ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, which we refer to as the “SEC,” utilizing a shelf registration or continuous offering process. Under this shelf registration or continuous offering process, we or the Subsidiary Issuers may sell any combination of the securities described in this prospectus in one or more offerings. In this section, “we” refers only to Willis Towers Watson Public Limited Company.

This prospectus describes some of the general terms that may apply to the securities that we or the Subsidiary Issuers may offer and the general manner in which the securities may be offered. Each time we or the Subsidiary Issuers sell securities, we or the Subsidiary Issuers will provide a prospectus supplement containing specific information about the terms of the securities being offered and the manner in which they may be offered. Willis Towers Watson Public Limited Company, the Subsidiary Issuers and any underwriter or agent that we may from time to time retain may also provide you with other information relating to an offering, which we refer to as “other offering material.” A prospectus supplement or any such other offering material provided to you may include a discussion of any risk factors or other special considerations applicable to those securities or to us and may also include, if applicable, a discussion of material United States federal income tax considerations and considerations under the Employee Retirement Income Security Act of 1974, as amended, which we refer to as “ERISA.” A prospectus supplement or such other offering material may also add, update or change information in this prospectus. If there is any inconsistency between the information in this prospectus and the applicable prospectus supplement or other offering material, you must rely on the information in the prospectus supplement or other offering material. You should rely only on the information provided in this prospectus and in the applicable prospectus supplement, including the information incorporated by reference, and in other offering material, if any, provided by us or any underwriter or agent that we may from time to time retain. Reference to a prospectus supplement means the prospectus supplement describing the specific terms of the securities you purchase. The terms used in your prospectus supplement will have the meanings described in this prospectus, unless otherwise specified. Neither we nor the Subsidiary Issuers, nor any underwriters or agents whom we may from time to time retain, have authorized anyone to provide you with different information. Neither we nor the Subsidiary Issuers are offering the securities in any jurisdiction where the offer is prohibited. You should not assume that the information in this prospectus, any prospectus supplement, any document incorporated by reference, or any other offering material is truthful or complete at any date other than the date mentioned on the cover page of these documents.

We or the Subsidiary Issuers may sell securities to underwriters who will sell the securities to the public on terms fixed at the time of sale. In addition, the securities may be sold by Willis Towers Watson Public Limited Company or the Subsidiary Issuers directly or through dealers or agents designated from time to time. If Willis Towers Watson Public Limited Company or the Subsidiary Issuers, directly or through agents, solicit offers to purchase the securities, Willis Towers Watson Public Limited Company and the Subsidiary Issuers reserve the sole right to accept and, together with any agents, to reject, in whole or in part, any of those offers. - debt securities;

Our Business

Willis Towers Watson is a leading global advisory, broking and solutions company that helps clients around the world turn risk into a path for growth. Willis Towers Watson has more than 43,000 employees and services clients in more than 140 countries. We design and deliver solutions that manage risk, optimize benefits, cultivate talent, and expand the power of capital to protect and strengthen institutions and individuals. We believe our unique perspective allows us to see the critical intersections between talent, assets and ideas—the dynamic formula that drives business performance.

We offer our clients a broad range of services to help them to identify and control their risks, and to enhance business performance by improving their ability to attract, retain and engage a talented workforce. Our risk control services range from strategic risk consulting (including providing actuarial analysis), to a variety of due

diligence services, to the provision of practical on-site risk control services (such as health and safety or property loss control consulting), as well as analytical and advisory services (such as hazard modeling and reinsurance optimization studies). We assist clients in planning how to manage incidents or crises when they occur. These services include contingency planning, security audits and product tampering plans. We help our clients enhance their business performance by delivering consulting services, technology and solutions that help them anticipate, identify and capitalize on emerging opportunities in human capital management as well as offer investment advice to help them develop disciplined and efficient strategies to meet their investment goals.

As an insurance broker, we act as an intermediary between our clients and insurance carriers by advising our clients on their risk management requirements, helping them to determine the best means of managing risk and negotiating and placing insurance with insurance carriers through our global distribution network. We operate a private Medicare exchange in the U.S. Through this exchange and those for active employees, we help our clients move to a more sustainable economic model by capping and controlling the costs associated with healthcare benefits.

We are not an insurance company, and therefore we do not underwrite insurable risks for our own account.

We derive the majority of our revenue from either commissions or fees for brokerage or consulting services. We do not determine the insurance premiums on which our commissions are generally based. Commission levels generally follow the same trend as premium levels as they are derived from a percentage of the premiums paid by the insureds. Fluctuations in these premiums charged by the insurance carriers can therefore have a direct and potentially material impact on our results of operations. Our fees for consulting services are spread across a variety of complementary businesses that generally remain steady during times of uncertainty. We have some businesses, such as our health and benefits and administration businesses, which can be counter cyclical during the early period of a significant economic change.

Our colleagues serve a diverse base of clients ranging in size from large, major multinational corporations to middle-market companies in a variety of industries, public institutions, and individual clients. Many of our client relationships span decades. We work with established corporations, emerging growth companies, governmental agencies and not-for-profit institutions in a wide variety of industries.

We believe we are one of only a few global advisory, broking and solutions companies in the world possessing the global operating presence, broad product expertise and extensive distribution network necessary to effectively meet the global needs of many of our clients.

Item 15. Indemnification Of Directors And Officers**Willis Towers Watson Public Limited Company and Willis Towers Watson Sub Holdings Unlimited Company**

The Company's articles of association (the "Articles") provide that, subject to applicable law, the Company shall indemnify its directors and officers against all liabilities, loss, damage or expense incurred or suffered by such person as a director or officer. The Articles further provide that such indemnified persons shall be indemnified out of the funds of the Company against all liabilities incurred or suffered in defending any proceedings, whether civil or criminal, and the Company shall pay such amounts unless expressly prohibited by the Irish Companies Act 2014 (the "Irish Companies Act"). The Articles also require the Company, subject to the Irish Companies Act, to pay expenses incurred by a director or officer in defending any civil or criminal action or proceeding in advance of the final disposition of any such action or proceeding, provided that the indemnified person undertakes to repay the Company such amount if it is ultimately determined that such person was not entitled to indemnification. The constitution of Willis Towers Watson Sub Holdings Unlimited Company provides that, subject to the provisions of the Irish Companies Act, Willis Towers Watson Sub Holdings Unlimited Company may indemnify any of its officers against any liability incurred by him or her in defending proceedings, whether civil or criminal, in which judgment is given in his or her favour or in which he or she is acquitted, or in connection with any proceedings or application under statute for which relief is granted to him or her by the court. With regard to the Company's and Willis Towers Watson Sub Holdings Unlimited Company's indemnification of its directors and its secretary, the Irish Companies Act prescribes that an Irish company may only indemnify an officer for liability attaching to that officer which does not involve negligence, default, breach of duty or breach of trust and any liability incurred by an officer in respect of proceedings in which judgment is given in his or her favour or in which he or she is acquitted or where the court has granted relief, wholly or partially, on the basis that he or she has acted honestly and reasonably and, having regard to the circumstances of the case, ought fairly to be excused. These restrictions in the Irish Companies Act do not apply to executives who are not directors or the secretary of an Irish company. Any provision which seeks to indemnify a director or secretary of an Irish company over and above this shall be void under Irish law, whether contained in its articles of association or in any contract between the director or secretary and the Irish company.

Irish companies may take out directors' and officers' liability insurance, as well as other types of insurance, for their directors and officers. The Company maintains a directors' and officers' liability policy on behalf of itself and Willis Towers Watson Sub Holdings Unlimited Company.

The Company has entered into deeds of indemnity and indemnification agreements, respectively, with each of its directors and certain officers. These arrangements provide for the indemnification of, and advancement of expenses to, the indemnitee by such registrant, respectively, to the fullest extent permitted by law and include related provisions meant to facilitate the indemnitee's receipt of such benefits.

Willis Netherlands Holdings B.V.

Members of the Board of Managing Directors of Willis Netherlands Holdings B.V. (the "Willis Netherlands") are, to a limited extent, insured under an insurance policy against damages resulting from their conduct when acting in their capacity as members of the Board of Managing Directors of Willis Netherlands.

Under Dutch law, the following applies with respect to liability of members of the Board of Managing Directors and possible indemnifications by Willis Netherlands. As a general rule, members of the Board of Managing Directors are not liable for obligations incurred by or on behalf of Willis Netherlands. Under certain circumstances, however, they may become either jointly or severally liable, either towards Willis Netherlands or vis-à-vis third parties.

With respect to their liability vis-à-vis Willis Netherlands the following applies. As a general rule, each member of the Board of Managing Directors must properly perform the duties (*behoorlijke taakvervulling*) assigned to him or her. Failure of a member of the Board of Managing Directors in his or her duties does not automatically lead to liability. Liability is only incurred in case a director can be attributed serious blame (*ernstig verwijt*). In principle, if there is more than one director on the board, the entire board is jointly and severally liable for damages. For an individual member of the Board of Managing Directors to avoid liability, he or she has to prove that neither improper management is attributable to him or her nor that he or she was negligent in taking measures to avoid the consequences thereof. The liability of members of the Board of Managing Directors towards Willis Netherlands can be waived by a discharge (*decharge*). Discharge is generally granted by the general meeting of shareholders. Such discharge in principle only releases directors from liability for actions which have been disclosed at the general meeting or which appear from the annual accounts. A discharge does not affect the liability of the directors towards third parties or their liability to the trustee in bankruptcy.

With respect to their liability vis-à-vis third parties, there are various statutory grounds pursuant to which members of the Board of Managing Directors may be held liable towards third parties (which may be creditors of Willis Netherlands, but may, for example, also be regulators). Such grounds may, for example, be specific liability in bankruptcy, liability for tax debts, social security contributions and contributions to mandatory pension funds, liability based on tort, liability for misrepresentation in published annual accounts and personal liability of members of the Board of Managing Directors under Dutch criminal law. Depending upon the ground of the claim, the bylaws of Willis Netherlands and/or statutory requirements, Willis Netherlands may or may not have an obligation to indemnify its board of directors for loss resulting from a claim brought by a third party. Similarly, depending upon the ground of the claim, the bylaws of Willis Netherlands, and/or statutory requirements, the insurance maintained on behalf of the Directors of the Willis Netherlands board may or may not indemnify such directors for loss resulting from a claim brought by a third party.

In case of bankruptcy of Willis Netherlands, the trustee in bankruptcy- on behalf of the joint creditors—may hold each member of the Board of Managing Directors jointly and severally liable for the shortfall of the bankruptcy estate (*boedel*) of Willis Netherlands to the extent this cannot be satisfied out of the liquidation of the other assets and if (i) the Board of Managing Directors has evidently improperly performed (*kennelijk onbehoorlijk*) its duties and (ii) it is plausible that such improper performance was an important cause of the bankruptcy. Such action by the trustee on behalf of the joint creditors does not stand in the way of individual creditors also filing claims against directors.

Willis Investment UK Holdings Limited, TA I Limited, Willis Towers Watson UK Holdings Limited, Trinity Acquisition plc and Willis Group Limited

Article 58 of the articles of association of each of Willis Investment UK Holdings Limited, TA I Limited, Willis Towers Watson UK Holdings Limited, Trinity Acquisition plc and Willis Group Limited currently provides:

“(1) Subject to paragraph (2), a relevant director of the company or an associated company may be indemnified out of the company’s assets, subject to the Group directors’ and officers’ insurance policy against-

(a) any liability incurred by that director in connection with any negligence, default, breach of duty or breach of trust in relation to the company or an associated company,

(b) any liability incurred by that director in connection with the activities of the company or an associated company in its capacity as a trustee of an occupational pension scheme (as defined in section 235(6) of the Companies Act 2006),

(c) any other liability incurred by that director as an officer of the company or an associated company,

including by funding any expenditure incurred or to be incurred by him in connection with any liability referred to in this paragraph (1).

(2) This article does not authorise any indemnity which would be prohibited or rendered void by any provision of the Companies Acts or by any other provision of law

(3) In this article-

(a) an associated company means any body corporate which is or was a subsidiary of the company, or in which the company or any subsidiary of the company is or was interested, and

(b) a “relevant director” means any director or former director of the company or an associated company”

The relevant legislation is the Companies Act 2006 and the relevant provisions are Sections 205, 232, 233, 234, 235, 236, 237, 238 and 1157.

Section 205 provides that a company can provide a director with the funds to meet expenditures incurred or to be incurred by him in defending any criminal or civil proceedings in connection with any alleged negligence, default, breach of duty or breach of trust by him in relation to the company or an associated company or in connection with any application under sections 661(3) and 661(4) (acquisition of shares by innocent nominee) or section 1157 (described below). Such financial assistance must be repaid if the director is convicted, judgment is found against him or the court refuses to grant the relief on the application.

Section 232 provides that any provision to exempt to any extent a director from liability from negligence, default, breach of duty or trust by him in relation to the company is void. Any provision by which a company directly or indirectly provides (to any extent) an indemnity for a director of the company or an associated company against any such liability is also void unless it is a qualifying third party indemnity provision or indemnifies against certain matters in relation to the company acting as trustee of an occupational pension scheme.

Section 233 permits liability insurance, commonly known as directors’ and officers’ liability insurance, purchased and maintained by a company against liability for negligence, default, breach of duty or breach of trust in relation to the company.

Pursuant to Section 234, an indemnity is a qualifying third party indemnity as long as it does not provide: (i) any indemnity against any liability incurred by the director to the company or to any associated company;

[Table of Contents](#)

(ii) any indemnity against any liability incurred by the director to pay a fine imposed in criminal proceedings or a sum payable to a regulatory authority by way of a penalty in respect of non-compliance with any requirement of a regulatory nature; and (iii) any indemnity against any liability incurred by the director in defending criminal proceedings in which he is convicted, civil proceedings brought by the company or an associated company in which judgment is given against him or where the court refuses to grant him relief under an application under sections 661(3) and 661(4) (acquisition of shares by innocent nominee) or section 1157 (described below).

Section 235 allows a company to provide an indemnity to a director if the company is a trustee of an occupational person scheme, with such indemnity to protect against liability incurred in connection with the company's activities as trustee of the scheme.

Any indemnity provided under Section 234 or Section 235 in force for the benefit of one or more directors of the company must be disclosed in the directors' annual report in accordance with Section 236 and copies of such indemnification provisions made available for inspection in accordance with Section 237 (and every member has a right to inspect and request such copies under Section 238).

Section 1157 provides:

“(1) If in proceedings for negligence, default, breach of duty or breach of trust against

(a) an officer of a company, or

(b) a person employed by a company as auditor (whether he is or is not an officer of the company),

it appears to the court hearing the case that the officer or person is or may be liable but that he acted honestly and reasonably, and that having regard to all the circumstances of the case (including those connected with his appointment) he ought fairly to be excused, the court may relieve him, either wholly or in part, from his liability on such terms as it thinks fit.

“(2) If any such officer or person has reason to apprehend that a claim will or might be made against him in respect of negligence, default, breach of duty or breach of trust,

(a) he may apply to the court for relief, and

(b) the court has the same power to relieve him as it would have had if it had been a court before which proceedings against him for negligence, default, breach of duty or breach of trust had been brought.

“(3) Where a case to which subsection (1) applies is being tried by a judge with a jury, the judge, after hearing the evidence, may, if he is satisfied that the defendant (in Scotland, the defender) ought in pursuance of that subsection to be relieved either in whole or in part from the liability sought to be enforced against him, withdraw the case from the jury and forthwith direct judgment to be entered for the defendant (in Scotland, grant decree of absolvitor) on such terms as to costs (in Scotland, expenses) or otherwise as the judge may think proper.”

A court has wide discretion in granting relief, and may authorize civil proceedings to be brought in the name of the company by a shareholder on terms that the court directs. Except in these limited circumstances, English law does not generally permit class action lawsuits by shareholders on behalf of the company or on behalf of other shareholders.

The directors and officers of Willis Investment UK Holdings Limited, TA I Limited, Willis Towers Watson UK Holdings Limited, Trinity Acquisition plc and Willis Group Limited are covered by a directors' and officers' insurance policy maintained by Willis Towers Watson Public Limited Company.

Willis North America Inc.

Under Section 145 of the General Corporation Law of the State of Delaware, as amended from time to time (the “DGCL”), Willis North America Inc. is empowered to indemnify its directors and officers in the circumstances therein provided. Certain portions of Section 145 are summarized below.

Section 145(a) of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person’s conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person’s conduct was unlawful.

Section 145(b) of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145(c) of the DGCL provides that to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of this section, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith.

Section 145(d) of the DGCL provides that any indemnification under subsections (a) and (b) of this section (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b) of this section. Such determination shall be made, with respect to a person who is a director or officer of the corporation at the time of such determination, (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

Section 145(e) of the DGCL provides that expenses (including attorneys’ fees) incurred by an officer or director of the corporation in defending any civil, criminal, administrative or investigative action, suit or

Table of Contents

proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in Section 145. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents of the corporation or by persons serving at the request of the corporation as directors, officers, employees or agents of another corporation, partnership, joint venture, trust or other enterprise may be so paid upon such terms and conditions, if any, as the corporation deems appropriate.

Section 145(f) of the DGCL provides that the indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office. A right to indemnification or to advancement of expenses arising under a provision of the certificate of incorporation or a bylaw shall not be eliminated or impaired by an amendment to the certificate of incorporation or the bylaws after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or omission explicitly authorizes such elimination or impairment after such action or omission has occurred.

Section 145(g) of the DGCL provides that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under this section.

By-law Provisions on Indemnification. Article IX of the By-laws of Willis North America Inc. sets forth the extent to which the directors, officers and employees of Willis North America Inc. may be indemnified by Willis North America Inc. against liabilities which they may incur while serving in such capacity. Article IX generally provides that Willis North America Inc. shall to the fullest extent permitted by applicable law indemnify any person who is or was a director or officer of Willis North America Inc. (and to such person's heirs and legal representatives) and who is or was involved in any manner (including, without limitation, as a party or a witness) or is threatened to be made so involved in any threatened, pending or completed investigation, claim, action, suit or proceeding, whether civil, criminal, administrative or investigative (including, without limitation, any action, suit or proceeding by or in the right of Willis North America Inc. to procure a judgment in its favor) by reason of the fact that he is or was a director or officer of the Corporation or is or was serving, at the request of the Corporation, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise (including, without limitation, any employee benefit plan) against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such proceeding. Willis North America Inc. shall pay the expenses of such directors and officers incurred in connection with such proceeding in advance, provided that the director or officer makes a written undertaking to repay the amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified.

Article IX additionally generally provides that Willis North America Inc. may provide indemnification to employees and agents of Willis North America Inc. and to any person serving, at the request of Willis North America Inc., as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise (including, without limitation, any employee benefit plan) in the same manner and with the same scope and effect as that provided to any director or officer pursuant to Article IX.

Willis North America Inc. may purchase and maintain insurance to protect itself and any director or officer against any expenses, judgments, fines and amounts paid in settlement as specified above or in connection with any proceeding referred to above, to the fullest extent permitted by applicable law.

Table of Contents

The rights conferred by Article IX are not exclusive of any other rights to which those seeking indemnification may otherwise be entitled.

The above discussion of the By-Laws of Willis North America Inc. and of the DGCL is not intended to be exhaustive and is qualified in its entirety by such By-Laws and the DGCL.

** Filed herewith.

Item 17. Undertakings

The undersigned Registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; and

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrants pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by a Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a Registrant under the Securities Act to any purchaser in the initial distribution of the securities, each undersigned Registrant undertakes that in a primary offering of securities of an undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of an undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of an undersigned Registrant or used or referred to by an undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of an undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act, each filing of a Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) To supplement the prospectus, after the expiration of any warrant or right subscription period, to set forth the results of any warrant or right subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

(8) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrants pursuant to the foregoing provisions, or otherwise, the Registrants have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a Registrant of expenses incurred or paid by a director, officer or controlling person of such Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(9) The undersigned Registrants hereby undertake to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.

- (4) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

SECTION 1.03. Form of Documents Delivered to Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Issuer or any Guarantor may be based, insofar as it relates to legal matters, upon a certificate or Opinion of Counsel, or representations by counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or Opinion of Counsel or representation by counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Issuer or such Guarantor stating that the information with respect to such factual matters is in the possession of the Issuer or such Guarantor, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 1.04. *Acts of Holders.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing or by the record of the Holders voting in favor thereof at any meeting of such Holders duly called and held in accordance with the provisions of Article Fourteen; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or any such record is delivered to the Trustee and, where it is hereby expressly required, to the Issuer or any Guarantor. Such instrument or instruments or such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments or voting at such meeting. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee, the Issuer and any Guarantor if made in the manner provided in this Section. The record of any meeting of Holders of Securities shall be proved in the manner provided in Section 14.07 and the record so proved shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee, the Issuer and any Guarantor, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof, or may be proved in such other manner as shall be deemed sufficient by the Trustee. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The ownership of Securities shall be proved by the Security Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

(e) The Issuer or the Trustee, as applicable, may set a date for the purpose of determining the Holders of Securities entitled to consent, vote or take any other action referred to in this Section 1.04, which date shall be not less than 10 days nor more than 60 days prior to the taking of the consent, vote or other action.

SECTION 1.05. *Notices, etc. to Trustee and Issuer.*

Any request, demand, authorization, direction, notice, consent, waiver or Act of the Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Issuer or any Guarantor shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office, attention: Corporate Trust Department, and, unless otherwise herein expressly provided, any such document shall be deemed to be sufficiently made, given, furnished or filed upon its receipt by a Responsible Officer of the Trustee, or

(2) the Issuer or any Guarantor by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, or overnight air courier guaranteeing next day delivery, to the Issuer addressed to it at:

c/o Willis Group Limited
The Willis Building
51 Lime Street
London, EC3M 7DQ
England and Wales

or at any other address or addresses previously furnished in writing to the Trustee by the Issuer or such Guarantor.

SECTION 1.06. *Notice to Holders; Waiver.*

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Notwithstanding any other provision of this Indenture or any Global Security, where this Indenture or any Global Security provides for notice of any event (including any notice of redemption or repurchase) to a Holder of a Global Security (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depository (or its designee) pursuant to the standing instructions from the Depository or its designee, including by electronic mail in accordance with applicable Depository procedures.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 1.07. *Conflict with Trust Indenture Act.*

If any provision hereof limits, qualifies or conflicts with the duties imposed by any of Sections 310 to 317, inclusive, of the Trust Indenture Act through operation of Section 318(c), such imposed duties shall control.

SECTION 1.08. *Effect of Headings and Table of Contents.*

The Article and Section headings herein, the Trust Indenture Act reconciliation and tie, and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 1.09. *Successors and Assigns.*

All covenants and agreements in this Indenture by the Issuer or any Guarantor shall bind their successors and assigns, whether so expressed or not.

SECTION 1.10. *Separability Clause.*

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 1.11. *Benefits of Indenture.*

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.12. *Governing Law; Waiver of Trial by Jury.*

This Indenture, the Guarantees, and the Securities shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to applicable principles of conflicts of law. Each of the Issuer, the Guarantors and the Trustee irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Indenture or the transactions contemplated hereby.

SECTION 1.13. *Legal Holidays.*

Unless otherwise provided with respect to the Securities of a series, in any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities) payment of Principal of (and premium, if any) or interest, if any, on such Security need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity, provided that no additional interest shall accrue with respect to the payment due on such date for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

SECTION 1.14. *Submission to Jurisdiction.*

For the benefit of the Holders, the Issuer and each Guarantor hereby (i) irrevocably submits to the non-exclusive jurisdiction of any New York State court or United States federal court sitting in the Borough of Manhattan in the City of New York solely for purposes of any legal action or proceeding arising out of or relating to the Securities or this Indenture and (ii) irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any legal action or proceeding in any New York State court or United States federal court sitting in the Borough of Manhattan in the City of New York, and any claim that any such action or proceedings brought in any such court has been brought in an inconvenient forum. The Issuer and each Guarantor agrees that a final judgment in any such legal action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

To the extent that the Issuer or any Guarantor may in any jurisdiction claim for itself or its assets immunity (to the extent that any immunity may now or hereafter exist) from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process (whether through service or notice or otherwise), and to the extent that in any such jurisdiction there may be attributed to itself or its assets such immunity (whether or not claimed), the Issuer and each Guarantor irrevocably agree not to claim, and irrevocably waive, such immunity to the full extent permitted by the laws of such jurisdiction.

SECTION 1.15. *Appointment of Agent for Service of Process.*

By the execution and delivery of this Indenture, the Issuer and each Guarantor (except for Willis North America Inc.) hereby designates and appoints Willis North America Inc. (or any successor corporation) as its agent to accept and acknowledge on its behalf service of any and all process which may be served in any legal action or proceeding which may be instituted in any Federal or State court in the Borough of Manhattan, the City of New York, arising out of or relating to the Securities or the Guarantees or this Indenture, but for that purpose only. Service of process upon such agent at the office of Willis North America Inc. at Brookfield Place, 200 Liberty Street, New York, New York 10281, attention of the General Counsel, and written notice of said service to the Issuer or such Guarantor by the Person servicing the same addressed as provided by Section 1.05, shall be deemed in every respect effective service of process upon the Issuer or such Guarantor, respectively, in any such legal action or proceeding, and the Issuer and such Guarantor hereby submits to the nonexclusive jurisdiction of any such court in which any such legal action or proceeding is so instituted. Such appointment shall be irrevocable so long as the Holders of Securities or the Trustee shall have any rights pursuant to the terms thereof or of this Indenture until the appointment of a successor by the Issuer or such Guarantor with the consent of the Trustee and such successor's acceptance of such appointment. The Issuer and each such Guarantor further agree to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of such agent or successor.

SECTION 1.16. *Indemnification of Judgment Currency.*

To the fullest extent permitted by applicable law, the Issuer and each of the Guarantors shall indemnify each Holder against any loss incurred by such Holder as a result of any judgment or order being given or made for any amount due under any Security or Guarantee and such judgment or order being expressed and paid in a currency (the "Judgment Currency"), which is other than U.S. dollars and as a result of any variation as between (i) the rate of exchange at which the U.S. dollar is converted into the Judgment Currency for the purposes of such judgment or order and (ii) the spot rate of exchange in The City of New York at which the Holder on the date of payment of such judgment is able to purchase U.S. dollars with the amount of the Judgment Currency actually received by such Holder. This indemnification will constitute a separate and independent obligation of the Issuer or each of the Guarantors, as the case may be, and will continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "spot rate of exchange" includes any premiums and costs of exchange payable in connection with the purchase of, or conversion into, U.S. dollars.

SECTION 1.17. *U.S.A. Patriot Act.*

The Issuer and the Guarantors acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

ARTICLE TWO

SECTION 2.01. *Forms Generally.*

The Securities of each series shall be in substantially the form established from time to time by or pursuant to a Board Resolution or in one or more indentures supplemental hereto, in each case with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or as may, consistently herewith, be determined by the officers executing such Securities, as evidenced by their execution of such Securities. Any portion of the text of any Security may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Security. If the form of Securities of any series is established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Issuer Order contemplated by Section 3.03 for the authentication and delivery of such Securities. SECTION 2.03. Securities in Global Form

If any Security of a series is issuable in global form (a "Global Security"), such Global Security may provide that it shall represent the aggregate amount of Outstanding Securities from time to time endorsed thereon and may also provide that the aggregate amount of Outstanding Securities represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of Outstanding Securities represented thereby shall be made by the Trustee and in such manner as shall be specified in such Global Security. Any instructions by the Issuer with respect to a Global Security, after its initial issuance, shall be in writing but need not comply with Section 1.02.

Global Securities may be issued in either temporary or permanent form. Permanent Global Securities will be issued in definitive form.

ARTICLE THREE

SECTION 3.01. Amount Unlimited; Issuable in Series.

The aggregate Principal Amount of Securities which may be authenticated and delivered under this Indenture is unlimited.

The Securities may be issued in one or more series. There shall be established in or pursuant to a Board Resolution, and set forth in an Officer's Certificate, of the Issuer or established in one or more indentures supplemental hereto, prior to the issuance of Securities of any series,

- (1) the title of the Securities of the series (which shall distinguish the Securities of the series from all other Securities);
- (2) the aggregate Principal Amount of the Securities of such series and any limit upon the aggregate Principal Amount of the Securities of the series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other securities of the series pursuant to Section 3.04, 3.05, 3.06, 9.06 or 11.07);
- (3) the date or dates on which the principal (and premium, if any) of the Securities of the series is payable or the method of determination thereof;
- (4) the rate or rates (which may be fixed or variable), or the method of determination thereof, at which the Securities of the series shall bear interest, if any, including the rate of interest applicable on overdue payments of Principal or interest, if different from the rate of interest stated in the title of the Security, the date or dates from which such interest shall accrue or the method of determination thereof, the Interest Payment Dates on which such interest shall be payable and the Regular Record Date for the interest payable on any Interest Payment Date;
- (5) the Paying Agent or Paying Agents for the Securities of the series if other than the Trustee;
- (6) the Place of Payment of the Securities of the series;
- (7) if other than U.S. Dollars, the foreign currency or currencies in which Securities of the series shall be denominated or in which payment of the Principal of (and premium, if any) or interest on Securities of the series may be made, and the particular provisions applicable thereto and the manner of determining the equivalent thereof in the currency of the United States of America for any purpose, including for purposes of the definition of "Outstanding" in Section 1.01 and, if applicable, the amount of the Securities of the series which entitles the Holder of a Security of the series or its proxy to one vote for purposes of Section 14.06;
- (8) the right, if any, of the Issuer to redeem the Securities of such series and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the series may be redeemed, in whole or in part, at the option of the Issuer;

- (10) if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which Securities of the series shall be issuable;
- (11) whether the Securities of the series shall be issued in whole or in part in the form of one or more Global Securities and, in such case, the depository (the "Depository") for such Global Security or Securities; and the manner in which and the circumstances under which Global Securities representing Securities of the series may be exchanged for Securities in definitive form, if other than, or in addition to, the manner and circumstances specified in Section 3.05(b);
- (12) if other than the Principal Amount thereof, the portion of the Principal Amount of Securities of the series which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 5.02;
- (13) if the provisions of Section 4.03 or 4.04 of this Indenture are to apply to the Securities of the series, a statement indicating the same;
- (14) any deletions from or modifications of or additions to the Events of Default set forth in Section 5.01 pertaining to the Securities of the series;
- (15) the form of the Securities of the series; and
- (16) any other terms of a particular series and any other provisions expressing or referring to the terms and conditions upon which the Securities of that series are to be issued, (which terms and conditions are not in conflict with the provisions of this Indenture or do not adversely affect the rights of Holders of any other series of Securities then Outstanding); *provided, however*, that the addition to or subtraction from or variation of Articles Four, Five, Eight, Ten, Twelve and Fifteen (and Section 1.01 insofar as it relates to the definition of certain terms as used in such Articles) with regard to the Securities of a particular series shall not be deemed to constitute a conflict with the provisions of those Articles.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to such Board Resolution and set forth in such Officer's Certificate or in any such indenture supplemental hereto. All Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series without the consent of the Holders thereof. No Board Resolution or Officer's Certificate may affect the Trustee's own rights, duties or immunities under this Indenture or otherwise with respect to any series of Securities except as it may agree in writing.

The Securities of all series shall rank on a parity in right of payment.

Except as modified in a Board Resolution, Officer's Certificate or supplemental indenture establishing a series of Securities, the Securities shall be fully and unconditionally guaranteed, jointly and severally, by each Guarantor as provided in Article Fifteen.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Issuer or the applicable Guarantor and delivered to the Trustee at or prior to the delivery of the Officer's Certificate setting forth the terms of the series.

SECTION 3.02. *Denominations.*

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03. *Execution, Authentication, Delivery and Dating.*

The Securities shall be executed under the common seal of the Issuer reproduced thereon and the affixing of such seal to the Securities shall be signed and countersigned by any two directors of the Issuer, or by a director and the Secretary of the Issuer or by any director of the Issuer and any other person appointed by the directors of the Issuer for that purpose or by any two members of a Sealing Committee of the Issuer, or otherwise in accordance with the constitution of the Issuer.

Securities bearing the signatures of individuals who were at any time the proper directors or officers of the Issuer shall bind such Person notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities of any series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Issuer Order shall authenticate and deliver such Securities. If any Security shall be represented by a permanent Global Security, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security.

In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive and (subject to Section 6.01) shall be fully protected in relying upon the documents specified in Section 314 of the Trust Indenture Act, and, in addition:

- (1) a Board Resolution relating thereto, and if applicable, an appropriate record of any action taken pursuant to such Board Resolution, certified by the Secretary or Assistant Secretary of the Issuer, if applicable;
- (2) an executed supplemental indenture, if any; and
- (3) an Opinion of Counsel which shall state:

(A) that the form and terms of such Securities have been established by or pursuant to Board Resolutions, by a supplemental indenture or by both such resolution or resolutions and such supplemental indenture in conformity with the provisions of this Indenture;

(B) that the supplemental indenture, if any, when executed and delivered by the Issuer, the Guarantors and the Trustee, will constitute a valid and legally binding obligation of the Issuer and the Guarantors;

(C) that such Securities, when authenticated and delivered by the Trustee and issued by the Issuer in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute the legal, valid and binding Obligations of the Issuer and each such Guarantor, if applicable, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity); and

(D) that the Guarantees, when the Securities to which they relate shall have been authenticated and delivered by the Trustee and issued by the Issuer in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute the legal, valid and binding obligations of the Guarantors, enforceable against them in accordance with their terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of this Section 3.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution and the Officer's Certificate otherwise required pursuant to Section 3.01 or the Board Resolution and Opinion of Counsel otherwise required pursuant to this Section 3.03 at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature of an authorized signatory, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

The Trustee may appoint an Authenticating Agent acceptable to the Issuer to authenticate Notes. An Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent.

SECTION 3.04. Temporary Securities.

Pending the preparation of definitive Securities of any series, the Issuer may execute, and upon Issuer Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the directors or officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Issuer will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Issuer in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like Principal Amount of definitive Securities of the same series of authorized denominations. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

SECTION 3.05. Registration, Registration of Transfer and Exchange of Global Securities Representing the Securities.

(a) The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office or in any other office or agency of the Issuer in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

The Security Registrar shall maintain on behalf of the Issuer a full and complete list of names and addresses of all Holders of Securities issued by the Issuer pursuant to this Indenture and any indenture supplemental hereto, and the Principal Amount of Securities held by such Holder.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate Principal Amount and Stated Maturity.

Except as otherwise provided in this Article Three, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of an equal aggregate Principal Amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid Obligations of the Issuer and each Guarantor evidencing the same debt and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by a commercial bank reasonably acceptable to the Trustee or by a member of a national securities exchange.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 9.06 or 11.07 not involving any transfer. Each Holder that is a transferor of a Security shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Issuer shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing or sending of a notice of redemption of Securities of that series selected for redemption under Section 11.03 and ending at the close of business on the day of such mailing or sending, or (ii) to register the transfer of or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(b) If the Issuer shall establish pursuant to Section 3.01 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Issuer shall execute and the Trustee shall, in accordance with Section 3.03 and the Issuer Order with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate Principal Amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depositary for such Global Security or Securities or the nominee of such Depositary, (iii) shall be delivered by the Trustee or delivered or held pursuant to such Depositary's instruction, and (iv) unless otherwise provided for with respect to the Securities of such series pursuant to Section 3.01, shall bear a legend substantially to the following effect: "This Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary, unless and until this Security is exchanged in whole or in part for Securities in definitive form."

Each Depositary designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depositary, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other applicable statute or regulation. The Issuer initially appoints the Trustee to act as the Depositary Custodian with respect to the Global Securities. The Trustee and each Agent are hereby authorized to act in accordance with applicable Depositary procedures with respect to the Global Securities.

If at any time the Depositary for the Securities of a series notifies the Issuer that it is unwilling or unable to continue as Depositary for the Securities of such series or if at any time the Depositary for Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.05), the Issuer shall appoint a successor Depositary eligible under this Section 3.05 with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such condition, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form in an aggregate Principal Amount equal to the Principal Amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Issuer may at any time and in its sole discretion and subject to the procedures of the Depositary determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event, the Issuer shall execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate Principal Amount equal to the Principal Amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If the Securities of any series shall have been issued in the form of one or more Global Securities and if an Event of Default with respect to the Securities of such series shall have occurred and be continuing, the Issuer may, and upon the request of the Trustee shall, promptly execute, and the Trustee, upon receipt of an Issuer Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver, Securities of such series in definitive form and in an aggregate Principal Amount equal to the Principal Amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Issuer and such Depositary. Thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver, without charge:

(i) to each Person specified by the Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate Principal Amount equal to and in exchange for such Person's beneficial interest in the Global Security; and

(ii) to the Depositary a new Global Security in a denomination equal to the difference, if any, between the Principal Amount of the surrendered Global Security and the aggregate Principal Amount of Securities delivered to holders thereof.

Upon the exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depository for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

None of the Issuer, the Trustee nor any agent of the Issuer or the Trustee will have any responsibility or liability for the Depository, including any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests. In connection with any proposed transfer of definitive Securities in exchange for Global Securities, the Issuer or the Depository shall be required to provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

SECTION 3.06. Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and Principal Amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a protected purchaser, the Issuer shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and Principal Amount and bearing a number not contemporaneously outstanding.

If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07. *Payment of Interest; Interest Rights Preserved.*

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

At the option of the Issuer, interest on the Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (“Defaulted Interest”) shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuer shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Issuer shall promptly notify the Trustee of such Special Record Date and, in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, or sent to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed or sent, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 3.08. *Persons Deemed Owners.*

Prior to due presentment of a Security for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of Principal of (and premium, if any) and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, any Guarantor, the Trustee or any agent of the Issuer, any Guarantor or the Trustee shall be affected by notice to the contrary.

SECTION 3.09. *Cancellation.*

All Securities surrendered for payment, redemption, conversion, registration of transfer or exchange or for credit against any sinking fund payment or analogous obligation shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and promptly shall be cancelled by it and, if surrendered to the Trustee, shall be promptly cancelled by it. The Issuer or any Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or any Guarantor may have acquired in any manner whatsoever, and all Securities so delivered promptly shall be cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures. The acquisition of any Securities by the Issuer or any Guarantor shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation. Permanent Global Securities shall not be destroyed until exchanged in full for definitive Securities or until payment thereon is made in full.

SECTION 3.10. *Computation of Interest.*

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a year of twelve 30-day months.

SECTION 3.11. *CUSIP Numbers.*

The Issuer in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice and that reliance may be placed only on the other identification numbers printed on the Securities, and any such notice shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 4.01. *Satisfaction and Discharge of Securities of any Series.*

The Issuer shall be deemed to have satisfied and discharged the entire Indebtedness on all the Securities of any particular series (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, upon Issuer Request and at the expense of the Issuer, shall execute such instruments as may be requested by the Issuer acknowledging satisfaction and discharge of such Indebtedness, when

- (a) either
- (1) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or
- (2) all such Securities not theretofore delivered to the Trustee for cancellation
- (A) have become due and payable, or
- (B) will become due and payable at their Stated Maturity within one year, or
- (C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor, in the case of (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06), for Principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;
- (b) the Issuer or any Guarantor has paid or caused to be paid all other sums payable hereunder by the Issuer or any Guarantor; and
- (c) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire Indebtedness on all Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the Obligations of the Issuer and each Guarantor to the Trustee under Section 6.07 or to any Authenticating Agent under Section 3.03 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (2) of this Section, the Obligations of the Trustee under Section 4.07 and the last paragraph of Section 10.03 shall survive.

SECTION 4.02. Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuer may, at the option of its Board of Directors evidenced by a supplemental indenture or, at any time, by a Board Resolution set forth in an Officer's Certificate with respect to the Securities of any series, unless otherwise specified pursuant to Section 3.01 with respect to a particular series of Securities, elect to have either Section 4.03 or 4.04 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Four.

SECTION 4.03. Legal Defeasance and Discharge.

Upon the Issuer's exercise under Section 4.02 of the option applicable to this Section 4.03, the Issuer shall be deemed to have been discharged from its Obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged all the Obligations relating to the Outstanding Securities of that series, including any coupons appertaining thereto, and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "outstanding" only for the purposes of Section 4.06 and the other Sections of this Indenture referred to below in this Section 4.03, and to have satisfied all of its other Obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the Issuer's or any Guarantor's Obligations, as the case may be, with respect to Securities of such series under Sections 3.05, 3.06, 10.02 and 10.03, (ii) rights of Holders to receive payments of the Principal of (and premium, if any) and interest, if any, on the Securities of such series as they shall become due from time to time and other rights, duties and Obligations of Holders as beneficiaries hereof with respect to the amounts so deposited with the Trustee, (iii) the rights, obligations and immunities of the Trustee hereunder (for which purposes the Securities of such series shall be deemed Outstanding), (iv) this Article Four and the obligations set forth in Section 4.06 hereof and (v) the obligations of the Issuer and each Guarantor under Section 6.07 hereof.

Subject to compliance with this Article Four, the Issuer may exercise its option under Section 4.03 notwithstanding the prior exercise of its option under Section 4.04 with respect to the Securities of a particular series and any coupons appertaining thereto.

SECTION 4.04. *Covenant Defeasance.*

Upon the Issuer's exercise under Section 4.02 of the option applicable to this Section 4.04, the Issuer shall be released from any obligations under the covenants contained in Sections 10.04, 10.05 and 10.06 or established pursuant to Section 3.01 or 9.01 hereof with respect to the Outstanding Securities of the particular series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under Section 5.01(4) or any Event of Default specified pursuant to Section 3.01 or 9.01 but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

SECTION 4.05. *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 4.03 or Section 4.04 to the Outstanding Securities of a particular series:

- (a) the Issuer must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 3.01 for the Securities of that series) sufficient or U.S. Government Obligations the Principal of and interest on which will be sufficient or a combination thereof sufficient, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee, to pay the Principal of, premium, if any, and interest, if any, due on the Outstanding Securities of that series and any related coupons to and including the date of Stated Maturity, or the applicable Redemption Date, as the case may be, with respect to the Outstanding Securities of that series and any related coupons;
- (b) in the case of Legal Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series (1) an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, since the date on which Securities of such series were originally issued, there has been a change in the applicable U.S. Federal income tax law, to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (2) a copy of a ruling or other formal statement or action to that effect received from or published by the U.S. Internal Revenue Service;

(c) in the case of Covenant Defeasance only, the Issuer shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series (other than any event resulting from the borrowing of funds to be applied to make such deposit) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement (other than this Indenture) or instrument to which the Issuer is a party or by which the Issuer is bound; and

(f) the Issuer shall have delivered to the Trustee for the Securities of that series an Officer's Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

As used in this Article Four, "U.S. Government Obligations" means securities that are (i) direct Obligations of the United States of America for payment of which its full faith and credit is pledged or (ii) Obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case under clause (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and will also include a depository receipt issued by a bank or trust company as Custodian with respect to any such U.S. Government Obligation or a specified payment of interest on or principal of any such U.S. Government Obligation held by such Custodian for the account of the holder of a depository receipt, provided that (except as required by law) such Custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the Custodian in respect of the U.S. Government Obligation or the specific payment of interest on or Principal of the U.S. Government Obligation evidenced by such depository receipt.

SECTION 4.06. *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of the Securities of a particular series referred to in Sections 4.01, 4.02, 4.03, or 4.05, the respective obligations of the Issuer, the Guarantors and the Trustee for the Securities of a particular series under Sections 3.03, 3.04, 3.05, 3.06, 3.09, 4.07, 4.08, 4.09 and 5.08, Article Six, and Sections 7.01, 7.02, 10.02, 10.03 and 10.04, shall survive with respect to Securities of that series until the Securities of that series are cancelled, and thereafter the obligations of the Issuer, Guarantors and the Trustee for the Securities of a particular series with respect to that series under Sections 4.08 and 6.07 shall survive. Nothing contained in this Article Four shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

SECTION 4.07. *Application of Trust Money.*

Subject to the provisions of the last paragraph of Section 10.03, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Sections 4.01 and 4.05 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or any Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the Principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

SECTION 4.08. *Repayment of Moneys Held by Paying Agent.*

Any money deposited with the Trustee or any other Paying Agent remaining unclaimed by the Holders of any Securities for two years after the date upon which the Principal of or interest on such Securities shall have become due and payable, subject to applicable abandoned property law, shall be repaid to the Issuer by the Trustee or any such other Paying Agent and such Holders shall thereafter be entitled to look to the Issuer only as general creditors for payment thereof (unless otherwise provided by law); *provided, however*, that, before the Trustee or any such other Paying Agent is required to make any such payment to the Issuer, the Trustee may, upon the written request of the Issuer and at the expense of the Issuer, cause to be published once in an Authorized Newspaper a notice that such money remains unclaimed and that, after the date set forth in said notice, the balance of such money then unclaimed will be returned to the Issuer.

SECTION 4.09. *Reinstatement.*

If the Trustee is unable to apply any money or U.S. Government Obligations in accordance with Section 4.07 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.01 or 4.05, as the case may be, until such time as the Trustee is permitted to apply all such money or U.S. Government Obligations in accordance with Section 4.07; *provided* that, if the Issuer or any Guarantor has made payment of Principal of, or interest on any Securities because of the reinstatement of its obligations, the Issuer or such Guarantor shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee.

ARTICLE FIVE

**REMEDIES OF THE TRUSTEE AND
HOLDERS ON EVENT OF DEFAULT**

SECTION 5.01. *Events of Default.*

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or

- (2) default in the payment of the Principal of (or premium, if any, on) any Security of that series at its Maturity; or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of any Security of that series; or
- (4) default in the performance, or breach, of any covenant or warranty of the Issuer, any Guarantor or any Significant Subsidiary in this Indenture or any Security of that series (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail or overnight air courier guaranteeing next day delivery, to the Issuer or such Guarantor by the Trustee or to the Issuer or such Guarantor and the Trustee by the Holders of at least 25% in Principal Amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Issuer or any Significant Subsidiary bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Significant Subsidiary under any applicable Bankruptcy Law, or appointing a Custodian of the Issuer or any Significant Subsidiary or of any substantial part of their property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or
- (6) the commencement by the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable Bankruptcy Law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable Bankruptcy Law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a Custodian of the Issuer or any Significant Subsidiary of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Issuer or any Significant Subsidiary in furtherance of any such action, or the taking of any comparable action under any foreign laws relating to insolvency; or

- (7) any Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by any Guarantor that is a Significant Subsidiary not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the Indenture and any such Guarantee; or
- (8) any other Event of Default provided with respect to Securities of that series.

SECTION 5.02. *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to Securities of any series at the time Outstanding (other than of a type specified in Section 5.01(5) or (6)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in Principal Amount of the Outstanding Securities of that series may declare the Principal Amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the Principal Amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such Principal Amount (or specified amount) shall become immediately due and payable, anything in this Indenture or in any of the Securities of such series to the contrary notwithstanding.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in Principal Amount of the Outstanding Securities of that series, by written notice to the Issuer or a Guarantor and the Trustee, may rescind and annul such declaration and its consequences if

- (1) the Issuer or a Guarantor has paid or deposited with the Trustee a sum sufficient to pay
 - (A) all overdue interest on all Securities of that series,
 - (B) the Principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities,
 - (C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and
 - (D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 6.07 hereof;

and

- (2) all Events of Default with respect to Securities of that series, other than the nonpayment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the foregoing, in the case of an Event of Default arising under Section 5.01(5) or (6), all outstanding Securities shall IPSO FACTO become due and payable without further action or notice.

SECTION 5.03. *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if

- (1) default is made in the payment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,
- (2) default is made in the payment of the Principal of (or, premium, if any, on) any Security at the Maturity thereof, or
- (3) default is made in the making or satisfaction of any sinking fund payment or analogous Obligation when the same becomes due pursuant to the terms of any Security,

the Issuer, upon demand of the Trustee, will pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for Principal, including any sinking fund payment or analogous Obligations (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue Principal (and premium, if any) and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due to the Trustee under Section 6.07 hereof.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer, any Guarantor or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer, any Guarantor or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.04. *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, any Guarantor or any other obligor upon the Securities or the property of the Issuer, any Guarantor or of such other obligor or their creditors, the Trustee (irrespective of whether the Principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue Principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of Principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities and to file such other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same; and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07 hereof out of the estate in any such proceeding, shall be unpaid for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except as aforesaid, to vote for the election of a trustee in bankruptcy or similar person or to participate as a member, voting or otherwise, on any committee of creditors.

SECTION 5.05. *Trustee May Enforce Claims without Possession of Securities.*

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.06. *Application of Money Collected.*

Any money or property collected by the Trustee pursuant to this Article, and after an Event of Default, any money or other property distributable in respect of the Issuer's or any

Guarantor's obligations under this Indenture shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of Principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee or any predecessor Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for Principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for Principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer, its successors or assigns, or to whomever may be so lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 5.07. *Limitation on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than a majority in Principal Amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of security or indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in Principal Amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 5.08. *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the Principal of (and premium, if any) and (subject to Section 3.07) interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and the right to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 5.09. *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 5.10. *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 5.12. *Control by Holders.*

The Holders of a majority in Principal Amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided that*

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders of the Securities of such series not taking part in such direction, or to the Holders of the Securities of any other series (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or would involve the Trustee in personal liability, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 5.13. *Waiver of Past Defaults.*

Subject to Section 5.02, the Holders of not less than a majority in Principal Amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the Principal of (or premium, if any) or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 5.14. *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Principal Amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the Principal of (or premium, if any) or interest on any Security on or after the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

ARTICLE SIX

THE TRUSTEE

SECTION 6.01. *Certain Duties and Responsibilities.*

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not verify the accuracy of any mathematical calculations or the contents thereof or whether procedures specified by or pursuant to the provisions of this Indenture have been followed in the preparation thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in Principal Amount of the Outstanding Securities of any series, as provided in Section 5.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it and the Trustee shall not be required to give any bond or surety in respect of the performance of its powers or duties hereunder;

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 6.02. *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to a Responsible Officer of the Trustee, unless such default shall have been cured or waived; *provided, however,* that, except in the case of a default in the payment of the Principal of (or premium, if any) or interest on any Security of such series or in the payment of any sinking fund or analogous Obligation installment with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders of Securities of such series; and *provided, further,* that in the case of any default of the character specified in Section 5.01(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 6.03. *Certain Rights of Trustee.*

Subject to the provisions of Section 6.01:

- (a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) any request or direction of the Issuer or any Guarantor mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order or Officer’s Certificate or similar document and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;
- (c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, it may require and rely upon an Officer’s Certificate or an Opinion of Counsel, or both, and the Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture;
- (d) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

- (e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;
- (f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, or inquire as to the performance by the Issuer or any Guarantor of any of its covenants in this Indenture, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Guarantor, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;
- (g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;
- (h) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice thereof from the Issuer or the Holders of at least 25% of the aggregate principal amount of Securities of any series then outstanding is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, a Guarantor or this Indenture. Whenever reference is made in this Indenture to an Event of Default, such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to an Event of Default of which the Trustee is deemed to have actual knowledge in accordance with this paragraph; and
- (i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;
- (j) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;
- (k) in no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services, or other unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility;
- (l) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, Custodian and other Person employed to act hereunder; and
- (m) the Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

SECTION 6.04. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, shall be taken as the statements of the Issuer or the Guarantors, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to and shall not be responsible for the validity or sufficiency of this Indenture or of the Securities or Guarantees. The Trustee shall not be responsible for any document in connection with the sale of any Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Issuer or the Guarantors of Securities or the proceeds thereof, any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, or for the use or application of any money received by any Paying Agent other than the Trustee. The Trustee shall not be bound to ascertain or inquire as to the performance, observance, or breach of any covenants, conditions, representations, warranties or agreements on the part of the Issuer or the Guarantors. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Securities or the Guarantees. The Trustee shall have no obligation to pursue any action that is not in accordance with applicable law.

SECTION 6.05. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.08 and 6.13, may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

SECTION 6.06. Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder.

SECTION 6.07. Compensation and Reimbursement.

The Issuer and the Guarantors, jointly and severally, agree,

- (1) to pay to the Trustee from time to time such compensation as agreed to in writing with the Issuer for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (2) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or willful misconduct as finally adjudicated by a court of competent jurisdiction; and
- (3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability, damage, claim, fee, cost or expense incurred without negligence or willful misconduct on its part as finally adjudicated by a court of competent jurisdiction, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including

the costs and expenses, including reasonable attorneys' fees and expenses and court costs, of defending itself against any claim or liability in connection with the exercise or performance of any of its rights, powers or duties hereunder, or any action, claim or suit brought to enforce this Indenture against the Issuer and the Guarantors, including reasonable attorneys' fees and expenses and court costs incurred in connection with any action, claim or suit brought to enforce the Trustee's right to compensation, reimbursement or indemnification (including this Section 6.07).

As security for the performance of the obligations of the Issuer and the Guarantors under this Section, the Trustee shall have a Lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities.

Without prejudice to any other rights available to the Trustee under applicable law, if the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (5) or (6) of Section 5.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Bankruptcy Law.

The provisions of this Section 6.07 shall survive the resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

"Trustee" for the purposes of this Section 6.07 shall include any predecessor Trustee and the Trustee in each of its capacities hereunder and each agent, custodian and other person employed to act hereunder; provided, however, that the negligence or willful misconduct of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

SECTION 6.08. *Disqualification; Conflicting Interests.*

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time provided for therein. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded this Indenture with respect to Securities of any particular series of Securities other than that series of Securities, and any other indenture of the Issuer or Guarantors if the requirements of Section 310(b) are met. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 6.09. *Corporate Trustee Required; Eligibility.*

There shall at all times be a corporate Trustee hereunder which complies with the requirements of Section 310(a) of the Trust Indenture Act, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority and having a Corporate Trust Office in the continental United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 6.10. *Resignation and Removal; Appointment of Successor.*

- (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.11.
- (b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 10 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction at the Issuer's expense for the appointment of a successor Trustee with respect to the Securities of such series.
- (c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in Principal Amount of the Outstanding Securities of such series, delivered to the Trustee and to the Issuer.
- (d) If at any time:
- (1) the Trustee shall fail to comply with Section 6.08 after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or
 - (2) the Trustee shall cease to be eligible under Section 6.09 and shall fail to resign after written request therefor by the Issuer, any Guarantor or by any such Holder, or
 - (3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (i) the Issuer by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.
- (e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Issuer, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 6.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in Principal Amount of the Outstanding Securities of such series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the

successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner required by Section 6.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing or sending written notice of such event to all Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 6.11. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of amounts owed to it under Section 6.07, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall

become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer, any Guarantor or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 6.12. *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association to which all or substantially all of the corporate trust business of the Trustee may be sold or otherwise transferred, shall be the successor trustee hereunder without any further act. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 6.13. *Preferential Collection of Claims Against Issuer.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated therein.

ARTICLE SEVEN

SECTION 7.01. *Issuer to Furnish Trustee Names and Addresses of Holders.*

The Issuer will furnish or cause to be furnished to the Trustee

(a) semi-annually, either (i) not later than June 1 and December 1 in each year in the case of Original Issue Discount Securities of any series which by their terms do not bear interest prior to Maturity, or (ii) not more than 15 days after each Regular Record Date in the case of Securities of any other series, a list, each in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the preceding June 1 or December 1 or as of such Regular Record Date, as the case may be; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that so long as the Trustee is the Security Registrar with respect to Securities of any series, no such lists need be furnished.

SECTION 7.02. Preservation of Information; Communications to Holders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 7.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities and the corresponding rights and duties of the Trustee shall be provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure or information as to the names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 7.03. Reports by Trustee to Holders.

Within 60 days after each May 1 beginning with the May 1 following the date of the first issuance of Securities under this Indenture, and for so long as Securities remain Outstanding, the Trustee shall (at the expense of the Issuer) mail to the Holders of the Securities a brief report dated as of such May 1 that complies with Section 313(a) of the Trust Indenture Act (but if no event described in Section 313(a) of the Trust Indenture Act has occurred within the twelve months preceding such May 1, no report need be transmitted). The Trustee also shall comply with Section 313(b)(2) of the Trust Indenture Act. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act.

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Issuer and filed with the Commission and each stock exchange on which the Securities are listed, if any, in accordance with Section 313(d) of the Trust Indenture Act. The Issuer shall promptly notify the Trustee in writing when the Securities are listed on any stock exchange or delisting thereof.

ARTICLE EIGHT

SECTION 8.01. *Merger, Consolidation, etc. Only on Certain Terms.*

Neither the Issuer nor any of the Guarantors shall consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) if the Issuer or such Guarantor, as the case may be, shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer or such Guarantor, as the case may be, is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer or such Guarantor, as the case may be, substantially as an entirety shall (i) in the case of the Issuer or any Guarantor that is not Willis North America Inc., be a Person organized and existing under the laws of any United States jurisdiction, any state thereof, England and Wales, Ireland, the Netherlands or any country that is a member of the European Monetary Union, or (ii) in the case of Willis North America Inc., be a Person organized and existing under the laws of any United States jurisdiction and any state thereof or the District of Columbia, and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Issuer or any of the Guarantors, as the case may be, under this Indenture and the Securities and immediately after such transaction no Event of Default shall have happened or be continuing; and

(2) the Issuer or such Guarantor, as the case may be, has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that (a) such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with and (b) in the case of a consolidation with or merger by the Issuer into a Person organized other than under the laws of Ireland or the conveyance, transfer or lease by the Issuer of its properties and assets substantially as an entirety to a Person organized other than under the laws of Ireland, Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such consolidation, merger, conveyance, transfer or lease and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such consolidation, merger, conveyance, transfer or lease had not occurred.

SECTION 8.02. *Successor Corporation Substituted.*

Upon any consolidation by the Issuer or any of the Guarantors, as the case may be, with or merger by the Issuer or such Guarantor into any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer or such Guarantor substantially as an entirety in accordance with Section 8.01, the successor Person formed by such consolidation or into which the Issuer or such Guarantor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or

such Guarantor, as the case may be, under this Indenture with the same effect as if such successor Person had been named as the Issuer or such Guarantor herein, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE NINE

SUPPLEMENTAL INDENTURES

SECTION 9.01. *Supplemental Indentures without Consent of Holders.*

Without the consent of any Holders, the Issuer and each Guarantor, when authorized by a Board Resolution, in the case of the Issuer, and a resolution of the Board of Directors of such Guarantor or a committee thereof in the case of such Guarantor (which shall be certified in the same manner as a Board Resolution), and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) to evidence the succession of another Person to the Issuer or any Guarantor and the assumption by any such successor of the covenants of the Issuer or any Guarantor herein and in the Securities (pursuant to Article Eight, if applicable); or
- (2) to add to the covenants of the Issuer or any Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Issuer or any Guarantor; or
- (3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are expressly being included solely to be applicable to such series); or
- (4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities in bearer form, registrable or not registrable as to Principal, and with or without interest coupons, or to provide for uncertificated Securities (so long as any "registration-required obligation" within the meaning of section 163(f)(2) of the Internal Revenue Code of 1986, as amended, is in registered form for purposes of such section); or
- (5) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or
- (6) to secure the Securities; or
- (7) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 3.01; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 6.11(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provision with respect to matters or questions arising under this Indenture, *provided* such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

SECTION 9.02. Supplemental Indentures with Consent of Holders.

With the consent of the Holders of not less than a majority in Principal Amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer and each Guarantor each, when authorized by a Board Resolution, in the case of the Issuer, and a resolution of the Board of Directors of such Guarantor or a committee thereof in the case of such Guarantor (which shall be certified in the same manner as a Board Resolution), and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the Principal of, or any installment of principal of or interest on, any Security, or reduce the Principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the Principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 5.02, or adversely affect any right of repayment at the option of the Holder of any Security, or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), in each case other than the amendment or waiver in accordance with the terms of this Indenture of any covenant or related definition included pursuant to Section 3.01 that provides for an offer to repurchase any Securities of a series upon a sale of assets or change of control transaction, or

(2) reduce the percentage in Principal Amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 5.13 or Section 10.07, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of the Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 9.03. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, in addition to the documents required by Section 1.02 hereof, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and is the legal, valid and binding obligation of the Issuer and the Guarantors. The Trustee in its sole discretion may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.04. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.05. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 9.06. Reference in Securities to Supplemental Indentures.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Issuer, bear a notation as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform, in the opinion of the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

SECTION 9.07. *Notice of Supplemental Indenture.*

Promptly after the execution by the Issuer, each Guarantor and the Trustee of any supplemental indenture pursuant to Section 9.02, the Issuer shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture. The failure to give such notice to all Holders of Securities of such series, or any defect therein, shall not impair or affect the validity of such supplemental indenture.

ARTICLE TEN

COVENANTS

SECTION 10.01. *Payment of Principal, Premium and Interest.*

The Issuer covenants and agrees for the benefit of the Holders of Securities of each series that it will duly and punctually pay the Principal of (and premium, if any) and interest, if any, on the Securities of that series in accordance with the terms of the Securities of that series and this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer or one of its Subsidiaries, holds as of 10:00 a.m. New York City time on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. The Issuer shall be responsible for making calculations called for under the Securities, including but not limited to determination of redemption price, premium, if any, and any additional amounts or other amounts payable on the Notes. The Issuer will make the calculations in good faith and, absent manifest error, its calculations will be final and binding on the Holders. The Issuer will provide a schedule of its calculations to the Trustee when requested by the Trustee, and the Trustee is entitled to rely conclusively on the accuracy of the Issuer's calculations without independent verification.

SECTION 10.02. *Maintenance of Office or Agency.*

The Issuer will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be surrendered for registration of transfer and exchange, where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served and where the Securities may be presented for payment. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 10.03. *Money for Securities Payments to Be Held in Trust.*

If the Issuer or any Guarantor shall at any time act as Paying Agent with respect to any series of Securities, it will, on or before each due date of the Principal of (and premium, if any) or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the Principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee in writing of its action or failure so to act or of any failure by the Issuer (or by any other obligor on the Securities of that series) to make any payment of the Principal of (and premium, if any) or interest, if any, on the Securities of such series when the same shall be due and payable.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it will, at or prior to the opening of business on each due date of the Principal of (and premium, if any) or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the Principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such Principal (and premium, if any) or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee in writing of its action or failure so to act.

If the Issuer shall appoint a Paying Agent other than the Trustee for any series of Securities, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the Principal of (and premium, if any) or interest, if any, on the Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee written notice of any default by the Issuer or any Guarantor (or any other obligor upon the Securities of that series) in the making of any payment of Principal (and premium, if any) or interest, if any, on the Securities of that series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge with respect to one or more or all series of Securities hereunder or for any other reason, pay or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust for any such series by the Issuer, any Guarantor or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer, any Guarantor or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer in trust for the payment of the Principal of (and premium, if any) or interest on any Security of any series and remaining unclaimed for two years after such Principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer or any Guarantor on Issuer Request subject to applicable abandoned property and escheat law, or (if then held by the Issuer or any Guarantor) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer or any Guarantor for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer or any Guarantor as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once a week for two consecutive weeks (in each case on any day of the week) in an Authorized Newspaper notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 10.04. *Corporate Existence.*

Subject to Article Eight, the Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

SECTION 10.05. *Payment of Taxes and Other Claims.*

The Issuer will, and will cause each Significant Subsidiary to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Issuer or any such Significant Subsidiary or upon the income, profits or property of the Issuer or any such Significant Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Issuer or any such Significant Subsidiary; *provided, however*, that none of the Issuer nor any Significant Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 10.06. *Maintenance of Properties.*

The Issuer will cause all its properties used or useful in the conduct of its business to be maintained and kept in reasonably good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Issuer from discontinuing the operation or maintenance of any of its properties if such discontinuance is, in the judgment of the Issuer desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of the Securities of any series.

SECTION 10.07. Waiver of Certain Covenants.

The Issuer may omit in any particular instance to comply with any term, provision or condition set forth in Sections 10.04, 10.05 and 10.06 or established pursuant to Section 3.01 or 9.01, with respect to the Securities of any series, if before the time for such compliance the Holders of at least a majority in Principal Amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the Obligations of the Issuer and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 10.08. Statement by Officers as to Default.

The Issuer will, within 90 days after the close of each fiscal year, commencing with the first fiscal year ending after the issuance of Securities of any series under this Indenture, file with the Trustee a certificate of the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer, covering the period from the date of issuance of such Securities to the end of the fiscal year in which such Securities were issued, in the case of the first such certificate, and covering the preceding fiscal year in the case of each subsequent certificate, and stating whether or not, to the knowledge of the signer, the Issuer has complied with all conditions and covenants on its part contained in this Indenture, and, if the signer has obtained knowledge of any default by the Issuer in the performance, observance or fulfillment of any such condition or covenant, specifying each such default and the nature thereof. For the purpose of this Section 10.08, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 10.09. Reports by the Issuer.

The Issuer shall:

- (1) file with the Trustee, within 15 days after the Issuer is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Issuer is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;
- (2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and
- (3) transmit by mail to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Issuer pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

SECTION 10.10. Further Assurances.

From time to time whenever reasonably demanded by the Trustee, the Issuer and each Guarantor will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

ARTICLE ELEVEN

REDEMPTION OF SECURITIES

SECTION 11.01. Applicability of Article.

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

SECTION 11.02. Election to Redeem; Notice to Trustee.

The election of the Issuer to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Issuer of all or less than all the Securities of any series, the Issuer shall, at least 45 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the Principal Amount of Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officer's Certificate evidencing compliance with such restriction.

SECTION 11.03. Selection by Trustee of Securities to Be Redeemed.

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by

such method as the Trustee shall deem fair and appropriate and in accordance with the Depository's procedures and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the Principal Amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series; *provided, however*, that Securities of such series registered in the name of the Issuer shall be excluded from any such selection for redemption until all Securities of such series not so registered shall have been previously selected for redemption.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the Principal Amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the Principal Amount of such Securities which has been or is to be redeemed.

SECTION 11.04. *Notice of Redemption.*

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers and that no representation is made as to the correctness or accuracy of any CUSIP number that is listed in such notice or printed on the Securities) and shall state:

- (1) the Redemption Date,
- (2) the Redemption Price, or if not then ascertainable, the manner of calculation thereof,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed,
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,
- (5) that interest, if any, accrued to the date fixed for redemption will be paid as specified in said notice,
- (6) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request delivered to the Trustee at least ten days prior to the date the notice of redemption is to be sent (unless a shorter period shall be satisfactory to the Trustee) together with the notice to be given, by the Trustee in the name and at the expense of the Issuer.

SECTION 11.05. Deposit of Redemption Price.

On or prior to 10 a.m. New York City time, on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer or any Guarantor is acting as Paying Agent, segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest to but excluding the Redemption Date, all the Securities which are to be redeemed on that date.

SECTION 11.06. Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with accrued interest to but excluding the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the Principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 11.07. Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of any authorized denomination as requested by such Holder, in aggregate Principal Amount equal to and in exchange for the unredeemed portion of the Principal of the security so surrendered. Securities in denominations larger than the minimum authorized denomination therefor may be redeemed in part, but only in whole multiples of \$1,000.

SECTION 11.08. Securities No Longer Outstanding After Notice to Trustee and Deposit of Cash.

If the Issuer, having given notice to the Trustee as provided in Section 11.02, shall have deposited with the Trustee or a Paying Agent, for the benefit of the Holders of any Securities of

any series or portions thereof called for redemption in whole or in part cash or other form of payment if permitted by the terms of such Securities, in the amount necessary so to redeem all such Securities or portions thereof on the Redemption Date and provision satisfactory to the Trustee shall have been made for the giving of notice of such redemption, such Securities or portions thereof, shall thereupon, for all purposes of this Indenture, be deemed to be no longer Outstanding, and the Holders thereof shall be entitled to no rights thereunder or hereunder, except the right to receive payment of the Redemption Price, together with interest accrued to but excluding the Redemption Date, on or after the Redemption Date of such Securities or portions thereof.

ARTICLE TWELVE

SINKING FUNDS

SECTION 12.01. *Applicability of Article.*

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a “mandatory sinking fund payment,” and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an “optional sinking fund payment.” If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 12.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 12.02. *Satisfaction of Sinking Fund Payments with Securities.*

The Issuer (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided* that such Securities have not been previously so credited pursuant to the terms of such Securities. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 12.03. *Redemption of Securities for Sinking Fund.*

Not less than 45 days prior to each sinking fund payment date for any series of Securities, the Issuer will deliver to the Trustee an Officer’s Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which

is to be satisfied by delivering and crediting Securities of that series pursuant to Section 12.02 and the basis for such credit and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 11.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.06 and 11.07.

ARTICLE THIRTEEN

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, SHAREHOLDERS OFFICERS AND DIRECTORS

SECTION 13.01. Exemption from Individual Liability.

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, shareholder, officer or director, as such, past, present or future, of the Issuer, any Guarantor or of any successor Person, either directly or through the Issuer or any Guarantor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations of the Issuer or any Guarantor, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, shareholders, officers or directors, as such, of the Issuer, any Guarantor or of any successor Person, or any of them, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, shareholder, officer or director, as such, because of the creation of the Indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities.

ARTICLE FOURTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 14.01. Purposes of Meetings.

A meeting of Holders of Securities of all or any series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

(1) to give any notice to the Issuer, any Guarantor or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by the Holders of Securities pursuant to any of the provisions of Article Five;

- (2) to remove the Trustee and appoint a successor Trustee pursuant to the provisions of Article Six;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 9.02; or
- (4) to take any other action authorized to be taken by or on behalf of the Holders of any specified percentage in aggregate Principal Amount of the Securities of all or any series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 14.02. *Call of Meetings by Trustee.*

The Trustee may at any time at the expense of the Issuer call a meeting of Holders of Securities of all or any series to take any action specified in Section 14.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of all or any series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to all Holders of Securities of each series that may be affected by the action proposed to be taken at such meeting by publication at least twice in an Authorized Newspaper prior to the date fixed for the meeting, the first publication to be not less than 20 nor more than 180 days prior to the date fixed for the meeting, and the last publication to be not more than five days prior to the date fixed for the meeting, or such notice may be given to Holders by mailing the same by first class mail, postage prepaid, to the Holders of Securities at the time Outstanding, at their addresses as they shall appear in the Security Register, not less than 20 nor more than 60 days prior to the date fixed for the meeting. Failure to receive such notice or any defect therein shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities Outstanding, the Issuer and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting.

SECTION 14.03. *Call of Meetings by Issuer or Holders.*

In case at any time the Issuer by Board Resolution, or the Holders of at least 10% in aggregate Principal Amount of the Securities then Outstanding of each series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee at the expense of the Issuer to call a meeting of Holders of Securities of all series that may be so affected to take any action authorized in Section 14.01 by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or made the first publication of the notice of such meeting within 30 days after receipt of such request, then the Issuer or the Holders in the amount above specified may determine the time and the place in the Borough of Manhattan, The City of New York for such meeting and may call such meeting by mailing or publishing notice thereof as provided in Section 14.02.

SECTION 14.04. *Qualification for Voting.*

To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities of a series affected by the action proposed to be taken, or (b) be a Person appointed by an instrument in writing as proxy by the Holder of one or more such Securities. The right of Holders to have their votes counted shall be subject to the proviso in the definition of "Outstanding" in Section 1.01. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.

SECTION 14.05. *Quorum; Adjourned Meetings.*

At any meeting of Holders, the presence of Persons holding or representing Securities in an aggregate Principal Amount sufficient to take action on the business for the transaction of which such meeting was called shall be necessary to constitute a quorum. No business shall be transacted in the absence of a quorum unless a quorum is represented when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Holders of Securities (as provided in Section 14.03), be dissolved. In any other case the Persons holding or representing a majority in aggregate Principal Amount of the Securities represented at the meeting may adjourn such a meeting for a period of not less than 10 days with the same effect, for all intents and purposes, as though a quorum had been present. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be similarly further adjourned for a period of not less than 10 days. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 14.02 except that, in the case of publication, such notice need be published only once but must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened, and in the case of mailing, such notice may be mailed not less than five days prior to such date.

Any Holder of a Security who has executed an instrument in writing complying with the provisions of Section 1.04 shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such Holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Any resolution passed or decision taken at any meeting of the Holders of Securities of any series duly held in accordance with this Section shall be binding on all Holders of such series of Securities whether or not present or represented at the meeting.

SECTION 14.06. *Regulations.*

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 14.03, in which case the Issuer or the Holders of Securities calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in Principal Amount of the Securities represented at the meeting.

At any meeting each Holder of a Security of a series entitled to vote at such meeting, or proxy therefor, shall be entitled to one vote for each \$1,000 Principal Amount (in the case of Original Issue Discount Securities, such Principal Amount to be determined as provided in the definition of "Outstanding") of Securities of such series held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Holder of Securities of such series or proxy therefor. Any meeting of Holders of Securities duly called pursuant to the provisions of Section 14.02 or 14.03 at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 14.07. Voting Procedure.

The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders of Securities entitled to vote at such meeting, or proxies therefor, and on which shall be inscribed an identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities so held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders of Securities shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed or published as provided in Section 14.02 and, if applicable, Section 14.05. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 14.08. Written Consent in Lieu of Meetings.

The written authorization or consent by the Holders of the requisite percentage in aggregate Principal Amount of Securities of any series herein provided, entitled to vote at any such meeting, evidenced as provided in Section 1.04 and filed with the Trustee, shall be effective in lieu of a meeting of the Holders of Securities of such series, with respect to any matter provided for in this Article Fourteen.

SECTION 14.09. *No Delay of Rights by Meeting.*

Nothing contained in this Article shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders of Securities of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or the Holders of Securities of any or all such series under any provisions of this Indenture or the Securities.

ARTICLE FIFTEEN

GUARANTEE OF SECURITIES

SECTION 15.01. *Guarantee*

Except as otherwise set forth in a Board Resolution, Officer's Certificate or supplemental indenture establishing a series of Securities and subject to the provisions of this Article Fifteen, each Guarantor hereby jointly and severally unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (a) the full and punctual payment of Principal of and interest on the Securities when due, whether on the Stated Maturity, by acceleration, by redemption or otherwise; and all other monetary Obligations of the Issuer under this Indenture (including all obligations of the Issuer to the Trustee under this Indenture) and the Securities and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article Fifteen notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives (to the extent that it may lawfully do so) (a) presentation to, demand of, payment from and protest to the Issuer of any of the Guaranteed Obligations, (b) notice of protest for nonpayment and (c) notice of any default under Securities of any series or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities of any series or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 15.02(b).

Each Guarantor hereby waives (to the extent that it may lawfully do so) (x) any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed, (y) any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder and (z) any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives (to the extent that it may lawfully do so) any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

Except as expressly set forth in Article Four and Section 15.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities of any series or any other agreement relating to this Indenture or the Securities, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of Principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the Principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at Maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid Principal Amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the Maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article Five for the purposes of

any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article Five, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 15.01.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including reasonable attorneys' fees and expenses and fees and expenses of agents) incurred by the Trustee or any Holder in enforcing any rights under this Section 15.01.

SECTION 15.02. *Limitation on Liability.*

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum, aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) Notwithstanding anything contrary in this Section 15, the guarantees, obligations, liabilities and undertakings hereunder of any Guarantor incorporated under the laws of Ireland shall be deemed to be undertaken or incurred to the fullest extent permitted by law, except where the same would constitute unlawful financial assistance prohibited by Section 82 of the Companies Act 2014 of Ireland.

(c) This Guarantee as to any Guarantor shall terminate and be of no further force or effect and such Guarantor shall be deemed to be released from all obligations under this Article Fifteen and Section 8.02 upon (i) the merger or consolidation of such Guarantor with or into any Person other than the Issuer or a Subsidiary or Affiliate of the Issuer where such Guarantor is not the surviving entity of such consolidation or merger or (ii) the sale, exchange or transfer to any Person not an Affiliate of the Issuer of all the Capital Stock in, or all or substantially all the assets of, such Guarantor; *provided however*, that in the case of (i) and (ii) above, such merger, consolidation, sale, exchange or transfer is made in accordance with Section 8.01 and the successor Person or transferee has assumed all of the obligations of such Guarantor under this Indenture and the Securities. This Guarantee also shall be automatically released upon the release or discharge of the Indebtedness that results in the creation of such Guarantee, as the case may be. If the Guarantee of any Guarantor is deemed to be released or is automatically released, the Issuer shall deliver to the Trustee an Officer's Certificate stating the identity of the released Guarantor, the basis for release in reasonable detail, and that such release complies with this Indenture. At the request of the Issuer, and upon delivery to the Trustee of an Officer's Certificate and an Opinion of Counsel that a Guarantor has been released and that execution by the Trustee of an appropriate instrument evidencing the release of such Guarantor from its Subsidiary Guarantee complies with this Indenture, the Trustee shall execute and deliver an appropriate instrument evidencing such release.

SECTION 15.03. *Benefits Acknowledged.*

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 15.04. *Successors and Assigns.*

This Article Fifteen shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities of any series shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 15.05. *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Fifteen shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article Fifteen at law, in equity, by statute or otherwise.

SECTION 15.06. *Modification.*

No modification, amendment or waiver of any provision of this Article Fifteen, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

2. Company Guarantees. Assuming that the issuance and terms of any Company Guarantees and the terms of the offering thereof have been duly authorized, when (i) the Company Indenture, substantially in the form so filed, and the applicable supplemental indentures, as the case may be, relating to the Company

Opinion

Based upon and subject to the foregoing and subject to the reservations set out below and to any matter not disclosed to us, we are of the opinion that:

- (a) The Company is a public company limited by shares, is duly incorporated and validly existing under the laws of Ireland. The Subsidiary is a private company limited by shares, is duly incorporated and validly existing under the laws of Ireland.
- (b) Each Irish Obligor has all requisite corporate power and authority to enter into, file and perform, as applicable, its obligations under the Form S-3 and the Company Indenture.
- (c) When duly authorised, issued, allotted and fully paid for in accordance with the Form S-3, the applicable prospectus supplement and Irish law, the Ordinary Shares (including any Ordinary Shares issued pursuant to any Warrants, Warrant Units, Share Purchase Contracts, Share Purchase Units, Prepaid Share Purchase Contracts, WTW Debt Securities, Trinity Debt Securities or Willis North America Debt Securities) will be validly issued, fully paid, non-assessable shares of the Company.
- (d) When duly authorised, issued, allotted and fully paid for, in accordance with the Form S-3, the applicable prospectus supplement and Irish law, the Preferred Shares will be validly issued, fully paid, non-assessable shares of the Company.
- (e) If duly authorised, issued, allotted and fully paid for, in accordance with the Form S-3, the applicable prospectus supplement and Irish law, the issue of the Securities will not violate, conflict with or constitute a default under (i) any requirement of any law or any regulation of Ireland, or (ii) the Constitutional Documents as that term is defined in paragraph 3 of the Schedule to this opinion.

Reservations

This opinion is subject to the following reservations:

- (a) We express no opinion as to any law other than Irish law and none of the opinions expressed herein relates to compliance with or matters governed by the laws of any jurisdiction except Ireland. This opinion is limited to Irish law as applied by the Courts of Ireland at the date hereof. We have assumed, without enquiry, that there is nothing in the laws of any other jurisdiction which would or might affect the opinions as stated herein.
- (b) The directors' authority to exercise any power of the Company to allot 43,697,759 ordinary shares and the disapplication of pre-emption rights in relation to issues of up to 6,620,872 ordinary shares was properly approved at the Company's 2018 Annual General Meeting held on 23 May 2018.
- (c) Any provision in the Form S-3 or any Indenture that certain calculations or certificates will be conclusive and binding will not be effective if such calculations or certificates are fraudulent or erroneous on their face and will not necessarily prevent juridical enquiries into the merits of any claim by an aggrieved party.
- (d) Searches of the Companies Registration Office, the Register of Winding Up Petitions at the Central Office of the High Court and the Judgements Office in the Central Office of the High Court are not conclusive and it should be noted that the Companies Registration Office, the Register of Winding Up Petitions at the Central Office of the High Court and the Judgements Office in the Central Office of the High Court do not reveal:

- (e) details of matters which should have been lodged for filing or registration at the Companies Registration Office or the Central Office of the High Court but have not been lodged for filing or registration at the date the search is concluded;
- (f) whether any arbitration or administrative proceedings are pending in relation to any Irish Obligor or whether any proceedings are threatened against any Irish Obligor, or whether any arbitrator has been appointed; or
- (g) whether a receiver or manager has been appointed privately pursuant to the provisions of a debenture or other security, unless notice of the fact has been entered in the Register of Charges maintained by the Companies Registration Office.
- (h) A search at the Companies Registration Office is not capable of revealing whether or not a winding up petition or a petition for the appointment of an examiner has been presented.
- (i) A search at the Registry of Winding up Petitions at the Central Office of the High Court is not capable of revealing whether or not a receiver has been appointed.
- (j) While each of the making of a winding up order, the making of an order for the appointment of an examiner and the appointment of a receiver may be revealed by a search at the Companies Registration Office, it may not be filed at the Companies Registration Office immediately and, therefore, our searches at the Companies Registration Office may not have revealed such matters.
- (k) In order to issue this opinion we have carried out the Searches and have not enquired as to whether there has been any change since the date of such Searches.
- (l) Any reference in this opinion to shares being “non-assessable” shall mean, in relation to fully-paid shares of the Company and subject to any contrary provision in any agreement in writing between such company and the holder of shares, that: no shareholder shall be obliged to contribute further amounts to the capital of the Company, either in order to complete payment for their shares, to satisfy claims of creditors of the Company, or otherwise; and no shareholder shall be bound by an alteration of the memorandum or articles of association of the Company after the date on which he became a shareholder, if and so far as the alteration requires him to take, or subscribe for additional shares, or in any way increases his liability to contribute to the share capital of, or otherwise to pay money to, the Company.

Further, this opinion speaks as of its date and is strictly limited to the matters stated herein and we assume no obligation to review or update this opinion if applicable laws or the existing facts or circumstances should change.

This opinion is governed by and is to be construed in accordance with Irish law. It is given on the basis that it will not give rise to any legal proceedings with respect thereto in any jurisdiction other than Ireland.

Yours faithfully

IV. Assumptions

In examining and describing the Documents and in giving the opinions stated below, we have, to the extent necessary to form the opinions given below, with your permission, assumed the following:

- (i) the genuineness of all signatures on all documents or on the originals thereof;
- (ii) the authenticity and completeness of all documents submitted to us as originals and the conformity to originals of all conformed, copied, faxed or specimen documents and that all documents examined by us as draft or execution copy conform to the final and executed documents; each of the Documents accurately records all terms agreed between the parties thereto and that the documents specified in the Resolutions are congruent with and accurately specify the Opinion Documents;
- (iii) each party to any Document (other than the Company) has been duly incorporated and organised and is validly existing and in good standing (where such concept is legally relevant) under the laws of its jurisdiction of incorporation and of the jurisdiction of its principal place of business;
- (iv) the power, capacity (corporate, regulatory and other) and authority of all parties (other than the Company) to enter into and perform their obligations under the Documents to which they are a party and the legal capacity (*handelingsbekwaamheid*) of all individuals acting on behalf of any such parties;
- (v) under any applicable law, other than the laws of The Netherlands, the Documents have been duly authorised and validly executed and delivered by all parties thereto (including the Company);
- (vi) the due compliance with all matters (including without limitation the obtaining of the necessary consents, licenses, approvals and authorisations, the making of the necessary filings, lodgements, registrations and notifications and the payment of stamp duties, if any, and other taxes) under any law other than the laws of The Netherlands as may relate to or be required in respect of (a) the Documents, (b) the lawful execution of the Documents, (c) the parties to the Documents (including the Company) or other persons affected thereby or (d) the performance or enforcement by or against the parties (including the Company) or such other persons;

- (vii) at the date hereof and at the date the Form of Indenture will be executed, the accuracy and completeness of the Corporate Documents and the factual matters stated, certified or evidenced thereby and that the Resolutions and the Power of Attorney and any other powers of attorney used in relation to the Documents have not been and will not be amended, superseded, repealed, rescinded or annulled;
- (viii) that the Deed of Incorporation is a valid notarial deed (*notariële akte*), that the contents thereof are correct and complete and that there are no defects in the incorporation of the Company on the basis of which a court may dissolve the Company;
- (ix) that nothing in this opinion is affected by the provisions of the laws of any jurisdiction other than The Netherlands;
- (x) (1) the Company has not passed a resolution to voluntarily dissolve (*ontbinden*), merge (*fuseren*) or de-merge (*splitsen*) the Company, (2) no petition has been presented nor order made by a court for the bankruptcy (*faillissement*) or moratorium of payment (*surseance van betaling*) of the Company and that the Company has not been made subject to comparable insolvency proceedings in other jurisdictions, (3) no receiver, trustee, administrator (*bewindvoerder*) or similar officer has been appointed in respect of the Company or its assets, (4) the Company has not been subjected to measures on the basis of the Financial Institutions (Special Measures) Act (*Wet bijzondere maatregelen financiële ondernemingen*), (5) no decision has been taken to dissolve (*ontbinden*) the Company by (a) the Chamber of Commerce under article 2:19a of the Dutch Civil Code or (b) the competent court (*rechtbank*) under article 2:21 of the Dutch Civil Code.

This assumption is supported by (i) certifications and confirmations to that effect in the Resolutions, (ii) confirmations obtained as of the date hereof from (a) the Bankruptcy Clerk Office (*faillissementsgriffie*) (b) the EU Insolvency Register (*EU Insolventieregister*) and (c) the Civil Clerk Office (*civiele griffie*) of the competent courts of The Netherlands confirming that the Company has not been declared bankrupt, that a moratorium of payments has not been granted and (iii) the confirmation obtained by telephone today from the Chamber of Commerce that the Company has not been declared bankrupt or dissolved nor a moratorium of payments has been granted, that no administrator (*bewindvoerder*) has been appointed, and that the Chamber of Commerce does not intend to dissolve the Company;

- (xi) that the execution of the Documents to which the Company is a party and the performance of the transactions contemplated thereby are in the best corporate interest of the Company and are not prejudicial to its creditors (present and future);
- (xii) to the extent that the Documents were executed by an attorney-in-fact acting pursuant to a power of attorney issued by the Company, under the laws governing the existence and extent of the powers of such attorney-in-fact as determined pursuant to the Hague Convention on the Law Applicable to Agency (other than the laws of The Netherlands), such power of attorney authorises such attorney-in-fact to bind the Company towards the other party or parties thereto;
- (xiii) none of the managing directors of the Company is subject to a civil law board member disqualification (*civielrechtelijk bestuursverbod*);
- (xiv) none of the managing directors of the Company has a conflict of interest (in private or otherwise) which would preclude any of the managing directors of the Company from participating in the deliberations and the decision-making process concerned in accordance with Article 2:239(6) of the Dutch Civil Code. This assumption is supported by the confirmations or certifications of the managing directors of the Company in the Board Resolution;
- (xv) the Company does not have a works council (*ondernemingsraad*) nor central works council (*centrale ondernemingsraad*) nor group works council (*groepsondernemingsraad*), nor is it in the process of establishing a works council and the Company does not have the obligation to establish a works council pursuant to the mandatory rules all as referred to in the Works Councils Act (*Wet op de ondernemingsraden*);
- (xvi) all parties have entered or will enter into the Opinion Documents to which they are expressed to be a party from time to time for *bona fide* commercial reasons and at arm's length terms;
- (xvii) there are no supplemental terms and conditions agreed by the parties to the Documents *inter se* or with third parties that could affect or qualify our opinions as set out herein;
- (xviii) the Company has and will have its "centre of main interests" (as that term is used in Article 3(1) of Regulation (EU) 2015/848 of the European Parliament and of the Council of 20 May 2015 on insolvency proceedings (recast) (the "**EU Insolvency Regulation**") in The Netherlands; and

- (xix) the Company has not nor will have an “establishment” (as defined in Article 2(10) of the EU Insolvency Regulation) outside of The Netherlands.

We have not investigated or verified and we do not express an opinion on the accuracy of the facts, representations and warranties as to facts set out in the Documents, and in any other document on which we have relied in giving this opinion and for the purpose of this opinion, we have assumed that such facts are correct.

We do not express an opinion on matters of fact, matters of law of any jurisdiction other than The Netherlands, nor on tax, anti-trust law, insider dealing, data protection, unfair trade practices, market abuse laws, sanctions or international law, including, without limitation, the laws of the European Union, except to the extent the laws of the European Union (other than anti-trust and tax law) have direct force and effect in The Netherlands. No opinion is given on commercial, accounting, tax or non-legal matters or on the ability of the parties to meet their financial or other obligations under the Documents.

V. Opinion

Based on and subject to the foregoing (including the assumptions made above) and subject to any matters, documents or events not disclosed to us by the parties concerned and having regard to such legal considerations as we deem relevant, and subject to the qualifications listed below, we are of the opinion that:

Corporate Status

1. The Company is a corporation duly incorporated and validly existing under the laws of The Netherlands as a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) and has the corporate power and capacity to enter into and to execute the Registration Statement and to file the Form of Indenture in the identical form as submitted to us on the date hereof and to undertake and perform the obligations expressed to be assumed by it under the Registration Statement and the Form of Indenture.

Authorisation

2. The Company has not failed to take any necessary corporate action in connection with its authorization, execution and delivery of the Registration Statement and filing of the Form of Indenture, as applicable, in the identical form as submitted to us on the date hereof, the absence of which may give the Company the right to assert against contracting third parties acting in good faith that it has not validly entered into the Registration Statement and filed the Form of Indenture.

Execution

3. In accordance with article 19.1 of the Articles of Association, the board of managing directors of the Company represents the Company. A managing director A and a managing director B acting jointly are authorised to represent the Company.

According to the 2018 Company Excerpt, on 30 August 2018, the board of managing directors of the Company consisted of Adriaan Cornelis Konijnendijk (managing director A), Zie Ar Sing - Jegat (managing director A), Caroline Sarah Mc Carthy (managing director A), Dennis Beets (managing director A), Paulus Cornelis Gerhardus van Duuren (managing director A), Norman Joseph Buchanan (managing director B) and Rosemary Hazel Hammond-West (managing director B) (jointly referred to as the “**2018 Board Members**”).

Since the Board Resolution, which contains the Power of Attorney, is expressed to have been executed on 30 August 2018 by the 2018 Board Members, the Power of Attorney has been validly granted on behalf of the Company.

Thus, the execution of the Registration Statement on behalf of the Company by means of the signature of an Attorney constitutes a due execution of the Registration Statement on behalf of the Company and the Form of Indenture when executed in the identical form as submitted to us on the date hereof on behalf of the Company by means of the signature of an Attorney will constitute a due execution of the Form of Indenture on behalf of the Company.

VI. Qualifications

The opinions expressed above are subject to the following qualifications:

- (i) Our opinion is subject to and limited by the provisions of any applicable bankruptcy, insolvency or moratorium laws, the Financial Transactions Emergency Act (*Noodwet financieel verkeer*), the Act on Special Measures for Financial Enterprises (*Intervetiewet*) and other laws of general application relating to or affecting generally the enforcement of creditors' rights and remedies (including the doctrine of creditors' prejudice (*Actio Pauliana*) within the meaning of article 3:45 of the Dutch Civil Code and/or article 42 et. sec. of the Dutch Bankruptcy Act (*Faillissementswet*)).

- (ii) Powers of attorney terminate (1) by revocation (*herroeping*) by the person issuing any such power of attorney (the “Principal”), (2) notice of termination (*opzegging*) given by the attorney appointed under such power of attorney (the “Appointed Attorney”), or (3) upon the death of, the commencement of legal guardianship over (*ondercuratelestelling*), the bankruptcy (*faillissement*) of, or the declaration that a debt settlement arrangement (*schuldsaneringsregeling*) shall apply to (a) the Appointed Attorney unless otherwise provided or (b) the Principal.

Notwithstanding the generality of the previous paragraph, an Appointed Attorney maintains his powers in certain urgent cases during one year after the death of, or the commencement of legal guardianship over the Principal or a notice of termination by the Appointed Attorney.

Powers of attorney, which are expressed to be irrevocable, are not capable of being revoked and (unless the power of attorney provides otherwise) will not terminate upon the death of or the commencement of legal guardianship of the Principal insofar as they extend to the performance of legal acts (*rechtshandelingen*) which are in the interest of the Appointed Attorney or a third party. However, at the request of the Principal, an heir or a trustee of such person, the court may amend or cancel an irrevocable power of attorney for significant reasons.

In the event the Principal is granted a moratorium of payments (*surseance van betaling*), a power of attorney can only be exercised with the cooperation of the court-appointed administrator (*bewindvoerder*).

- (iii) Any appointment of a process agent is subject to the rules set forth in the qualifications set forth above and to the requirement that there should be a reasonable and balanced interest for each party to the appointment.
- (iv) Article 2:7 of the Dutch Civil Code entitles companies to invoke the nullity of a legal act (*ultra vires*) if such legal act (*rechtshandeling*) cannot serve to realise the objects of such company and the other parties thereto knew, or should have known without an investigation of their own (*wist of zonder eigen onderzoek moest weten*), that such objects have been exceeded. The nullity can only be invoked by the company itself (or the trustee (curator) in bankruptcy) and not by the other parties involved, if the aforementioned requirements are met.

The Supreme Court of The Netherlands (*Hoge Raad der Nederlanden*) has ruled that in determining whether the objects of a company have been exceeded, the description of the object clause in the articles of association of the company alone is not decisive, but that all circumstances have to be taken into account. In particular, it should be taken into account whether the interests of the company were served by the transaction.

Most authoritative legal writers agree that acts of a company which are (a) within the objects clause as contained in the articles of association of the company and (b) in the actual interest of the company in the sense that such acts are conducive to the realisation of the objects of the company as laid down in its articles of association, do not exceed the objects of the company and therefore are not subject to nullification pursuant to Article 2:7 of the Dutch Civil Code, which view is supported by the Dutch Supreme Court.

In practice, the concept of ultra vires has rarely been applied in court decisions in The Netherlands. Only under exceptional circumstances have transactions been considered to be ultra vires and consequently have been annulled. Nullification of a transaction can result in (internal) liability of the managing directors toward the legal entity.

The issuing of the guarantees will fall within the description of the objects of the Company set out in paragraph d. of article 3 of the objects clause (*doelomschrijving*) of the Articles of Association. However, the management of the Company must consider whether the issuing of the guarantees actually fulfils the material interests of the Company.

- (b) an indenture governed by New York law in respect of debt securities issued by Willis North America Inc., dated as of 16 May 2017 and entered into among, inter alia, Willis North America Inc., the Company, the English Companies as certain of the guarantors party thereto, and the Trustee, as supplemented by, inter alia, a second supplemental indenture dated as of 11 August 2017; and
- (c) an agreed form indenture governed by New York law in respect of debt securities to be issued by the Company (the “**Company Debt Securities**”) and entered into among, inter alia, the Company, the English Companies as certain of the guarantors party thereto, and the Trustee (the “**Company Indenture**”),

together, the “**Indentures**”, each of which includes guarantees by certain of the English Companies (the “**English Guarantees**”).

- 1.2 We have agreed to provide this letter to you on the conditions set out herein.
- 1.3 Nothing in this letter shall imply that we owe any duty of care to anyone other than the English Companies. By the provision of this letter to you we expressly do not adopt, and you may not assert that we owe you any duty of care to advise you as to the content, negotiation of or commercial and financial implications of the Indentures, the Documents (as defined in paragraph 2 below) or any other documents referred to in the Indentures.

2 DOCUMENTS EXAMINED

In order to give this opinion we have only examined the Indentures (including the English Guarantees), and the documents and certificates listed in the schedule to this letter (together the “**Documents**”). We have relied upon the statements as to factual matters contained in each of the Documents. We express no opinion as to any agreement, instrument or other document other than as specified in this letter. In addition, we have not been instructed to make any enquiries concerning any of the parties to the Indentures (other than in respect of the English Companies) for the purposes of this opinion nor have we done so.

3 SCOPE OF OPINION

- 3.1 This opinion is given only with respect to English law in force at the date of this opinion as applied by English courts. We have not been instructed to make, and have not instigated, investigation of and give no opinion as to the laws of any other jurisdiction or the application of English or any other law by any other courts or on the enforceability of judgments of any other courts.
- 3.2 We give no opinion as to matters of fact.
- 3.3 We express no opinion as to the effect that any future event or future act of the parties to the Indentures or any third parties may have on the matters referred to in this letter.
- 3.4 You expressly agree that we have no responsibility to notify you of any change to this opinion after the date of this letter.
- 3.5 This opinion is given on the basis that it is governed by and shall be construed in accordance with English law and all matters (including without limitation, any contractual or non-contractual obligation) arising from or connected with it are governed by, and will be construed in accordance with English law.

4 ASSUMPTIONS

- 4.1 In considering the Documents and in giving this opinion, we have with your consent and without further investigation or enquiry assumed:
- (a) the genuineness of all signatures, stamps and seals on all documents;
 - (b) that all signatures, stamps and seals were applied to a complete and final version of the document on which they appear;
 - (c) the authenticity, accuracy and completeness of those of the Documents submitted to us as originals, the conformity to the original documents of those of the Documents submitted to us as certified, conformed, facsimile or electronic copies or photocopies and the authenticity, accuracy and completeness of those original documents;
 - (d) no amendments (whether oral, in writing or by conduct of the parties) have been made to any of the Documents;

- (e) that, where a Document has been examined by us in draft or specimen form, it will be, or has been, duly executed in the form of that draft or specimen (without amendment) and those transactions contemplated by the Documents which are not yet completed will be carried out strictly in the manner described;
- (f) that the Documents contain all relevant factual information which is material for the purposes of our opinion and there is no other arrangement (whether legally binding or not) between all or any of the parties or any other matter which renders such information inaccurate, incomplete or misleading or which affects the conclusions stated in this opinion letter;
- (g) that any Documents which are English law deeds were validly executed in accordance with the execution formalities required in respect of deeds under English law;
- (h) that the memorandums and articles of association examined by us: (i) were the memorandum and articles of association of each of the English Companies as at the date of the Board Consents; and (ii) are the current memorandum and articles of association of each of the English Companies;
- (i) that the unanimous written consents of the board of directors of each of the English Companies authorising the filing of the Registration Statement and form of the Company Indenture, each dated August 30, 2018 (the “**Board Consents**”) contain resolutions which were duly passed by all duly appointed directors of the English Companies, and those resolutions have not been, and will not be, amended, rescinded or superseded;
- (j) that the information revealed by our on-line search in respect of the English Companies on the Companies House Direct Service made on 11 March 2019 (the “**Company Searches**”) was accurate, up-to-date and complete as at the relevant date in all respects and that nothing has occurred since such searches to make that information inaccurate in any respect;
- (k) that the information revealed by a search in respect of the English Companies at the Central Register of Winding-Up Petitions in relation to the English Companies made on 11 March 2019 (the “**Winding-Up Enquiry**”) was accurate, up-to-date and complete as at the relevant date in all respects and that nothing has occurred since our enquiry to make any such information inaccurate in any respect;
- (l) the legal capacity of all natural persons;
- (m) that each party to the Indentures, other than the English Companies, is duly organised, validly existing and in good standing (where such concept is legally relevant) under the laws of its jurisdiction of incorporation;
- (n) the legal and corporate capacity, power and authority of each of the parties to the Indentures, other than the English Companies, to execute, deliver and perform their respective obligations and exercise their rights under the Indentures;
- (o) that the directors of the English Companies in authorising execution of the Indentures have exercised their powers in accordance with their duties under all applicable laws and in furtherance of the relevant company’s constitution, as defined in section 17 of the Companies Act 2006;
- (p) to the extent that the laws of New York or any other jurisdiction are relevant, there are no provisions of such law which would affect this opinion; and

- (q) each of the parties to the Indentures has complied with and will comply with all applicable provisions of the Financial Services and Markets Act 2000 and any applicable secondary legislation made under it.

5 OPINION

- 5.1 Based on the above assumptions and subject to the qualifications set out below in paragraph 6, and any matters or documents not disclosed to us, and having regard to such considerations of English law in force as at the date of this letter as we consider relevant, we are of the opinion that:
- (a) each of the English Companies is a company duly incorporated under the laws of England and Wales;
 - (b) the Company Searches revealed no order or resolution for the winding-up of the English Companies and no notice of appointment in respect of any of the English Companies of a liquidator, receiver, administrative receiver, administrator or supervisor of a voluntary arrangement at the date and time of the Company Searches;
 - (c) the responses to the Winding-Up Enquiry indicated that no petition for the winding-up of any of the English Companies had been presented at the date and time of the Winding-Up Enquiry;
 - (d) the execution of the Indentures (including the English Guarantees) has been duly authorised by all necessary corporate action on the part of each of the English Companies; and
 - (e) the Company has all the requisite power and authority to execute, deliver and perform its obligations under the Company Debt Securities, once duly authorised and issued.

6 QUALIFICATIONS

- 6.1 The opinions expressed in paragraph 5 above are subject to the following qualification:
- (a) the Company Searches and Winding-up Enquiry are not conclusively capable of revealing whether or not a winding up petition in respect of a compulsory winding up has been presented or made or a receiver, administrative receiver, administrator or liquidator appointed.
- 6.2 We have not been responsible for investigating or verifying the accuracy of any facts including statements of foreign law, or the reasonableness of any statement of opinion or intention, contained in or relevant to any document referred to in this letter, or that no material facts have been omitted from any such document.
- 6.3 We express no opinion as to the taxation consequences of the transactions contemplated by the Indentures.

The opinions expressed herein are rendered solely for your benefit in connection with the transactions described herein. Those opinions may not be used or relied upon by any other person, nor may this letter or any copies hereof be furnished to a third party, filed with a governmental agency, quoted, cited or otherwise referred to without our prior written consent. Notwithstanding the foregoing, we hereby consent to the use of this letter as an exhibit to the shelf registration statement to be filed with the U.S. Securities and Exchange Commission dated 11 March 2019 (the “**Registration Statement**”), and to any and all references to our firm in the prospectus which is a part of the Registration Statement. In giving such consent we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the U.S. Securities Act of 1933, as amended, or the rules and regulations of the Commission.

Yours faithfully

/s/ **Weil, Gotshal & Manges (London) LLP**
