## **Explanation of Responses:**

1. Represents the minimum number of performance-based restricted share units that became eligible to vest due to certain amendments to the award agreement providing for a minimum payout level, each of which such units represents the right to receive one ordinary share of the Issuer upon the satisfaction of the service-based vesting requirement on April 1, 2024, subject to the terms of the award agreement. This number also includes the number of ordinary shares of the Issuer that are issuable pursuant to the dividend equivalent right, with respect to the minimum number of units that became eligible to vest, under the terms of the award agreement providing for the accrual of dividends in the form of additional restricted share units that vest and are payable at the same time as the underlying performance-based restricted share units.
