Guarantor pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Parent Guarantor's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 11.10 *Further Assurances.*

From time to time whenever reasonably demanded by the Trustee, the Issuer and each Guarantor will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE TWELVE

REDEMPTION OF SECURITIES

SECTION 12.01 *Applicability of Article.*

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 12.02 *Election to Redeem; Notice to Trustee.*

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of less than all the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

SECTION 12.03 *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 12.04 *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and

(7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer. No such notice shall be given at any time when the Issuer or the Trustee shall have received notice that there exists a default specified in the first paragraph of Section 4.03 or that such a default will exist at the date fixed for such redemption or as a result of such redemption.

SECTION 12.05 *Deposit of Redemption Price.*

On or prior to 10:00 a.m. New York City time on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer or any Guarantor is acting as Paying Agent, segregate and hold in trust as provided in Section 11.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 12.06 *Securities Payable on Redemption Date.*

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 12.07 *Securities Redeemed in Part.*

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the security so surrendered. Securities in denominations larger than \$1,000 may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 12.08 *Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.*

If the Issuer, having given notice to the Trustee as provided in Section 12.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities (which amount shall be immediately due and payable to the Holders of such Securities or portions thereof), in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the

Redemption Price, together with interest accrued to the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE THIRTEEN

SINKING FUNDS

SECTION 13.01 *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 13.02 *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 13.03 *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 13.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 12.06 and 12.07.

ARTICLE FOURTEEN

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

SECTION 14.01 *Exemption from Individual Liability.*

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Issuer, any Guarantor or of any successor Person, either directly or through the Issuer or any Guarantor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer or any Guarantor, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors, as such, of the Issuer, any Guarantor or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 15.01 *Purposes of Meetings.*

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (1) to give any notice to the Issuer, any Guarantor or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Six;
- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate principal amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 15.02 *Call of Meetings by Trustee.*

The Trustee may at any time call a meeting of Holders of Securities of all or any series to take any action specified in Section 15.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of

Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 15.03 *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer or the Parent Guarantor, in each case by Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 15.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 15.02.

SECTION 15.04 *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 15.05 *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate principal amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 15.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate principal amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 15.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 15.06 *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 15.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 15.02 or 15.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 15.07 *Voting Procedure.*

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 15.02 and, if applicable, Section 15.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 15.08 *Written Consent in Lieu of Meetings.*

The written authorization or consent by the Holders of the requisite percentage in aggregate principal amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fifteen.

SECTION 15.09 *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

ARTICLE SIXTEEN

GUARANTEE OF SECURITIES

SECTION 16.01 *Guarantee.*

Except as otherwise set forth in a Board Resolution, Officers' Certificate or supplemental indenture establishing a series of Securities and subject to the provisions of this Article Sixteen, each Guarantor hereby jointly and severally unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (a) the full and punctual payment of principal of and interest on and liquidated damages in respect of the Securities when due, whether on the Stated Maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer under this Indenture (including all obligations of the Issuer to the Trustee under this Indenture) and the Securities and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article Sixteen notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives (to the extent that it may lawfully do so) (a) presentation to, demand of, payment from and protest to the Issuer of any of the Guaranteed Obligations, (b) notice of protest for nonpayment and (c) notice of any default under Securities of any series or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities of any series or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 16.02(b).

Each Guarantor hereby waives (to the extent that it may lawfully do so) (x) any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed, (y) any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such

Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder and (z) any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives (to the extent that it may lawfully do so) any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

The Guarantee of each Guarantor is, to the extent and in the manner set forth in Section 4.01(b), subordinated and subject in right of payment to the prior payment in full of the principal of and premium, if any, and interest on all Senior Indebtedness of the relevant Guarantor and is made subject to such provisions of this Indenture.

Except as expressly set forth in Sections 5.02 and 16.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations and all obligations to which the Guaranteed Obligations are subordinated pursuant to Section 4.01(b). Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article Six, such Guaranteed Obligations

(whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 16.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 16.01.

SECTION 16.02 *Limitation on Liability.*

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum, aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) This Guarantee as to any Guarantor (other than the Parent Guarantor) shall terminate and be of no further force or effect and such Guarantor shall be deemed to be released from all obligations under this Article Sixteen and Section 9.02 upon (i) the merger or consolidation of such Guarantor with or into any Person other than the Issuer or a Subsidiary or Affiliate of the Issuer where such Guarantor is not the surviving entity of such consolidation or merger or (ii) the sale, exchange or transfer to any Person not an Affiliate of the Issuer of all the Capital Stock in, or all or substantially all the assets of, such Guarantor, *provided however*, that in the case of (i) and (ii) above, such merger, consolidation, sale, exchange or transfer is made in accordance with Section 9.01 and the successor Person or transferee has assumed all of the obligations of such Guarantor under this Indenture and the Securities. This Guarantee also shall be automatically released upon the release or discharge of the Indebtedness that results in the creation of such Guarantee, as the case may be. At the request of the Issuer, the Trustee shall execute and deliver an appropriate instrument evidencing such release.

SECTION 16.03 *Successors and Assigns.*

This Article Sixteen shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities of any series shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 16.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Sixteen shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article Sixteen at law, in equity, by statute or otherwise.

SECTION 16.05 *Modification.*

No modification, amendment or waiver of any provision of this Article Sixteen, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Opinion

Based upon and subject to the foregoing and subject to the reservations set out below and to any matters not disclosed to us, we are of the opinion that:

- (1) The Company is an exempted company incorporated with limited liability and existing under the laws of Bermuda.
- (2) When duly authorised, issued, allotted and fully paid for pursuant to the Resolutions and in accordance with the Registration Statement, the Common Shares (including any Common Shares issued pursuant to any Common Share Warrants, Share Purchase Contracts, Share Purchase Units, Holdings Debt Securities, Trinity Debt Securities or Willis North America Debt Securities) will be validly issued, fully paid, non-assessable shares of the Company.

- (3) When duly authorised, issued, allotted and fully paid for, the Preferred Shares (including any Preferred Shares issued pursuant to any Preferred Share Warrants, or Share Purchase Units) will be validly issued, fully paid, non-assessable shares of the Company.
- (4) The issue of the Securities will not violate, conflict with or constitute a default under (i) any requirement of any law or any regulation of Bermuda, or (ii) the Constitutional Documents as that term is defined in paragraph 4 of the Schedule to this opinion.
- (5) There are no taxes, duties or other charges payable to or chargeable by the Government of Bermuda, or any authority or agency thereof, in respect of the issue of the Securities.

Reservations

We have the following reservations:

- (a) We express no opinion as to any law other than Bermuda law and none of the opinions expressed herein relates to compliance with or matters governed by the laws of any jurisdiction except Bermuda. This opinion is limited to Bermuda law as applied by the Courts of Bermuda at the date hereof.
- (b) Any provision in the Registration Statement that certain calculations or certificates will be conclusive and binding will not be effective if such calculations or certificates are fraudulent or erroneous on their face and will not necessarily prevent juridical enquiries into the merits of any claim by an aggrieved party.
- (c) Searches of the Register of Companies at the office of the Registrar of Companies and of the Supreme Court Causes Book at the Registry of the Supreme Court are not conclusive and it should be noted that the Register of Companies and the Supreme Court Causes Book do not reveal:
 - (i) details of matters which have been lodged for filing or registration which as a matter of best practice of the Registrar of Companies or the Registry of the Supreme Court would have or should have been disclosed on the public file, the Causes Book or the Judgment Book, as the case may be, but for whatever reason have not actually been filed or registered or are not disclosed or which, notwithstanding filing or registration, at the date and time the search is concluded are for whatever reason not disclosed or do not appear on the public file, the Causes Book or Judgment Book;
 - (ii) details of matters which should have been lodged for filing or registration at the Registrar of Companies or the Registry of the Supreme Court but have not been lodged for filing or registration at the date the search is concluded;
 - (iii) whether an application to the Supreme Court for a winding-up petition or for the appointment of a receiver or manager has been prepared but not yet been presented or has been presented but does not appear in the Causes Book at the date and time the search is concluded;
 - (iv) whether any arbitration or administrative proceedings are pending or whether any proceedings are threatened, or whether any arbitrator has been appointed; or
 - (v) whether a receiver or manager has been appointed privately pursuant to the provisions of a debenture or other security, unless notice of the fact has been entered in the Register of Charges in accordance with the provisions of the Act.

Furthermore, in the absence of a statutorily defined system for the registration of charges created by companies incorporated outside Bermuda ("**overseas companies**") over their assets located in Bermuda, it is not possible to determine definitively from searches of the Register of Charges maintained by the Registrar of Companies in respect of such overseas companies what charges

have been registered over any of their assets located in Bermuda or whether any one charge has priority over any other charge over such assets.

- (d) In order to issue this opinion we have carried out the Company Search as referred to in the Schedule of this opinion and have not enquired as to whether there has been any change since the date of such search.
- (e) In order to issue this opinion we have carried out the Litigation Search as referred to in the Schedule to this opinion and have not enquired as to whether there has been any change since the date of such search.
- (f) Any reference in this opinion to shares being "non-assessable" shall mean, in relation to fully-paid shares of the Company and subject to any contrary provision in any agreement in writing between such company and the holder of shares, that: no shareholder shall be obliged to contribute further amounts to the capital of the Company, either in order to complete payment for their shares, to satisfy claims of creditors of the Company, or otherwise; and no shareholder shall be bound by an alteration of the Memorandum of Association or Bye-Laws of the Company after the date on which he became a shareholder, if and so far as the alteration requires him to take, or subscribe for additional shares, or in any way increases his liability to contribute to the share capital of, or otherwise to pay money to, the company.

Except as stated above, without our prior written consent, this opinion may not be furnished or quoted to or relied upon by any Person for any purpose.

Further, this opinion speaks as of its date and is strictly limited to the matters stated herein and we assume no obligation to review or update this opinion if applicable laws or the existing facts or circumstances should change.

Yours faithfully

/s/ Appleby Spurling Hunter
